Vote 7: That we adopt the Resolution, Supporting Continuing Sanctions Against South Africa.

RESOLUTION SUPPORTING CONTINUED SANCTIONS AGAINST SOUTH AFRICA

WHEREAS the Rev. Nelson Mandela, the leader of the African National Congress (ANC) was released in February after 27 years as a political prisoner of the apartheid regime in South Africa, and

WHEREAS Herman Cohen, the Assistant Secretary of State for Africa, and others in the U. S. Government are already contemplating lifting the present sanctions against South Africa, and

WHEREAS the South African government has responded to international pressure and to the limited sanctions currently imposed by the U. S. Government as evidenced by the decision of President de Klerk to release Mandela and discuss negotiations, and

WHEREAS these oppressive strictures of apartheid are still in effect in spite of Mandela's release:

- Blacks are not allowed to vote for any national office;
- Blacks cannot own property in the 87 percent of South Africa reserved for whites;
- Forced removals and arrests for political activity continue;
- The Separate Amenities Act metes out education and social services by race;
- The Group Areas Act seeks total residential and social separation by race;
- The Population Registration Act classifies each person by race at birth;
- The Land Acts allocate 13.6 percent of the land to 70 percent of the population;

WHEREAS apartheid must be abolished and not reformed, and the South African Council of Churches has reaffirmed its call for comprehensive sanctions and

WHEREAS the United Church of Christ in the United States has worked for decades with our church partners in South Africa to hasten the end of apartheid through prayer and action, including supporting the divestment of funds from firms doing business in South Africa, and

WHEREAS the Southern Conference of the United Church of Christ has gone on record in 1986 in support of our church partners in South Africa and has called for an end to apartheid and a divestment of funds from firms doing business in South Africa,

THEREFORE BE IT RESOLVED THAT the Southern Conference of the United Church of Christ reaffirms its support, through prayer and action, of our Sisters and Brothers in Christ working for a free and democratic South Africa, and

BE IT FURTHER RESOLVED THAT the Southern Conference encourages its members to urge their Congressional representatives to

support comprehensive sanctions against South Africa until apartheid is abolished, and

BE IT FURTHER RESOLVED THAT the Southern Conference directs the Christian Social Ministries Commission to continue and expand its efforts to bring racial reconciliation within the church and in society, not only in this Conference or even in this nation, but throughout the world.

Vote 11: To accept the change to paragraph #3.

Vote 12: To eliminate paragraph #8.

Vote 13: To accept the Resolution Concerning Abortion with the above changes.

Vote 14: To consider the resolution in this form.

Vote 15. To adopt the Resolution Concerning Abortion.

RESOLUTION CONCERNING ABORTION

1. WHEREAS many among us have undertaken during the past year to engage in serious reflection, prayer, and dialogue on the issue of abortion, and
2. WHEREAS, we remain deeply divided over some basic issues, such as the rights of unborn human fetuses and the morality of freedom of choice, and
3. WHEREAS, we have nevertheless found a number of significant points of agreement,
4. **BE IT THEREFORE RESOLVED THAT** the Southern Conference of the United Church of Christ affirms the sanctity of human life, and, at the same time, acknowledges our different perspectives as to the current theological and moral ambiguity of determining when full personhood begins.
5. **BE IT FURTHER RESOLVED THAT** we encourage continued reflection and dialogue on the profound moral, theological, and social issues which interact and impact on the issue of abortion.
6. **BE IT FURTHER RESOLVED THAT** we affirm the dignity and worth of human life without distinction as to:

- 1) Gender, since God created all persons, male and female, in the image of God; or
- 2) Race, since persons of all races equally reflect the image of God.

Abortion should not be used to discriminate against or devalue human life on these bases.

7. BE IT FURTHER RESOLVED THAT the Southern Conference urges full preparation of children, youth, and young adults for responsible sexual behavior, with sex education being provided primarily by the home, but also in the church and school. Any sex education program should stress abstinence outside of monogamous marriage, and should also teach methods of safe, effective birth control.
8. BE IT FURTHER RESOLVED THAT this annual meeting urges the appropriate commissions and institutions of the Southern Conference to continue to develop program areas which will provide resources and time, talent and energies to women who choose to continue their pregnancies, and to their families, whether they intend to raise the child or give the child up for adoption.
9. BE IT FURTHER RESOLVED THAT the Southern Conference urges the pastors and churches to provide loving care and pastoral nurture for women who choose to terminate their pregnancy, as well as those who choose to carry the pregnancy to term.
10. BE IT FURTHER RESOLVED THAT the Southern Conference follows the lead of General Synod 16 in encouraging persons facing an unplanned pregnancy to consider giving birth and parenting the child or releasing the child for adoption before considering abortion.
11. BE IT FURTHER RESOLVED THAT the Southern Conference urges all levels of church and government to provide the necessary economic assistance to women who choose to give birth and raise their children, and to address the root causes which lead some women to consider abortion.

EVANGELISM COMMISSION (The Reverend E. Cecil Smith, Chairperson)—The commission in its deliberations established its agenda priorities. The commission will recommend greater communication between clergy and laity pertaining to evangelism. The commission proposes to continue cluster meetings, to promote more publicity, introduction of new music, training for diaconate and clergy, closer relationship between church schools, and to sponsor seminars and workshops featuring leadership on the association and conference levels. The commission asks that churches retain evangelism as a top priority.

CHRISTIAN EDUCATION COMMISSION (The Reverend Randolph

Burwell, Chairperson)—The commission established its long range plans during the past year. The new church school curriculum has been reviewed and endorsed by the commission.

One item of major concern to the commission is the lack of use of UCC materials by our UCC churches. Only 11 of 51 churches were using UCC materials, while the remainder used various materials not published by our denomination. The commission will continue to address the problem as it reports to the board of directors in the coming months.

CHRISTIAN SOCIAL MINISTRIES (Mrs. Rebecca Turner, chairperson)—During the past year the commission conducted a survey to determine the activities of our churches in the area of social ministries. The results were made available to the participating churches at the spring workshop.

The spring workshop addressed the homeless, drug abuse, and the tutoring program. The information gathered provided insight to how churches are responding to social issues, and provided participating churches some guidance and direction for programs in the 1990s.

STEWARDSHIP COMMISSION (The Reverend Eddie A. Walker, chairperson)—The commission interviewed churches of eastern Virginia in cooperation with the Southern Conference study concerning stewardship activities within the conference and the association.

The commission established OCWM goals as outlined by existing criteria, and provided leadership for the Franklinton Center IDEAS Workshop. Each church is asked to retain stewardship prominently on their list of activities as we seek to meet world needs in the 1990s.

EASTERN VIRGINIA CHURCH WOMEN (Mrs. Doris Hartzog, chairperson)—Church women sponsored a fall enrichment program, a spring rally, a leadership workshop and the summer conference at Elon College. Eastern Virginia women were well represented at the summer conference; 27 made the trip to Elon.

In 1990, the summer conference will convene at the Methodist Assembly Center in Blackstone, Virginia. All churches are asked to support the conference by sending delegates.

The church women are committed to support the 1990 Southern Conference annual meeting, and the General Synod convening in Norfolk in 1991.

DISASTER NETWORK (Mr. James K. Ramborger, chairman)—The committee work slowed somewhat in recent weeks due to an insufficient number of persons to handle the requirements. The additional persons elected today will enable the committee to meet its commitments, stated the chairman.

The Virginia Council of Churches alerted the chairman to be ready just in case hurricane Hugo came ashore in eastern Virginia. Fortunately, this did not happen.

With the new personnel in place, the committee will begin work in earnest in 1990.

BUDGET REPORT (The Reverend David Seymour, chairman)—The budget report was received as printed in the association annual booklet. The budget report summarized:

Administration requirements	\$7,600.00
Outreach requirements	900.00
Total income requirements	<u>\$8,500.00</u>

The budget report did not state the source of income to meet these requirements.

CHRISTIAN MISSIONARY ASSOCIATION (Mr. James K. Ramborger, chairman)—The report delineated the flow of activities of CMA during the past year.

CMA met in April 1989 at Laurel Hill United Church of Christ, with good representation by association churches. At this time, the proposed constitution was introduced for action. All differences were resolved and the document was unanimously adopted by the assembly body at the April 22nd meeting.

Objectives for the year 1990 include: Development of by-laws for the Christian Missionary Association. Hopefully, these laws will be ready to present at the next CMA meeting in September 1990, the centennial year.

Push for a new church start in eastern Virginia will begin after a suitable location has been found.

The constitution was presented at the 20th annual meeting on October 12, 1989. The delegates were asked to vote on article 2—affiliation. Article 2 calls for CMA to be a part of the Eastern Virginia Association and its affiliates, such as the Southern Conference and the General Synod. The vote for the article was unanimous.

The financial statement was given by the Reverend Robert Bennett, treasurer. The report summarized as follows:

Balance from previous year	\$ 392.42
Receipts	6,788.25
Total receipts	<u>\$7,180.67</u>
Disbursements for the period equaled the total receipts for the period.	
CD accounts total	\$154,500.00
With interest	177,495.35
Balance in checking	<u>335.37</u>
Total	<u>\$177,830.72</u>

CMA expressed its gratitude to the churches of the association for donating \$6,500.00 in 1989.

WORDS FROM THE SOUTHERN CONFERENCE (Dr. Rollin O. Russell)—Greetings to the association were extended by Southern Conference Minister, Dr. Rollin O. Russell. Special thanks was given to the churches for the warm welcome extended to visitors from the Evangelical Church of Germany. It was unfortunate that one of the group became ill and passed away before returning to her native land. "My deep appreciation to those pastors who gave pastoral care during a time of great need", stated Dr. Russell.

The churches of the Eastern Virginia Association are to be commend-

ed for their humanitarian outreach for victims of hurricane Hugo. Help came from many directions and was funneled through the Southern Conference office. "We can be justly proud of our UCC system that allows for a rapid response in a time of crisis", noted the conference minister.

It was stated that the Reverend Dwight Moore was recovering in a Burlington, N. C. nursing home. Churches were asked to donate to the Dwight Moore Fund to help defray the enormous cost of nursing home care.

Our Church's Wider Mission giving is ahead of last year—good news. Other good news is the addition of new congregations in the North Carolina area.

Dr. Russell stated this promises to be a very busy year as we prepare to host the General Synod in 1991. The efforts of many are needed.

STATE OF THE ASSOCIATION ADDRESS (The Reverend William A. Everhart)—Association Minister Everhart expressed through his state of the association address, his hopes and inspirations for the future. Some needs as he indicated them:

Gather more often and come to the table as one.

Initiate a quarterly gathering for no other reason than to praise God and to yield to almighty God.

The need exists for more frequent assembling for the deliberation God lays on us and the Spirit infuses us.

We need an effective clergy in the association. They should come together for fellowship, study, discipline, learning, growing and maturity as brothers and sisters in Christ.

We need to come together for theological dialogue, and Sunday after Sunday deliver an effective ministry.

We can accomplish so much in Eastern Virginia Association, not because we are something special, but because we trust wholly, completely in the God whose Son came and asked us to walk with Him.

PROPOSED BY-LAWS OF THE ASSOCIATION (Mr. Bud Walther)—The proposed document was presented to the assembled body for considera-

tion. It was shortly determined that there was not enough time remaining on the agenda to fully review and act on the document. The motion was made to table and to call a meeting just for the purpose of considering the by-laws. The motion carried.

INSTALLATION—All officers and board members elected in the morning session were duly installed.

LETTER OF REGRET—One letter received. The Reverend R. Samuel Askew, pastor Franklin Congregational Christian Church.

ATTENDANCE AT THE 20th ANNUAL MEETING—46 churches represented. Clergy, 60; Laypersons, 69; Visitors, 48; Total, 177.

ADJOURNMENT—The 20th Annual Meeting was adjourned at 3:00 p. m. with words of encouragement and optimism from President Jean Copeland.

UNITED CHURCH OF CHRIST**

October 14, 1989

The twenty-third annual meeting of the Eastern North Carolina Association of the Southern Conference of the United Church of Christ was held Saturday, October 14, 1989, at the First Christian United Church of Christ in Burlington, NC. The theme for 1989 was "In the Beginning Was the Word . . . What About Now?" Dr. Brenda Allen, ENC Association President, called the meeting to order. Prayer was led by Rev. James Rosser of Haw River Christian UCC. Total attendance was 244—90 clergy, 68 lay delegates, and 86 visitors. An official welcome was given by Rev. Robert Barrows, Jr., host pastor.

The agenda was adopted and the October 8, 1988 minutes were approved. A special committee selected to tally the ballot vote count included Douglas Brown, Audrey Burnette, Ronald Bradow, CoCo Hutchinson, and Douglas Long. The Treasurer's report (exhibit #1) presented by Rev. James Staunton was received. The proposed budget for 1990 (exhibit #2) was also introduced by Rev. Staunton. Additional items included item #11—Black Church Development Committee; item #XV—Annual Meeting expenses; and a recommendation that the ENC Association membership dues be increased to seventy-five (\$.75) cents in 1990 and to increase to one dollar (\$1.00) in 1991. Rev. Staunton expressed his thanks to the Association for the opportunity to serve as treasurer as his tenure would expire at the end of the meeting.

Report of the Nominating Committee (exhibit #3) was presented by Ms. Doris Hooper. As there were no names submitted from the floor, a motion to close and accept by acclamation the slate of names for the Board of Directors of the ENCA as reported by the nominating committee was made, seconded, and carried. Therefore, the ballot count committee was dismissed.

A proposal to form a Black Church Development Committee (exhibit #4) was presented by Rev. Ervin Milton, Associate Conference Minister. A motion to accept the proposal for a Black Church Development Committee was carried.

PROPOSAL

FOR BLACK CHURCH DEVELOPMENT COMMITTEE

BY

THE ENC BOARD OF DIRECTORS

The ENC Board of Directors recommends the establishment of a Black Church Development Committee in 1989-90. This is formal notice that the Board will recommend at the 1990 Association Meeting a by-law change calling for a Black Church Development **Commission** rather than a committee (see model by-laws listed below). The year's wait is not due to any sense of need for a trial period. Because all constitutional changes require 60 days' notice, we must wait until 1990 to establish a formal commission.

**MODEL BY-LAW FOR ASSOCIATION TO ESTABLISH
A BLACK CHURCH DEVELOPMENT COMMISSION**

1. The Commission on Black Church Development shall work in conjunction with the Conference Commission on Black Church Development in helping to:
 - a. provide special training for black ministers to enable them to provide effective leadership for the development of black churches.
 - b. provide for leadership development programs to enable black church leaders to carry out their role more effectively.
 - c. enable black churches to initiate and better cope with change.
 - d. enable black churches to utilize the existing structures and programs of the Association, Southern Conference, and the United Church of Christ.
 - e. recruit blacks for full-time and other forms of Christian service.
 - f. provide program and material resources to the black churches of the Association.
2. The Association Commission on Black Church Development shall be composed:
 - a. the same as other commissions of the Association.

- b. The Chairperson of the Association Commission on Black Church Development shall also serve on the Conference Commission on Black Church Development.

WESTERN NORTH CAROLINA ASSOCIATION REPORT OF ASSOCIATE CONFERENCE MINISTER 1989

Dear Friends:

Five years in any one position is a milestone and a significant period in one's life. I come to that point in time with a sense of gratitude to you for allowing me to serve in this capacity, and for your support and friendship through these years. My prayer is that God will take all of our efforts, multiply them by grace and help them bear fruit beyond our expectations and dreams.

One of the events that made 1989 memorable was receiving Christ Community Church of Monroe into membership in the WNCA and the United Church of Christ. This congregation was organized in 1982 under the leadership of the late Rev. Bryce Joyce and during that pastorate a fine multi-purpose building was built. Under the continuing leadership of Rev. Gary Thompson the church continued to grow, and his ecumenical outlook was instrumental in their affiliating with the UCC. Both he and the congregation were received into full-standing on June 25, 1989. We mourn Rev. Thompson's untimely death even as we rejoice in his faithful ministry, His wish that Christ Church and he be a part of the UCC was fulfilled and we give thanks to God.

More and more of my time is taken in working with churches seeking

pastors. Of the 117 congregations in WNCA, 66 have changed pastors once during the 5 years and 14 of those twice. Even so, about 50% of all full-time pastors have been in their present positions for 5 or more years. This indicates much stability, since many who changed may well be in their positions 5 or more years. As I write this report we have 16 churches seeking pastors full-time or part-time. The need for Interim Pastors is greater than ever. We held workshops at two locations on INTENTIONAL INTERIM MINISTRY, with more than 25 pastors in attendance. There is an INTERIM NETWORK across denominational lines and nationwide in scope. Most of our churches desire to have Interim Pastors rather than week-to-week supplies (although there is still plenty of demand for pastors to fill in on Sundays!).

I would like to encourage more intentional effort on the part of our black and white congregations in close proximity to one another to enjoy each other in fellowship and worship experiences from time to time. Our life together in the Association is tremendous and we have close working relationships on our commissions, boards, etc. However, we have much to share with each other on a more personal level and I hope we will do so. There is a fine project underway among some of our churches in the Raleigh/Durham area.

You will notice that our 1990 budget is increased with the major portion of our budget, as well as the major increase, designated for financial aid for students preparing for ministry. This need will continue to increase. Our aid generally ranges from \$500-\$1,000 annually. With seminary cost in the \$9,000 range, this aid is hardly more than moral support (which, of course, is important too). We have chosen in WNCA to put this aid in our operating budget because developing an endowment to produce the kind of aid needed is beyond a possibility in the Association and probably in the Conference. At present we have 12 persons In-Care. With the increase in the budget, we hope to increase the aid to our students.

The statistical report is on the following page. I simply remind you that these represent people, individuals and congregations. We lost many from our midst by death and again extend to their families our sympathy as well as our thanks to God for their ministry.

I close with a word of deep appreciation to our outgoing officers. Jo Anne Flick and George Gay have served two years in their positions; Jo Hudson and Earl Jones have served four years in their positions. Many of our Board members also will go off the Board. All of these have served us well and we are indebted to them for helping to make WNCA function in its many ministries. And I would also add a word of appreciation to Jo Carpenter, our office secretary. She does more to keep us on schedule and in order than you know; thank her along with our officers!

Respectfully submitted,
Richard A. Cheek

WESTERN NORTH CAROLINA ASSOCIATION COMMISSION ON CHRISTIAN SOCIAL MINISTRY

The work of the Commission on Social Ministries has been enhanced since the first of the year by the guidance and assistance of the Rev. Denise Long, the newly elected staff member of the Southern Conference. Her job focuses primarily on "Racial Justice" and "Women and Children in Poverty", but she has made her expertise available to us in many areas of social concern. She is available to any local church that would like to expand or improve its ministry in this area.

Following the action of the Southern Conference Commission on Social Ministries and subsequent action taken at the Annual Meeting of the Conference, we have included in our meetings the Western North Carolina members of the Women's and Peace Task Forces. We approved a suggested plan to disband the Women's Task Force and assigned responsibility as follows: Women in Poverty to the Social Ministries Commission; Women

Clergy to the Church and Ministry Commission; and supporting lay women leaders to Church Life and Leadership Commission.

We conducted a survey among the churches to determine what congregations are doing to minister to persons in need of assistance (homeless, etc.). This kind of sharing, we hope, will encourage others to expand their ministries in this direction.

We gave active support to the CARING PROGRAM FOR CHILDREN sponsored by the North Carolina Council of Churches, an effort that insures poor children for outpatient services (46% of the 183,000 children in North Carolina live below the poverty level and don't qualify for Medicaid assistance and have no health insurance). The Rev. Bill Smith and Doris Yeattes have expressed a willingness to visit local churches and explain the program.

Several of our members attended a seminar in April on "Racism, Poverty and Economic Justice" and others participated in a trip to Washington calling for justice in South Africa. Others participated in an ongoing "consultation in progress" sponsored jointly by the Southern Conference and the Evangelical Church of Germany (EKU) whose chief concern is to consider carefully the theological and ethical imperatives which should determine our Christian response to environmental and toxic waste issues.

Our Commission recommends that churches that have not done so designate an individual or board to be alert for national and international issues that have Christian ethical implications. They can serve as contacts between the local churches and the Conference office. Send this information to Rev. Denise Long.

Churches in the Western Association are encouraged to study and discuss the resolutions adopted at the 1989 Annual Meeting of the Southern Conference including: (a) Resolution to seek understanding, respect and dialog concerning abortion; (b) Resolution on Racism; and Standing for Truth in South Africa; and the 1989 General Synod Pronouncement: "Christian Faith: Economic Life and Justice".

Respectfully submitted,

Richard L. Jackson, Chairperson

WESTERN NORTH CAROLINA ASSOCIATION REPORT OF THE COMMISSION ON EVANGELISM

GOOD NEWS!! We all know that this refers to the Gospel of our Lord Jesus Christ. Yet, it also refers to the work of your Commission on Evangelism. Since the last association meeting, the commission has been praying and working to faithfully carry out its ministry. Your support and encouragement have been greatly appreciated.

Here is a summary of our work:

1. Meetings. The full commission met three times, and a special task force of the commission met once.
2. Activities. The commission supported the Conference Commission on Evangelism and also the two IDEAS workshops at BRAG and at Franklinton Center.
3. Analyzed the 1988 membership statistics of the 119 churches of

our association (including Schedule I and II churches), with these findings:

a. Total membership in our association dropped from 23,386 in 1987 to 23,366 in 1988, a net loss of 20 persons.

b. 41 churches showed a net increase in membership in 1988.

c. 40 churches showed no net change in membership in 1988.

d. 38 churches showed net decreases in membership in 1988.

4. Adopted the following agenda for 1989-1990:

a. Fall 1989/Spring 1990—meet with the five district ministerial groups to raise the concerns of evangelism.

b. Fall of 1989—prepare evangelism seminar for presentation at the 1990 Davidson-Forsyth District Training School.

c. January 1990—present seminar at Davidson-Forsyth Leadership Training School, and offer it as a model for others.

d. May 1990—send two persons to the National Evangelism Workshop in Nashville, Tennessee.

At the beginning of the year, the commission recognized two needs:

1. to re-evaluate our understanding of evangelism, discovering a more effective working definition for application in our church life; and, 2. to listen to, communicate with, and minister to the needs of our local churches. We are committed to doing our best toward meeting these needs. We ask you, our covenant partners, to join us in this commitment by:

1. praying for your Commission on Evangelism and the work of evangelism in our association.

2. forming an evangelism committee in your church, or reviving the work of your existing evangelism committee;

3. setting and working toward achieving annual membership growth goals in your church.

4. considering serving as host to a meeting of your Commission on Evangelism.

5. responding graciously to initiatives from your Commission on Evangelism for your help, ideas and prayers.

We congratulate all of you for your work and commitment in the area of evangelism, and thank you for your partnership with us in this area of the ministry of our association. God bless us and help us all to be faithful.

The members of the Commission On

Evangelism, Dale Kennedy, chairperson

WESTERN NORTH CAROLINA ASSOCIATION

REPORT OF THE CHRISTIAN EDUCATION COMMISSION

The work of the Christian Education Commission of our Association can be seen in the two events which it has sponsored since our last association meeting.

On Sunday, October 23, 1988, under the leadership of James Fatzinger, the 1988 chairperson, a youth event was held at Catawba College in Salisbury, North Carolina. This was the third event of its kind in recent years for junior and senior high youth. Our theme "Dare To Be . . ."

was implemented through the various workshops that were offered to the youth and their leaders. The workshops were: clowning, drama, leadership, inclusiveness, and ethics. In addition there were tours of the Catawba College campus, worship, and recreation. The evening meal was shared in the cafeteria of the college. There were about 200 youth and youth leaders in attendance. We appreciate the work of the Commission and the spirit of cooperation of the Catawba College staff to make this event such a success.

Adopting family life as its area of primary concern for 1989, the Commission's goal was to strengthen both the nuclear family and the church family. The Commission designed and implemented a retreat for families with children twelve-years-old and under on Memorial Day weekend, May 26-28, 1989 at Blowing Rock Assembly Grounds. Ben Franklin, pastor of Amelia Church in Clayton, was resource person for the retreat which included group activities with art, music, and discussion and ample leisure time for families to be together at BRAG. Nine families participated. An additional goal for the week-end was introducing families to BRAG and encouraging their participation in future events there.

WESTERN NORTH CAROLINA ASSOCIATION COMMISSION ON CHURCH LIFE AND LEADERSHIP

The Commission on Church Life and Leadership met two times during the past year—November 5, 1988, at First Church, Salisbury, and July 9, 1989, at Zion United Church of Christ, Thomasville.

This year the Commission was involved in the following areas:

1. Promotion of Continuing Education through the Staley Lectures held at Catawba College in January, 1989.
2. Promotion of the Pilgrimage Movement as originated through the work of the Spiritual Task Force. Response to this activity has been encouraging.
3. Conducting an introductory workshop at Zion in Thomasville, July 9, for the purpose of introducing the Consistory of that church to the workings of the Association Commission on Church Life and Leadership. Dr. Richard Cheek and the Reverend Taymond Hargrove represented the Southern Conference at this session.
4. Promotion of the inauguration of Leadership Training Schools in each program district of the Association. Officers from the Rowan, Catawba, and Randolph districts were present at the meeting. The Reverend Jimmy Norred, President of the Davidson-Forsyth District, outlined the Leadership Training School as presently constituted in his district.

WESTERN NORTH CAROLINA ASSOCIATION
COMMISSION ON STEWARDSHIP REPORT

The WNCA giving to Basic Support for Our Church's Wider Mission increased by 1% over our giving in calendar year 1987. At the same time, those congregations increased their level of giving in 1988 to other UCC Funds and to Conference Institutions by more than 20%. The following chart gives this information:

Basic OCWM			
Support	\$225,078 (1987)	\$258,291 (1988) +	1%
Other UCC & Institutions	\$167,910 (1987)	\$202,178 (1988) +	20%

In 1988, 80 congregations contributed \$12,724 to the support of the WNCA budget; 93 congregations contributed \$14,544 in 1987; and 85 congregations contributed \$11,491 in 1986.

At meetings during the current year, the Stewardship Commission has reviewed contributions to OCWM support and to the WNCA budget. At the end of July your contributions appeared to be at approximately the same level as last year.

Early in the year, your Stewardship Commission made plans for its participation in a Southern Conference Survey program. The purpose of this survey is to determine the status of Stewardship in our individual congregations. Eighteen congregations were selected as representative of a good cross-section of the WNCA and were invited to participate. Members of the WNCA Stewardship Commission attended meetings with the official boards of those participating churches in an effort to determine the stewardship programs currently in place for them. Information from our survey will be added to data being secured from congregations in EVA and ENC and will be helpful in the design of future stewardship promotional activities.

Letters indicating suggested contributions to OCWM and WNCA budgets have been mailed to every congregation in WNCA. Your continued and expanded support is much needed to sustain the planned program expansion for our Association, our Conference, and the total denomination.

Please give these matters your careful and prayerful response.

Respectfully submitted,
James Allred, Chairman

WESTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE CHURCH AND MINISTRY COMMISSION
(as of August 21, 1989)

The Commission met regularly during the year. We made a diligent effort to utilize the new UCC Manual On Ministry in our work with the various candidates and churches. We have sought to engender and encourage the highest standards in our authorization of ministries.

One highlight of the year was our sharing in a very special event on June 25, 1989, when Christ Community Church, 5114 Rogers Road,

Monroe, N. C., united with the United Church of Christ by being received into the Western North Carolina Association on that day. We rejoice in welcoming this congregation to the Association family!

In a first for the Association, we had opportunity to grant Mrs. Sandra Flynt Canipe of Congregational UCC, Greensboro, standing as Commissioned Minister of Education. This marks another step forward in recognizing the significant ministry of those dedicated to excellence in Christian Education.

Nine Students in Care received some scholarship assistance for the 1988-89 year and eight are receiving funds for 1989-90. We congratulate Mr. Eric Nelson on his graduation from Yale Divinity School this year. We are happy to welcome Mr. James Hayes of Trinity UCC, Conover, as a new Student In Care, and have Rev Les Wicker serve as his advisor. One major concern we have is that so little scholarship funding is available while our students and their families face such great financial pressure in meeting educational costs. We urgently request more funds for them.

Five persons participated in the UCC History, Polity and Program course offered at Catawba College on six Saturdays. A special word of thanks is due to the Presenters for those sessions and to the College for use of the facilities.

Rev. Freddie Torrence was granted Licensure for his ministry at First UCC, Mooresville. Renewal of license was granted to Walter Coleman and James Hamilton.

Privilege of Call was given to Rev. Janice Tucker and Rev. Harry Griffin.

Full ministerial standing was granted to Rev. David Allred, now serving Pfafftown UCC, Pfafftown, N. C.

Full ministerial standing was granted to Rev. Gary Thompson, who served as pastor for Christ Community Church in Monroe and whose dedicated leadership helped this church into our fellowship. Rev. Thompson's death so greatly saddened us all. But the living monument of his work reminds us of his service and we thank God for the gifts of his life and leadership. We continue to appreciate the faithful service of Mrs. Peggy Thompson and family in Monroe.

Rev. Beth Cobb Davis was given an endorsement of her ministry in Hospital Chaplaincy at High Point Regional Hospital.

Rev. William Carr of Emmanuel UCC, Greensboro, was recommended for Ordination upon the completion of his ordination paper which will soon be ready for presentation.

Retired clergy new to this area were welcomed at a dinner at First UCC, Winston-Salem.

To the churches and institutions that have hosted Commission meetings this year, we again extend our appreciation. Special thanks also have to go to Rev. Richard Cheek, whose faithfulness and competence are essential to the working of the Commission. A debt of gratitude is also owed to the secretarial staff in the Association office, for excellent work in preparing and mailing the many communications of the Commission. Finally, I thank the Commission members for your strong commitment and dedicated service in carrying out the responsibilities of this Com-

mission. I greatly appreciate the opportunity I have had to serve with you.

Respectfully submitted,

WESTERN NORTH CAROLINA ASSOCIATION CHURCHMEN'S FELLOWSHIP

Our Churchmen's Fellowship is alive and well. During the past year each district held at least two meetings. The highlight of our endeavors was the organization of the Guilford-Rockingham District Fellowship under the leadership of John F. Yeattes, Jr.

At our nineteenth annual meeting, we recommended a common project for all the districts; this being the building of a canopy at BRAG for the loading and unloading of vehicles in inclement weather. All districts approved this project and the funds are being paid to BRAG over a three year period. The canopy was constructed in the spring of this year.

The twentieth annual meeting of the Churchmen's Fellowship of the Western North Carolina Association was held at BRAG August 25-27, 1989. Our theme was "Twenty Years of Christian Leadership".

Our keynote speaker was Dave Rowe of Asheboro, North Carolina. He was a former NFL football player. He presently is public relations director for Randolph Electric Membership Corporation. His topic was "A Christian in the Workplace."

After the address, we shared ideas from the different districts.

During the business sessions, the following were elected for two year terms:

Bobby Wright, President
Joe Billy Young, Vice President
Rev. Bland Leebrick, Jr., Pastoral Advisor

The banquet speaker was Everette Simmons, Superintendent of the Newton-Conover School system. He gave a very challenging talk on the different hats each of us wear in our professional and religious lives.

Sunday school was lead by Ike Young. Sunday morning worship and communion was led by Rev. Rosser Clapp and Dr. Richard Cheek.

The next annual meeting will be held at BRAG August 24-26, 1990.

Respectfully submitted,
Mike Abernethy, President

WESTERN NORTH CAROLINA ASSOCIATION
CHURCH WOMEN
PRESIDENT'S ANNUAL REPORT
1988-1989

As I look back on this past year I see an association that has pulled together to bring about a lot of wonderful things. This is my last year as president and I have to say that the load at times is heavy but with the help of officers and district representatives I have never felt an overload. Thanks one and all for the work you have put into making our association grow in talents, leadership and size.

Summer Conference was a wonderful experience and well attended by the WNC officers and district representatives. Summer workshops were well attended again. Over 150 persons attended last year's and we are well on the way to good attendance this year.

Fall Enrichment was held at Second United Church of Christ, Lexington, N. C. Donna Collins gave a wonderful presentation on her tour of Russia. Elon Children's Home was featured at Fall Enrichment because our first scholarship was given to Simone Woods, a student there. We gave her \$2,000.00 toward her education. We are working hard on funds again this year. Our need is greater as we have three students needing help: one from Nazareth and two from Elon Children's Home. We ask for the men and women's organizations in all our churches to help. Without all help and contributions, we will be unable to help as much as we would like.

Cookbooks have been a success with many still wanting to buy more. As chairperson of that committee I would like to thank all who helped. This was a Conference project.

The project for this summer is a flea market table at Nazareth Children's Home. The money from this project will go into the WNC treasury to be used in several areas that need additional funding to be decided at Fall Enrichment Meeting.

My time as president is drawing to a close and I have enjoyed every minute of it. There have been times of joy, sharing and most of all growing as a person who loves Christ. One of the greatest joys has been the organization of new fellowships. I have organized several and so have some of our district representatives. It is rewarding to see our association grow. Our Lord calls each of us to our tasks. Accept the call; it is worth the time and work. I look forward to serving the Southern Conference Church Women as Second Vice President this coming year. I look forward to working again with all of you who have taken the challenge to take up His cross and follow Him.

Respectfully submitted,
Cynthia Buckwell
President of WNC Church Women

FRIDAY

The Friday morning session was called to order by the president. The morning prayers were led by Rev. Dorcas Lohr, Program Associate for Christian Social Ministries.

The Cornerstone Campaign Report was given by Dr. Rollin Russell.

THE CORNERSTONE REPORT

The Cornerstone Campaign was initiated in 1987 for the purpose of supporting several critical areas of ministry and mission in the Southern Conference. At the end of 1990, the official close of the campaign, we have received \$271,408.91 in cash and other gifts. The Conference Board of Directors is deeply grateful for this enthusiastic support from so many of our churches and people. It is interesting to note that during that three year period giving to the Cornerstone Campaign did not effect negatively our church's giving to Our Church's Wider Mission. In fact that giving continued to increase each year.

Some of the funds were designated for particular programs, and gifts which were undesignated were divided according to the percentages of all efforts. The resulting distributions were:

New Church Starts	\$ 77,706.38
Renewal Projects	31,768.74
Media Advertising	15,455.07
Seminary Scholarships	71,690.93
Continuing Education for Clergy	27,526.13
Ministerial Assistance Fund	25,767.31
Cost of the Campaign	21,494.34

\$271,408.91

All of the funds are in interest bearing accounts. The New Church Start

funds and Seminary Scholarship funds are added to our endowment funds and only the interest will be expended.

Enclosed in your Annual Meeting packet is a report on the progress of our Church Development Projects, all of which have been assisted by these funds. Church Development funds are administered by the Mission and Church Development Committee of the Board of Directors, the group that also confers regularly with the leaders of our various projects. The Seminary Scholarship funds are administered by a committee of the Church Life and Leadership Commission. The Cornerstone gifts have helped send five students to seminary and will assist many more in the future.

In addition, grants have been made to our developing churches for media advertising, and to our Black Church Development program for its continuing education programs. In all we are able to be much more effective in our total ministry because of the success of our Cornerstone Campaign.

The United Church Retirement Homes Report was given by Dr. Don Flick.

The Nominating Committee Report was read by President Kirkbride and the floor was opened for nominations.

Vote 7: That the report of the Nominating Committee be accepted and all unopposed positions be elected by acclamation.

The State of the Conference Address was given by the Conference Minister, Dr. Rollin Russell.

A report on the Mission Study Planning Process followed.

The theme address: "Behold, how good . . . A New Community" was given by Rev. Henry Simmons.

Following lunch, delegates and visitors attended the Planning Process Study Groups to review the mission study and work on the Future Direction Statements.

The afternoon session was called to order by President Kirkbride.

Vote 8: That we adopt the Resolution, Ecumenical Partnership with Church of the Rhineland, E.K.U.

RESOLUTION ECUMENICAL PARTNERSHIP WITH CHURCH OF THE RHINELAND, E. K. U.

Whereas, the unity of the Church of Jesus Christ is a gift of God the full character of which we have not grasped; and,

Whereas, the United Church of Christ and its antecedent church bodies have long cherished our ecumenical relationships and have named ourselves a United and Uniting Church; and,

Whereas, the United Church of Christ has been in a relationship of Full Communion with the Evangelical Church of the Union in Germany since 1981; and,

Whereas, representatives of the Southern Conference participated in an official delegation to the E. K. U. in 1983 and received a return delegation in 1984; and,

Whereas, a program of International Partners has been developed

through the United Church Board for World Ministries, encouraging direct and on going relationships between congregations and conferences and our overseas partners; and,

Whereas, the Ecumenical Relations Committee of the Southern Conference has worked to develop particular exchange opportunities with the E.K.U in the Rhineland, including internships, official visitors and youth exchanges; and,

Whereas, the Evangelical Church of the Union in the Rhineland voted in January 1991 to enter into an Ecumenical Partnership with the Southern Conference;

Now Therefore be it Resolved, upon the recommendation of the Board of Directors, that the Southern Conference of the United Church of Christ enter into an Ecumenical Partnership with the Church of the Rhineland; and,

Be it Further Resolved that the Ecumenical Relations Committee of the Southern Conference work with appropriate bodies of the Church of the Rhineland to develop guidelines for that partnership which will enable all our churches and people to grasp more fully the unity which God intends in the whole Church of Jesus Christ.

Dr. Edzard Rohland, Evangelical Church of the Rhineland, along with the Zimmermans, interns, brought greetings to the delegates and visitors.

Vote 9: That we adopt the Resolution in Support of General Synod Eighteen.

RESOLUTION IN SUPPORT OF GENERAL SYNOD EIGHTEEN

Whereas, the General Synod meets every two years in a place determined by the Executive Council, and

Whereas, the Southern Conference is host of General Synod Eighteen being held in Norfolk, VA on June 27-July 2, and

Whereas, this is the first time the General Synod has been held in the Southern Conference in 34 years, and

Whereas, the General Synod is an educational event, as well as business, worship and celebration, and

Whereas, the more than 700 delegates represent the diversity within the United Church of Christ, and

Whereas, this opportunity to see the United Church of Christ in action may not be available again for a very long time,

THEREFORE, BE IT RESOLVED:

—That all members of the church, both lay and clergy, be encouraged to attend as many sessions of the General Synod as possible.

—That each Association be encouraged to sponsor at least two persons as full-time visitors—one of whom should be a person of color.

—That each district be encouraged to sponsor at least one full-time visitor.

—That Congregations and individuals be encouraged to volunteer to help with tasks of hosting the Synod.

—That we express our deep gratitude to our Local Arrangements Committee for all its hard work in preparing for this event.

Submitted by: ENC Black Church Development Commission, Black Church Development Commission of the Southern Conference.

Vote 10: To defeat the resolution concerning General Synod.

RESOLUTION CONCERNING GENERAL SYNOD 1991 SOUTHERN CONFERENCE ANNUAL MEETING

Whereas, General Synod XVIII of the United Church of Christ will meet within the geographical bounds of the Southern Conference June 27-July 2, 1991,

And Whereas, the people of the Southern Conference wish to warmly welcome the General Synod, to celebrate in advance in our corporate witness as a result of the General Synod's presence among us,

And Whereas, many of the local churches of the Southern Conference cherish their commitment to traditional doctrines and ethnical values,

Therefore, be it resolved that the Southern Conference affirms the following as a testimony of faith a witness to the General Synod of beliefs which are held by many among us;

- a. That the Bible is the primary and authoritative source book for matters of faith and practice. All other sources of knowing stand under the judgement of the Scriptures.
- b. That God has revealed Himself to us as one God in Three Persons: Father, Son and Holy Spirit. Our commitment to the teaching and example of Jesus Christ allows us to embrace this traditional trinitarian expression of God.
- c. That faith in Jesus Christ is the only way of salvation. The church has an ongoing responsibility to witness to all persons concerning the uniqueness of the gospel of Jesus Christ as the hope of eternal life.
- d. That the church should uphold traditional family values, homosexual acts, adultery, and pre-marital sexual relations all are examples of violations of the divine plan, and thus constitute sinful behavior.

Vote 11: To adopt the Resolution: The Support of Women in Ministry.

RESOLUTION ON THE SUPPORT OF WOMEN IN MINISTRY

Whereas over 51% of all seminary students preparing for ministry are women;

Whereas approximately 56% of all pastors will retire from local church pastorates within the next 10 years;

Whereas the Southern Conference has less than 3% of its 320 churches served by women in paid positions as pastors, associate pastor or co-pastor;

And Whereas the call of women to serve as pastors is often overlooked because of inherent prejudices and gender “role stereotyping”.

Be It Resolved that the peoples and congregations of the Southern Conference take seriously and encourage the full participation of women at all levels of decision making and leadership within their congregations, including that of pastor;

Be It Resolved that search committees within the Southern Conference should examine the nature, scope and effect of prejudice and discrimination against women in leadership positions within local congregations and that conference staff assisting them in the search process will address this issue with each search committee;

And Be It Further Resolved that congregations, when engaged in the process of calling a pastor, consider seriously the qualifications of all candidates regardless of gender by writing a church profile, reading all profiles submitted by conference staff and evaluating candidates on the basis of the way their strengths mesh with the congregation’s needs rather than on the basis of gender.

Submitted by larger Burlington Area Clergywomen.

The meeting recessed for the Annual Banquet honoring Rev. Richard Cheek.

The evening session was called to order.

Special Awards Presentations for membership were given by Rev. D. A. Peace and Rev. William Everhart. Presentations for membership were given by Rev. Raymond Hargrove and Mrs. Margaret Byrd.

Dr. Russell called for action of the Future Direction Statements.

Statement 1: Local congregations, with the support and resources of the Southern Conference staff will develop and initiate a comprehensive program of bible study, spiritual development and theological reflection which will engage persons of all ages, in the confidence that it will renew, strengthen and transform our faith.

Response: Concerning bible study the group has suggested that this study take place in Sunday School, evening groups, and individually at home; that the Southern Conference make available to the churches a variety of materials as a basis for bible study. 1) The UCC Curriculum, 2) Thematic materials from other denominations especially Disciples, Methodist and Presbyterian; that the Southern Conference develop a theme of the year; that pastors be encouraged to coordinate preaching with material offered for bible study; develop the art of storytelling—identify storytellers; concerning spiritual development and theological reflections the group suggests that the pilgrimage movement be continued and made a more important part of the life of the conference—with the understanding that people are at different places in their journey and may not be ready for such an intensive experience; that Southern Conference make materials such as Upper Room and These Days as well as develop its own materials to introduce the spiritual disciplines to the church.

ches. Encourage personal prayer and theological reflection at home and especially with our children; develop leadership to lead growth groups in the churches and identify leaders with gifts of spiritual direction, either pastors or lay leaders, to work in this area; conference to hold conferences around issues for theological reflection, such as a doctrine of the Holy Spirit, and the trinity. We understand that any issue that we discuss in community will immediately lead to a theological dimension.

Vote 12: To recommend the response to the Board of Directors for possible implementation.

Statement 2: Local congregations, with the support and resources of the Southern Conference staff will develop and initiate a study process which will clarify our diverse histories, life experiences and faith expressions even as we seek a strong common mission and identify as the United Church of Christ.

Response: To broaden and continue the study of the fundamental documents mission study to include an inclusive history of the Southern Conference (Evangelical, Reformed, Southern Convention, Afro Christian Church and Congregational); To implement No. 1, have each association prepare a bibliography of available documents (Catawba Archives, Elon Archives); To develop a series of bulletin inserts which give a brief historical overview and mission emphases of the strands and identify how those missions are being acted upon in the United Church of Christ; To develop workshops to implement the accurate teaching of the U.C.C. antecedents; to encourage each congregation to write and/or update their church history; to encourage each congregation to renew historical ties with other churches; study of future and current issues.

Vote 13: To recommend the response to the Board of Directors for possible implementation.

Statement No. 3: Local congregations, with the support and resources of the Southern Conference staff will reclaim the fundamental evangelistic task of sharing the good news of God's love in Jesus Christ in the sure knowledge that our churches will develop and grow.

Response: Accept number 3 as written: conference, associations, churches accept evangelism as a mission priority; charge the Commission on Evangelism to continue to develop programs and evangelism training workshops for both laity and clergy on local and association levels and in programming districts. These events should recognize the diversity of evangelistic styles and theological traditions. Events announced with purposes made known; charge local churches to send training teams consisting of both clergy and laity to such training events; develop evangelistic educational programs and resources for all ages; train leaders and teachers in local churches to effectively teach these materials; promote bible study as the basis of evangelism; association sponsor evangelistic events in which the focus is on preaching the gospel.

Vote 14. To recommend the response to the Board of Directors for possible implementation.

Statement No. 4: Local congregations, with the support and resources of the Southern Conference staff will join common ministry with Christians of other traditions in our communities, in our nation and in our world

and thereby share the experience of all God's manifold gifts.

Response: Create a task oriented ecumenical relations commission within the Southern Conference. This commission will encourage all local congregations to create their own ecumenical relations committee. In addition the commission will provide local committees with resources and development for local ecumenical involvement.

Vote 15: To recommend the response to the Board of Directors for possible implementation.

Statement No. 5: Local congregations, with the support and resources of the Southern Conference staff will carry out effective educational Programs for children and youth, focusing on active discipleship and engaging them in the total life and mission of the church.

Response: Local congregations with the support and resources of the Southern Conference staff will: create youth-oriented programs of education ministry that are relevant, inclusive, caring biblically-centered, exciting and active in church mission for example

- including adults as well as youth in church school (especially in the area of stewardship)

- educate congregations, especially church leaders, in the use of UCC educational material

- include youth leaders/ministers on church councils and consistories

- be intentional about including youth in the life and leadership of the church; take youth seriously and show genuine concern

- share more responsibilities with youth

- bring together youth groups from different churches in a variety of settings

- help young people see themselves in the biblical story

Vote 16: To recommend the response to the Board of Directors for possible implementation.

Statement 6: Local congregations, with the support and resources of the Southern Conference staff will address various crises in family wholeness: family conflict, domestic and sexual abuse, the health care crisis, homelessness, sexuality, teen pregnancy, addictive behavior and all other factors which lead to the increasing disunity of our society.

Response: We recommend that the Board of Directors instruct boards, commissions of the Southern Conference responsible for programs in these areas to sponsor at least four workshop/seminars during the next twelve (12) months in each association. Make every effort to attract at least one person from each church in the conference. The purpose of the workshop/seminar will be to:

1. Educate the members of the local churches.

2. Raise awareness about the issue.

3. Teach individuals the how-to to enable them to work in their local church/community.

4. Develop skills to enable individuals to become effective advocates for those in need.

5. Establish political awareness groups.

6. Establish a "Resource File" of local, state and national agencies

and UCC instrumentalities and local churches who are addressing these issues in order to utilize these resources.

7. Develop/establish a program based on BHM program for Human Sexuality to train volunteers to deal with area's addressed in #6.
8. Encourage Christian Education to continue its work in areas of human sexuality in local churches and develop resources.
9. Develop programs in local churches around responsible citizenship.
10. Develop support groups for divorced and single parents, widows/widowers, children/divorcees.

The workshop/seminars will lead to the development of a task force study group/advocacy group to advocate for change at the local, state, and national levels.

Vote 17: To recommend the response to the Board of Directors for possible implementation.

Vote 19: To adopt the Resolution: Support of Accessible Health Care for All.

RESOLUTION: SUPPORT OF ACCESSIBLE HEALTH CARE FOR ALL

WHEREAS about 37 million persons in the United States, 80% of whom live in a family headed by at least one full-time worker, have no health insurance public or private.

WHEREAS 14 million women of childbearing age do not have maternity insurance and 9.5 million are completely uninsured

WHEREAS there are 43 million people with disabilities in the United States for whom obtaining insurance is either impossible or a difficulty due to what are termed "pre-existing conditions,"

AND WHEREAS health insurance costs have increased by 50% since 1980 and are continuing to increase

WHEREAS 60% of all employee health plans now include annual out-of-pocket ceilings of \$2,500 or more

AND WHEREAS in the past decade the nation's health care costs more than doubled, from \$650 million per day in 1980 to 1.5 billion per day in 1988

WHEREAS the nation's yearly health care spending was \$675-\$700 billion or 13.4% of the Gross National Product in 1990

WHEREAS the national Medicaid program provides health care coverage for only 40% of the nation's low income population

AND WHEREAS in two comparative measures of health care quality, the United States ranks among other industrialized nations last place (20th) in infant mortality and lower than most Western nations in life expectancy

AND WHEREAS health care facilities are literally disappearing from many communities and travel to the closest resource is both costly and in many non-available

THEREFORE BE IT RESOLVED that the people of the Southern Conference regard availability of health care as both a moral and justice issue.

AND BE IT RESOLVED that local congregations engage in Biblical study and theological reflection regarding the moral and justice imperatives of the Christian Gospel as they relate to the human need for health care in the United States

BE IT RESOLVED that local congregations provide opportunities for youth and adults to engage in study regarding the many dimensions of health care including preventive medical care and the spiritual discipline of wellness.

BE IT RESOLVED that congregations identify the way the health care crisis affects their community, engage in dialogue regarding possible solutions and implement programs to address those issues

BE IT RESOLVED that the Southern Conference facilitate the work of congregational health care concerns by identifying resources and drawing upon the resources of recognized UCC Health Care institutions within its boundaries to augment the congregational education process.

BE IT RESOLVED that the peoples and associations of the Southern Conference identify and become actively involved in coalitions working for the establishment of an equitable, accessible universal health care system in the United States.

Response: Given that our churches incorporate all of the hopes, dreams, aspirations, and inspirations of our memberships, there are some directions for ministry unique to the small church;

 - By sharing the stories of our members;
 - By sharing the stories of our local churches, congregation;
 - By sharing the stories of our Southern Conference
2. A support system for the leadership of small churches (Both clergy and laity) must be established by and for the small churches themselves with the opportunity for dialogue with conference

REPORT OF THE
EASTERN VIRGINIA ASSOCIATION
CHRISTIAN EDUCATION COMMISSION
1989-1990

The Christian Education Commission had a very slow start this year due to a lack of organization, understanding of mission, and coordination. After two preliminary organizational meetings the commission had three very constructive and fruitful sessions. The commission endorsed and agreed to fully support the Conference Christian Education Commission's "SEED Program" in which five Eastern Virginia churches have been asked to participate. The results of the "SEED Program" should enhance Christian education in our local churches. The program will take two to three years to complete. Additionally, the commission decided to sponsor a Christian Education Event for 1990 in Eastern Virginia entitled, "A VISION OF OUR FUTURE AS SEEN THROUGH OUR PAST AND PRESENT." The purpose of this event was to enhance our individual churches' appreciation for the United Church of Christ and the Eastern Virginia Association; to increase our ownership in both; and to assist in establishing a vision of our future as the United Church of Christ in the Eastern Virginia Association. All of which we envision will result in a more cohesive Christian education program in our EVA churches and a wider, more appreciative use of denominational educational materials. Although we had a rather slow start, having to organize and determine our mission, the commission has actively sought to bring our Christian

education programs to the forefront by enlightening our congregations to our rich heritage as the United Church of Christ and to put that heritage to work in our future educational programs.

EASTERN VIRGINIA ASSOCIATION
CHRISTIAN SOCIAL MINISTRIES

In the fall of 1989 the Christian Social Ministries Commission of the Conference met and decided that each association might choose to emphasize a different aspect of our social concerns. The Eastern Virginia Association (EVA) decided to focus Environmental issues and this has been our major emphasis.

We have since found a great range and variety of needs. People in general are just beginning to comprehend that everyone must be involved. EVA Commission has held two Environmental Seminars, one in Suffolk and the other in Hampton. Speakers were public officials who had responsibilities for planning and implementing waste management.

We have encouraged the churches to participate and see what each could do and spread their ideas to their communities. Some churches conducted a series of Sunday School Classes on man's responsibilities as stewards of God's earth. Some have planted trees and gotten the youth to participate. Others shared their efforts in the "Save the Bay Campaign".

On the Peninsula, churches and individuals have helped support "Habitat for Humanity." Six homes are being built in Hampton. Recycling of paper, aluminum, glass and plastics is being done. Several churches operate food banks for the poor. Others cooperate within the community effort, for example, H.E.L.P. on the peninsula. Some thirty churches contribute food and lodging.

Our Conference Christian Social Ministries Commission is scheduled to meet at Franklinton Center on September 21 and 22.

In related endeavors the Co-Chairpersons of the EVA Environmental group are active in both local and Regional AARP (American Association of Retired People) with specific responsibilities for legislative contacts on problems of the elderly. This too is a part of our social concerns.

EASTERN VIRGINIA ASSOCIATION
BLACK CHURCH DEVELOPMENT COMMISSION

At the last EVA board meeting members approved to recommend at the next association meeting on October 6 at Wesley Grove UCC, that a local BCD Commission would be established in conjunction with the conference's BCD Commission. Those of us who have been active in the previous years of BCD applaud this much needed decision and sincerely hope the association will approve the recommendation.

Many of us in this conference and wider church have constantly seen the need and benefit from the work done within the Black Church over the years. That work will now continue; only this time as a standing or permanent commission in our association and conference. The work of the BCD over the years has benefitted all constituents in our church. BCD has not only concerned itself with the "Black Churches" but all churches and all aspects of our association and conference's work. Many of the churches helped by BCD have testified to (1) How it has understood it's relationship to the larger church better, (2) How they have been understood by other churches better, and (3) How the meaning of "That they may all be One" made many on the "outskirts" of the church feel the sense of oneness that we want for the United Church of Christ.

The primary emphasis of the commission at present is the continuing fulfillment of the 10 year proposal to get 80% of it's clergy without full preparation for ministry trained for ministry (mostly those over 30 years of age who are already practicing ministry). The SCOPE Program (Southern Conference Ordination Preparation Education) is the primary means and design for this. The program presently is housed at Wesley Grove UCC in Newport News. The BCD Commission and the Church and Ministry Commission are spearheads for those in this program. Part of that ten year proposal was to also train many of our laity in the church. Thus, these classes offered by SCOPE are open to lay people.

Our prayer is that the entire association would get behind our BCD Commission and harmoniously work together to strengthen our church's many different ministries.

Ike McDonald
BCD Coordinator

EASTERN VIRGINIA ASSOCIATION
CHURCH LIFE AND LEADERSHIP COMMISSION

The Church Life and Leadership Commission has met five times since December 1989. Our first meeting in December of 89, the committee brained stormed ideas that could develop into programs. The January 1990 meeting, program ideas were priority with the emergence of three major areas:

- 1. Calling and equipping the laity.
- 2. Church member visitation training.
- 3. Getting young adults interested in church activities.

During the March meeting the committee reviewed several programs that dealt with "Calling and Equipping of the Laity." After some discussion a program entitled "Lay Voices in the Open Church", an Albon Institute Study, was chosen to be offered within the Association. At the May and August meetings plans were made to conduct a training event, "Lay Voices in an Open Church", for interested Lay Persons who then would become resource persons to lead the workshop in interested churches within the EVA. This training event has been scheduled for September 8, 1990 at Zuni Training School, Zuni, Va.

STEWARDSHIP COMMISSION

During the 1989-1990 EVA Church year the Stewardship Commission endeavored to continue the work in place. The Stewardship Interviews were brought together and reviewed and were combined with the ENC and WNC data to assist the Southern Conference in stewardship planning and programming. Also the Stewardship Commission looked closely at the nature and responsibilities of this commission and considered what programs and directions we should undertake. During the 1990-1991 EVA Church year the commission will continue to work in harmony with the

Southern Conference Stewardship Commission and develop and promote sound stewardship practices and events in the EVA.

Respectfully submitted,
Bobby Claud, Chairman

ANNUAL REPORT

CHRISTIAN MISSIONARY ASSOCIATION

The Centennial Celebration of the CMA was held September 15, 1990 at the Bethlehem Christian Church in Suffolk, Va. Thirty of the sixty three churches in the Eastern Virginia Association were represented. Approximately seventy-five people were present. The meeting convened at 10:00 a. m. with the invocation by Rev. Winston Waugh; welcome by Dr. Merle Correll, the host minister and greetings by Rev. Bill Everhart, EVA minister. A hymn sing and devotion was led by Rev. Dan and Rev. Cindy Barnum-Steggerda, ministers at Christian Church Uniting. The speaker for the morning session was Rev. Ed Rawles, minister of the Good Shepherd UCC, Cary, N. C. Rev. Rawls' message was centered toward

“coming home” to God in the image of churches, especially new churches. Prior to lunch the call of all EVA churches was conducted. At this time churches brought forward their contributions for support of the CMA effort. Approximately \$5,000.00 was contributed. The afternoon speaker was Rev. John Mingus from Church Development for Homeland Ministries. Rev. Mingus stressed the need to “sell” the new church project currently planned to be started in the Virginia Beach Municipal Center area. Following Rev. Mingus, Rev. Paul Varga spoke on the need for assistance from the EVA to help with the General Synod to be held in the mid-summer 1991 at the Scope in Norfolk, Va.

Two items of business.

- (a) The election of three Board of Director’s members whose three-year term had expired. The three incumbents whose terms were expiring agreed to serve another three-year term. The three individuals were: Mr. James K. Ramborger, Dr. Merle Correll and Mrs. Jean Copeland. These three were voted to return for another three-year term unanimously by the attendees.
- (b) Consider a request for Support Money from Pembroke Manor UCC in the amount of \$5,000.00. This request was approved.

There being no further business a motion was made to adjourn. The motion was approved. Benediction was by Rev. Reuben Askew, Warwick UCC.

James K. Ramborger,
President, CMA

(EXHIBIT NO. 11) **EASTERN VIRGINIA ASSOCIATION DISASTER COMMITTEE REPORT**

The current Disaster Committee has a membership of five people. This is only half enough to cover the churches and the area necessary to make the Disaster Plan functional in the Eastern Virginia area. The Committee cannot do the required work alone. It takes the participation of the churches to make the plan effective, too.

The Virginia Council of Churches in Richmond has an important part to play in the program now. The forms in the packets which you received today is part of their participation.

The Committee has met several times during the past year, but little has really been accomplished. Several churches have been given the form referenced above, but only two churches have returned the completed forms.

One person on the Committee knows how the program works. If the Association desires the Disaster Program to be an effective element of assistance to people throughout the Association then more people will be needed and churches will have to participate in the Program.

Respectfully submitted,
James K. Ramborger, Chairperson

**MINUTES OF THE
WESTERN NORTH CAROLINA ASSOCIATION
TWENTY—THIRD ANNUAL MEETING**

October 9, 1990

The Twenty-Third Annual Meeting of the Western North Carolina Association was called to order for the transaction of any business at 10:40 a. m. by Dr. George Gay, President of the Western North Carolina Association, at Beulah United Church of Christ, Lexington, NC.

WELCOME: Rev. Dale Kennedy, pastor of Beulah United Church of Christ, welcomed the association members.

DEFINE BAR OF THE HOUSE: Dr. Gay defined the bar of the house as the entire sanctuary.

INTRODUCTION OF GUESTS AND VISITORS: Dr. Richard Cheek, Association Conference Minister, welcomed visitors and guests from various institutions and organizations associated with the United Church of Christ and members of the Conference Staff who were present.

GENERAL ANNOUNCEMENTS: Dr. Gay called a Board of Directors meeting at the close of the Annual Meeting.

REPORT OF CREDENTIALS COMMITTEE: Rev. Carl Kreps of the Credentials Committee provided the attendance report as follows: 85 delegates, 35 visitors, 95 clergy for a total of 215 persons present.

APPOINTMENT OF PARLIAMENTARIAN: Dr. G. Melvin Palmer was appointed as parliamentarian.

REPORT OF THE SECRETARY: Jackie Frye, Board of Directors Secretary, made a motion that minutes of the 1989 Annual Meeting be approved as written and that actions of the Board of Directors be approved. Both motions were seconded and approved.

REPORT OF THE NOMINATING COMMITTEE: The Nominating Committee report was given by Rev. Banks Shepherd, chairperson. (See Exhibit No. 1) As there were no nominations from the floor a motion was made, seconded and approved that the report be accepted as given. Dr. George Gay appointed tellers as follows: Rev. Carl Kreps, chief teller; Mr. Thomas Murphy, Rev. David Franks, Rev. Leslie Sladky, Rev. Stephen Disher, and Rev. Dolan Talbert.

REPORT OF ASSOCIATION CONFERENCE MINISTER: (See Exhibit No. 2A). Dr. Richard Cheek expressed appreciation to Beulah Church, Rev. Kennedy and his congregation for hosting the annual meeting. He also expressed appreciation to the Association President, the Board of Directors, and a special thank you to Jo Carpenter, Association Secretary, for their work this year.

After referring to his written report, Dr. Cheek noted that the Western Association will host the 1991 Southern Conference Annual Meeting on May 23-25, 1991, at Catawba College, and the Southern Conference will host the 1991 General Synod, June 26-July 2, 1991.

His report was closed by introducing the ten clergy new to the Association since the 1989 annual meeting. (See Exhibit No. 2B).

REPORT OF THE TREASURER: Mr. Roger Younts, Association Treasurer, referred to the 1990 financial report. (See Exhibit No. 3A). Roger requested that church contributions for the Association be mailed

to the Association office in Salisbury rather than the Southern Conference Office—this will allow contributions to be posted in a more timely manner. (See Exhibit No. 3B).

After presenting the 1991 Budget (See Exhibit No.3C) Roger requested questions from members present. There were no questions.

PRESENTATION OF BY-LAW CHANGES: Rev. John Kernodle, Jr. requested questions regarding proposed changes in the Association By-Laws as presented in information mailed to delegates. Changes for consideration include having a single slate for the Board of Directors members and officers; creating a Black Church Development Commission (currently there is a Black Church Development Committee); and having the Nomination Committee provide a slate of nominees for Commission Coordinators rather than have the Board of Directors appoint the coordinators. (See Exhibit No. 4). There were no questions from the floor.

KEYNOTE ADDRESS: Dr. Cheek presented Mr. Charles Whitson from the Board of Homeland Missions who presented a very interesting address regarding the local church and how we are perceived by others in the community.

REPORTS:

Dr. William C. Smith, Jr., speaking for local Arrangements Committee for General Synod, reported that of the 118 churches in the Western Association only 45 have pledged \$1.00 per member as requested by the planning committee. Financial support and volunteers are still needed if General Synod 1991 is to be a success.

Rev. David Kelly, Christian Education Commission Coordinator, reminded the assembly that there will be a Youth Rally at Catawba College on October 28 and the deadline for registration is October 22, 1990. (See Exhibit No. 5).

Ms. Brenda James, Christian Social Ministries Commission Coordinator, advised the assembly that there will be a workshop on domestic violence funded by a grant from the Coordinating Center for Women. The workshop is designed for pastors and key leaders who work with this problem on a regular basis. (See Exhibit No. 6)

Mr. Shuford Abernethy spoke briefly on the new retirement center to be constructed in the Eastern Virginia Association and the need for churches to contribute to the 1991 Capital Campaign Fund. "seed" money for the new center.

Mrs. Linda Taylor, a member of Christ Community UCC in Monroe, NC provided the assembly with a brief history of the Western North Carolina Association's newest church.

Dr. Rollin Russell, Conference Minister, stated that the Long Range Planning process was beginning with inquiries into the fundamental basis of our faith. He hopes that each church will study the fundamental documents of the church and provide feedback to the Conference. Dr. Russell briefly discussed material found in the booklet "Fundamental Documents". We need to learn who we are and who we were.

Rev. Frank Snider gave a brief report on the UCC Experience Faith Works. There were over 3,000 persons in attendance at the Bloomington, Indiana event. Church Life and Leadership is being encouraged to hold another UCC Experience in the near future.

ADOPTION OF 1991 BUDGET: A motion to accept the 1991 Budget as presented was made and seconded.

Rev. Charles Vaughan suggested that excess money in the account be designated for financial aid to "students in care." Dr. Cheek stated that the Executive Board had elected to put an additional \$5,000 in the Student Aid account.

The 1991 Budget was approved with no questions.

REPORT OF THE ASSOCIATE CONFERENCE MINISTER
WESTERN NORTH CAROLINA ASSOCIATION

Dear Friends in Christ:

Beginning 1990 with approximately 22 churches without permanent pastors proved to be the biggest single challenge facing me during the year. Being out for two months as a result of my second heart by-pass operation did not help a great deal! However, your prayers and concerns did; I have recuperated fully and am happy to report that 13 of those vacancies have been filled! Even so, as I write this report early in September, other vacancies occurring have pushed the number back to 13, 8 of which are full-time positions and 5 which are part-time. All vacant churches are served by excellent Interim Ministers and this is very helpful to everyone.

We will welcome a number of pastors at this Annual Meeting who have come into our Association from other Associations in our Conference or from outside the Conference. Please take time to greet and welcome them.

The statistical part of this report follows on the next page and gives important information in the lives of our clergy and congregations.

Many good things have happened in WNCA during the past year. You can read about some of them as you glean the reports of our Commissions found in this packet of materials.

You may note that the 1991 proposed budget is only slightly more than it was for 1990. We have had some surplus build-up due to lower expenses than anticipated by some of the Commissions, Board of Directors, and Office. The Executive Committee voted to set aside some surplus as an additional pool for Financial Aid for students-in-care, as well as some to purchase a computer for the Association office. Both of these will help tremendously.

We have fewer students for ministry than in recent times. This allows us to give more financial aid some years than others. We also have some folks hoping to start in January. I've talked with several persons considering ministry . . . all ages, including two in their 40's. It is exciting to see how God works in our midst calling persons to ministry! And I hope our congregations will continue to lift this matter up in prayer.

Many challenges await us as an Association and Conference. The General Synod meeting in Norfolk June 26-July 2, 1991, is our golden opportunity for many of you to attend as visitors and volunteer workers. This is a tremendous undertaking and we hope many from the West will make the trip to the East.

The Conference is taking a long-range look at its mission and goals. To this end a study guide, **FUNDAMENTAL DOCUMENTS OF THE UNITED CHURCH OF CHRIST**, has been produced and will be distributed to our churches. It is hoped that during the Lenten Season 1991 Sunday School classes and/or other groups will take time to do this study and respond with suggestions. It has exciting possibilities and I hope all of our churches will participate.

I thank you , as always, for your ministries and the opportunity of being your Association Minister. My prayer is that God will take our efforts and multiply them by grace and mercy, producing results greater than we dreamed possible.

Peace and joy,
Richard A. Cheek

WESTERN NORTH CAROLINA ASSOCIATION CHRISTIAN EDUCATION COMMISSION REPORT

The Christian Education Commission is working in 1990 to provide programming for two important areas of the church life for the people of our association. The first event provided an opportunity for families. In cooperation with the Southern Conference's Commission on Christian Education, the Association Commission sponsored for the second year

a family retreat at BRAG on Memorial Day weekend. Nine families (34 people) participated in the event. The program was designed to provide a relaxed, affirming time for families with ample leisure time included. The retreat began on Friday evening and concluded with Sunday lunch. Larry Bolick (New Gilead, Concord) and Toria Daniels (Pleasant Ridge, Greensboro) provided on-site leadership. Ben Franklin (Amelia, Clayton) designed the model used for the event. Response from this experience was quite favorable and we feel this could be a worthwhile program to continue.

The second program is a Youth Event which will be held at Catawba College on Sunday, October 28 from 2:30 p. m. until 7:00 p. m. The college is being represented by Chaplain Ken Clapp, and we are depending on their support in leadership and the use of the facilities to make this a great experience for our youth. At this writing, plans have not been completed; however, the program will offer a variety of opportunities for our youth. Workshops will be keyed to the interest of the youth and their leaders. We will also have worship, recreation and entertainment. We hope that every church will plan to send a delegation. It is also a good opportunity for our UCC youth to get to know each other.

The commission would like to thank all of those who have worked with us during this year to make the programs we offer possible. We look forward to a productive year for Christian Education in 1991.

Sandra Canipe and David Kelly

WESTERN NORTH CAROLINA
CHRISTIAN SOCIAL MINISTRIES COMMISSION

The past year has been a very exciting one for the members of the commission. We have met quarterly at Memorial UCC in Lexington, NC with our secretary, Rev. David Keller, as host.

The constitution states that the Christian Social Ministries Commission shall among other areas, have responsibility for informing the churches of issues of Christian concern, sharing a basic concern for racial justice, development of statement and resolutions or social issues for consideration by the Conference and Association, planning and sponsoring workshops on Christian social concerns and the development of action programs or particular social issues. We feel we have carried out our mandate.

Last June the annual meeting of the Southern Conference faced with the prospect of a lively and lengthy debate over two conflicting resolutions on the issue of abortion, approved a resolution calling for "understanding, respect and dialogue". A substitute resolution called on the Southern Conference Christian Social Ministries Commission and the Southern Conference Biblical Witness Fellowship to co-sponsor a forum on issue of abortion. This forum was held in February 1990 at Peace UCC in Greensboro, NC. We celebrate the attendance of over seventy people at this session.

In keeping with the conference focus on Racism, we have sponsored a Retreat on Racism in September 1990 at Catawba College in Salisbury, NC. The focus of this retreat was 1) How can we be more nearly one? 2) What are people doing now in our congregation in the Association and in the Conference to break down the wall of separation? 3) What are the sources of the feelings in each of us that resist a closer walk together?

We have also applied for and received a grant from UCC Coordinating Center for Women in Church and Society-Neighbors in need of grant monies. This money will be used to sponsor a Clergy Workshop in Domestic Violence. This meeting is scheduled for October 1990 at Congregational UCC in Greensboro, NC. Clergy, lay leaders and community agency representatives are invited to help us decide where to go for help.

Members of our commission have attended training sessions on the availability of Grant Funds for Adolescent Pregnancy Prevention Project. Projects will be funded for a maximum of five years from July 1990 through June 1995. The maximum first year award is \$60,000. This information was shared with community agencies who work in this area.

The Commission continues to be a strong advocate for the Caring Program for Children, which provides health insurance for low income working families.

One of our congregations is sponsoring a Russian Seminary Student this year and we hope to continue to be of assistance where needed.

We regret we lost a very valuable member of our commission when he accepted a call to a church in Maryland. We pray David Keller will continue to grow in God's grace as he accepts his new challenge.

I can truly say this has been a good year for the commission. We have done much, but there is much more work to be done.

Respectfully submitted,
Brenda Dalton James, Chairperson

WESTERN NORTH CAROLINA ASSOCIATION BLACK CHURCH DEVELOPMENT COMMISSION

The Western North Carolina Association's Black Church Development Commission has gotten off to a good start. We have met three (3) times thus far. During these meetings, we have been able to define our purpose, set some short as well as long range goals and develop strategies for the implementation of training and development sessions. The Commission is working in conjunction with the Conference Associate for Black Church Development in identifying the needs of African-American Congregations in the WNCA as well as congregations that have the potential of becoming "fully developed" churches.

We have set stewardship development in the local church as a goal. One of the ways we are helping to educate congregations in the area of stewardship is through training sessions in district and/or 5th Sunday gatherings. We are also helping with the coordination and implementation of the national program of church development jointly sponsored by CRJ/MRSJ/UBC/UCBHM. It involves local African-American congregations coming together annually for training/resource sessions, usually with

national staff leadership, in the areas of church growth and development, stewardship, leadership development, etc. Follow-up sessions are conducted throughout the year by Association and Conference staff.

We also plan to help increase the involvement of pastors and local African-American Congregations in the life of the Association, Conference and national church.

Respectfully submitted
Rev. William Carr, Coordinator

The Commission met four times during the year to carry out its duties as defined by the UCC Manual on Ministry as it pertains to Student-in-Care, Ordination, Licensure, and Privilege of Call. Our work is guided by the leadership of our Associate Conference Minister, Dr. Cheek.

The annual History, Polity and Program Course for those needing this information was held at Catawba College on six (6) Saturdays during March and April. Four persons were enrolled. A varied staff made the presentations.

The SCOPE Program was presented by Rev. Raymond Hargrove. He presented the guidelines for those seeking the alternate route to ordination.

Laddie Benton, Lancaster Seminary
Delores Letterlough
Melinda Coble, Catawba
James Hayes

Rev. William Carr was ordained at Emmanuel, Greensboro, on February 25, 1990.

Granted Privilege of Call were Rev. Charles Jones, Rev. Cheryl Smith, Rev. Richard Rodgers, and Rev. Gary Phaup.

Congratulations to our Student-in-Care who graduated within the last year. They are:

Action was taken that our retired clergy and spouses and widows of clergy be honored with a banquet this fall.

The Commission will be studying the study and discussion paper on The Mutual Recognition and Reconciliation of Ordained Ministries (UCC and DOC).

A dinner meeting for our female clergy, students-in-care, and commissioned women is being planned.

The Church and Ministry Commissions from the three Southern Conference Associations will meet on November 8, 1990, to deal with clergy misconduct procedures.

WESTERN NORTH CAROLINA ASSOCIATION
EVANGELISM COMMISSION

When your Commission on Evangelism focused on its work in the Fall of 1989, there was much enthusiasm and anticipation about what lay ahead. Though there have been some disappointments along the way, there has been reason to celebrate, for the work of sharing the good news of our Lord Jesus Christ is abundant in our Association. I want to share a little of how that has been happening in this commission.

GOOD NEWS . . . Activities!

1. The Commission has met throughout the year.
2. Our areas of concern were: a. putting together local materials on evangelism for use in local churches; b. working on a video presentation for use in seminars and other meetings.
3. Supported the Conference wide Church Growth and Spiritual Renewal event in Burlington in November 1989.
4. Evaluated 1989 church statistics, with the following analysis.
 - a. Total membership in our association rose .77 percent to 23,545.
 - b. 44 churches showed net increases in membership, compared with 41 the year before.
 - c. 33 churches showed no net change in membership, compared with 40 in 1988.
 - d. 42 churches showed net decrease in membership, compared with 38 in 1988.
 - e. 77 churches avoided net losses, compared with 81 churches in this category in 1988.

(These statistics include Schedule I and II churches.)

GOOD NEWS . . . Challenges!

There are two main challenges before us in 1991 and the coming years. They are:

1. to get all of us thinking about our ministry as evangelism, the sharing of the good news, among ourselves and with others;
2. to become more serious and disciplined in living out our commitment to our Lord Jesus Christ.

GOOD NEWS . . . Partnership

We all are partners in this great work of sharing the good news of our Lord Jesus Christ. The work of every local church, pastor, lay person

is important, and is greatly appreciated. As we are together in this work, with our gifts and love, we can be faithful. May God bless us as we go forward to meet the challenge!

Respectfully submitted,
Dale Kennedy, Chairperson

WESTERN NORTH CAROLINA ASSOCIATION
STEWARDSHIP COMMISSION

1990 has been a year of challenge and opportunity for the Stewardship Commission and for all other Commissions and Congregations in the Western North Carolina Association.

Many congregations have strengthened their Stewardship Programs by communicating financial needs and explaining Mission and Program throughout the year. Many Congregations have re-discovered and are using regularly the materials distributed and available to all UCC Churches through the Stewardship Council. You are encouraged to review and use the materials in KeyPak which is a year-round program of Stewardship education and promotion. The quality of the materials available for your use is excellent.

As you know, at least one Key-Pak kit is furnished regularly to every congregation at no cost. If your Stewardship and/or Mission Committees are not familiar with that program, please make it available to them.

Many Congregations have also established definite schedules for remitting OCWM monies. All Congregations are certainly encouraged to make contributions on a monthly basis whenever possible. Salaries, utilities and other expenses must be paid as required, so your help in making your contributions on a timely basis will definitely be helpful to your WNCA, Southern Conference and the Wider Church as well.

Emphasis on Planned Giving has been a high priority item this year. Many of you have participated in workshops and discussions about this matter. Planned Giving is an idea whose time has come and needs much consideration in the WNCA.

Members of the Commission are available to assist you in discussions about any of these matters. If we can help, please let us know.

Stewardship Commission Coordinator

CHURCHMEN'S FELLOWSHIP
WESTERN NORTH CAROLINA ASSOCIATION

The 20th Annual Meeting of the WNCA Churchmen's Fellowship was held at Blowing Rock Assembly Grounds, August 25-27, 1989. The theme of the meeting was "Twenty Years of Christian Leadership". The keynote speaker was Dave Rowe, former NFL star. Dave gave a very graphic and descriptive talk on "A Christian in the Workplace" which was meaningful describing **Christian Linemen** in the National Football League. His talk

was very thought provoking which encouraged us to reflect upon our lives especially with the statement, "Stand for something or you will fall for anything".

Others participating during the meeting included Rev. Banks Shepherd, Friday evening entertainment; Rev. Bland Leebrick, Saturday devotions; Mr. Everette Simmons, banquet speaker; Mr. Ike Young, Sunday School teacher; and Dr. Richard Cheek and Rev. Rosser Clapp, Sunday morning Worship. A special thanks was expressed to past President Mike Abernethy and Dr. Kenneth Clapp for their respective contributions to the WNCA Churchmen's Fellowship.

The WNCA Churchmen's Fellowship consists of the following districts: Catawba, Davidson, Guilford-Rockingham, Randolph and Rowan. These districts have been active this past year, each meeting at least twice annually fostering their respective projects.

We are looking forward to the 21st Annual Meeting to be held August 24-26, 1990 at BRAG. The theme for this year's meeting being "Brotherhood: Personal Evangelism and Corporate Witness". We are looking forward to hearing reports from the respective districts as well as our program speakers, Dr. G. Melvin Palmer of Peace UCC, Greensboro, who will speak on "Personal Evangelism" and Rev. James Humphrey of Christ Community UCC, Monroe, who will speak to the group on the subject "Corporate Witness". Dr. Kenneth Clapp, Campus Minister at Catawba College, will be our banquet speaker on the subject "One Word . . . Many Ways of Sharing". We are also looking forward to Sunday Worship in the Little White Church.

In closing, we the officers of WNCA Churchmen's Fellowship, District Presidents and members request your prayerful support as well as individual participation from all churches in the WNCA that we may reflect the true will of God in our lives in being His witness in all that we do.

In Christ,
Bob Wright, President
WNCA Churchmen's Fellowship

CHURCH WOMEN

The Fall Enrichment was held at Corinth United Church of Christ in Hickory, North Carolina on Saturday, September 9, 1989 at 10:00 A. M. I was in charge of devotions with emphasis on FAITH WORKS which was our theme. In spite of the distance, it was well attended. Our president gave an update on our Scholarships to Elon College for deserving students. We were able to give two scholarships and one recipient was present to thank the group. The other person could not come because of work schedule. Our speaker for the meeting was Rev. James Smelley who showed us picturesque slides and gave information about his visit to Philippine. His presentation was enjoyed by all. The offering was given to Caring for Children Program.

I was elected to serve as WNCA president at the Fall Enrichment

meeting. I wish to thank all who have been helpful to me and especially the past president, Cynthia, who has been there for me. This has been a new experience for me and I welcome the help.

I was not able to attend the Regional meeting at San Pedro Center, Florida on October 13-15, 1989, because of illness. I am told that WNCA was well represented, the conference was well planned, informative and a learning experience for leaders. This enabled officers to begin a new year with enthusiasm.

The Annual "All Commission and Board Meeting" was held Saturday, October 28, 1989, at First UCC, Salisbury, NC. The purpose of this meeting was reviewing the past year, reorganization and setting some course for the new year. I was assigned to Commission of Church Life Leadership.

I attended the Executive Board Meeting of Church Women of the Southern Conference at the Southern Conference Office in Graham, North Carolina on Saturday, November 11, 1989. The meeting was called to order by president who followed the agenda as outlined.

I have sent our three newsletters to keep in touch, inform and encourage our women. I truly hope all are receiving them, reading, digesting and becoming involved. There is so much work to be done in these trying times. If ever we need to be close to God it is now.

I attended the Summer Conference of Church Women of the Southern Conference, a first time for it to be held in Virginia. We made history. The Virginians were delighted to host this well planned conference. Our theme was "Who Cares". There were a total of 125 women in attendance. Rev. Dale Susan Edmond was the keynote speaker who inspired our souls and gave us many ways to show who can care.

I plan to attend the workshops this summer that will be held in the various districts.

The Fall Enrichment will be held at Beulah United Church of Christ, Lexington, North Carolina on September 8, 1990. Rev. Yvonne Beasley, Associate Conference Minister of Eastern North Carolina, will be our guest speaker.

As I serve as president, I solicit your prayers for divine guidance. I need your cooperation, planning and dedication to get this job done.

Elmira M. Polk

MINUTES
of the
TWENTY-FOURTH ANNUAL MEETING
of the
EASTERN NORTH CAROLINA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST
JONES COUNTY CIVIC CENTER, TRENTON, NC
October 20, 1990

The twenty-fourth Annual Meeting of the Eastern North Carolina Association of the Southern Conference of the United Church of Christ was held Saturday, October 20, 1990 at Jones County Civic Center, Trenton, North Carolina. The theme for 1990 was "Strength Through Unity: Vision for the 90's. Registration began at nine o'clock. Total attendance was 354—80 Clergy; 80 lay delegates; 194 visitors. Opening worship service was led by Dr. Richard Cheek. Dr. Rollin O. Russell, Conference Minister for the Southern Conference, UCC brought forth the sermon using as his topic "A New Thing". Dr. Russell talked on new things such as "seeing the truth, living the truth, and telling the truth. Truth is unity in Jesus Christ." There was special music provided by the Voices of Zion from Zion Hill UCC. The choir was represented with 60 members whose ages ranged from tiny tots to young adults.

Dr. Brenda Allen, ENCA President, (see Exhibit No. 1) presented Reverend Yvonne Beasley for Installation as Associate Conference Minister. Response to the presentation and exhortation was given by Rev. Robert Barrows. Holy Communion was served. The breaking of the bread was given by Rev. Raymond Hargrove, and the passing of the cup was by Dr. Richard Cheek.

The first business session was called to order by Dr. Brenda Allen, president. Rev. H. O. Simmons greeted and welcomed everyone. Rev. Beasley introduced guests which included Mr. Richard Walker, new Director of Elon Homes for Children; Rev. Richard Glatfelter of Lancaster Theological Seminary; Rev. Curly Stumb of Johns River Valley Camp; Rev. Donald Flick from United Church of Christ Retirement Homes; Mrs. Phyllis Newchurch, St. Mark AME Zion in Durham, Rev. Richard McBride, campus minister chaplain at Elon College; members of her family—Evangelist Cora Harchell, Mrs. Blance Booker, and Mr. William Taft Beasley, her father; the Conference Staff—Dr. Rollin Russell, Conference Minister; Dr. Richard Cheek; Rev. Raymond Hargrove; Mrs. LouCinda Graves; and Mrs. Michelle Thompson. The agenda was adopted. The report of the secretary was given by Mrs. Bettie Pulley. With noted corrections which were made at the time of printing, the minutes of the 23rd Annual Meeting held October 14, 1989 were approved.

The appointment of a special committee to tally votes were John McNeil, James E. Vanderbilt, and Walter Langdon.

The Treasurer's report was given by Rev. Reid Dickens (see Exhibit No. 2) was received. The proposed budget for 1991 (see Exhibit No. 3) was then introduced. Rev. Dickens noted at this time the suggested per

capita goals for 1991 shows a substantial increased amount because of the approval to increase giving to \$1.00 per member for 1991 as well as an additional \$1.00 per member to go towards General Synod. In the proposed budget the funds for Commissions (items IIA, IIB, IID, IIE, IIF) were increased in expectation of an increase in activity by the Commissions. A new item, ENC Women in Ministry (IIH), and General Synod President Expense (VIII) was added for 1991. The proposed budget will be voted on later.

Report of the Nominating Committee was given by Rev. K. Ray Hill (Exhibit No. 4). It was so noted the asterisk denotes the coordinator for each commission. There was one nominee from the floor for Mrs. Mary Morrison to be added to the Christian Social Ministries.

Rev. James Singletary presented the proposed changes in the By-Laws of ENCA (see Exhibit No. 5) which related to:

1. Adding a seventh Commission, namely the Black Church Development Commission.
2. Clarifying the total term of years a commission member or coordinator may serve.
3. Giving the Nominating Committee of the Association the authority to name a coordinator for each commission.

These changes were to be adopted later. Dr. Allen at this time called for a motion to receive the report of the Commissions. So moved and carried. (see Exhibits No. 6 through 11). Report of the Associate Conference Minister, (see Exhibit No. 12). Report of Church Women (See Exhibit No. 13). Reverend Yvonne Beasley expressed appreciation and the great experience in working with the lay people and ministers in the local churches. She introduced new ministers who had moved into the area: Warren Casiday, new minister at Carolina UCC in Burlington; Phil Hardy, new pastor at Shallowford UCC; Timothy Toth, Associate pastor at Haw River Christian; Peter St. Martin, military chaplain at Camp Lejeune transferred to this Conference from the Maine Conference. Rev. Beasley also reported that there are twelve vacant churches in our Association and any pastor who is interested should contact the Association Office. Churches celebration anniversaries are Union Ridge in Burlington celebrating its 175th anniversary this year; Christian Home in Apex and First United Church of Christ in Franklinton celebrating their 125th anniversary; Corinth UCC in Youngsville and Mt. Vernon in Clayton celebrating their 100th anniversary; Roanoke Chapel in Norlina and New Bethel in Zebulon celebrated their 50th anniversary. Emanuel UCC, where Rev. H. O. Simmons is pastor, is celebrating its 25th anniversary. Rev. Beasley also welcomed Rev. James Lark who has been ill during the year and seems to be doing fine. Rev. Homer Frye had been hospitalized but is at home recuperating. Pastors who have been installed are Rev. Charles Brooks at Poplar Springs UCC in Raleigh, Rev. David Dean and Rev. Martha McInness at Congregational Church in Sanford, Rev. Roosevelt Wilkerson at New Covenant UCC in Chapel Hill; Rev. Curtis McRae at Roanoke Chapel in Norlina; Rev. Wilmer Brown at Cary 1st UCC in Cary. Rev. Beasley reported an increase in OCWM and encouraged those not meeting their goals or supporting the Association to become a "part of

of the great work that God is doing.” For those who are contributing to keep up the good work and thank you for your support. During the past year three pastors have been called to eternal reward. Rev. James Hargrove, Sr. passed on September 24, 1990. Rev. Andy Wright passed November 27, 1989 and Rev. W. J. Wilson passed May 8, 1990. There was a moment of silence in remembrance of these three.

Offering was taken and as approved by the Board of Directors, will be used toward General Synod this year. Rev. Bill Smith, chairperson for the local arrangement committee for General Synod spoke on the theme “Speak Out—Planning for the Future. General Synod will be held June 27 thru July 2 in Norfolk, VA. General Synod will be hosted by the Southern Conference. A round of applause was given to Rev. Smith to commend him for working to organize and plan for the General Synod.

Conference Minister Reverend Rollin Russell spoke on the booklet “Fundamental Documents of the United Church of Christ” and asked the churches to study the documents. Southern Conference Executive Committee has requested a response form, included in the booklet, be completed and returned. This ended the first session.

After enjoying a catered lunch the second session was called to order by Dr. Allen. It began with special presentations given by Mrs. Rena Langdon, Coordinator of the Association Stewardship Committee. Rev. Raymond Hargrove gave out OCWM certificates of appreciation to the following: Oak Level UCC for the largest increase in OCWM giving over the past year; Chapel Hill, New Church of the Covenant for the largest increase in per capita OCWM giving; United Church of Chapel Hill for the largest amount of OCWM giving and the largest per capita OCWM giving.

Rev. Donald Flick of the United Church Retirement Homes reported the Southern Conference has approved a capital funds campaign for a new retirement center in Eastern Virginia. Mr. Richard Walker, new director of Elon Homes for Children extended an invitation to visit Elon Homes “to see some of the new directions, and to meet the staff and children.”

The second business session began with vote on the By-Law changes. A motion to accept the changes was seconded and carried. On adoption of the Black Church Development Commission, it was so noted the change in the name of Donald Wood to Donald Ward. It was so moved and carried to adopt the Black Church Development Commission. A motion to accept the proposed 1991 Budget was moved and accepted.

On items of New Business—Rev. Ben Whitlock reported on the Ministers Retreat at Blowing Rock Assembly Grounds on May 13-15, 1991. The theme is “Spiritual Wholeness in a Broken World”. Dr. Paul Sherry and Rev. Ben Chavis have been invited as resource leaders.

Rev. Bill Smith reported a total of \$593.57 collected from the general offering. Volunteer forms to work and/or participate in General Synod were made available.

In reference to the floor nomination heard earlier, the Board of Directors will address the issue. Dr. Allen called for a motion to accept the slate of officers presented earlier. So moved and carried.

Rev. Beasley spoke on a few other concerns:

1. Sending in payments to the Conference Office—Per capita dues are \$1.00 per member for 1991 and checks should be made payable to the ENC Association. Our Church's Wider Mission, General Synod, Institution giving, etc, should be made payable to the Southern Conference. 2. Island Hill UCC was welcomed into the Association. The church was received August 25, 1990 from Eastern Virginia Association. 3. Commission and Board Members were reminded to meet at Community UCC in Raleigh October 27.

4. Rev. Beasley asked everyone to remember Rev. Dwight Moore in our prayers.

5. Appreciation and a round of applause was extended to Rev. Simons and the various committees who helped organize the meeting.

Rev. Beasley officiated the Order for Affirmation of Ministry (Installation of Elected Leaders). Special music was provided by the Myrtle Grove UCC of Maysville, NC. After the Benediction, the twenty-third annual meeting of the Eastern North Carolina Association was adjourned.

PRESIDENT'S REPORT

October 1989, the Board of Directors and Commissions (total attendance 22) identified areas of ministry which they considered top priority in ENC. The highest ranking areas included racism, youth, spiritual renewal, and the socially excluded. We concluded that our program planning, goals and objectives should reflect these ministry needs.

January 1990, we accepted the resignation of Rev. Ervin E. Milton as Associate Conference Minister for ENCA effective February 28, 1990. A celebration was held to honor Rev. Milton for nine and a half years of ministry to us. We laughed and cried with him and his family.

As a member of the search committee, your President assisted with all tasks related to the selection of a new Associate Conference Minister for ENCA. We are pleased that Rev. Yvonne Beasley now provides leadership to us in this position. Let us join in prayer and work with her.

With the leadership of Rev. Ben Franklin, your Vice President, a committee has written guidelines and expectations for commission coordinators and commission members. This leadership area needs to be strengthened, according to the Board of Directors.

All of the work done to glorify God and to serve humankind has had challenges and rewards. The opportunities are appreciated, as well as the prayers and support.

Many thanks to everyone who has contributed to our progress. We extend appreciation and Godspeed to both Rev. Denise Long and Rev. Doug Long and Family. Rev. Reid Dickens, Treasurer, and Ms. Bettie Pulley, Secretary, continue to serve us efficiently, and we appreciate them.

EASTERN NORTH CAROLINA
CHRISTIAN SOCIAL MINISTRIES COMMISSION

The Eastern North Carolina Social Ministries Commission was comprised of the following members, Ed Rawls, (Chair), Denise Long, Gladys Wesley,

Angelika Koblenz, Robert Thurston, Vivian Wynn, Marianne Smith, Al Campbell, Adner Batts, Mary Morrison, Norm Robarr, and David Barber. This year we have been doing some ground work and planning for the coming year.

The Southern Conference Christian Social Ministries Commission decided last year to have each association commission focus on one issue. The conference commission felt that the purpose of the different association commissions and itself was becoming too diffused. In attempting to address every social issue, and accomplishing very little on any issue, the commissions decided to focus each on one specific issue and to hopefully accomplish something concerning that. The focus of the ENC Social Ministries Commission is to combat racism in our communities and to work for greater racial cooperation and understanding between the churches.

Last fall, the ENC Church Life and Leadership Commission held a retreat entitled, "Breaking Down the Barriers" focusing on racism within our churches. The retreat was held at Franklinton Center and the Rev. Dr. Ben Chavis was one of the speakers. Many of the members of our commission took part and felt that it was a very powerful experience. Using many ideas from the retreat, our commission has been in the process of developing a workshop for adults and children to be used in communities where there are African American and white UCC Churches. The purpose of the workshop will be to build greater understanding and cooperation between the two churches, and to share models for the future of how they can work together and be a unique witness in their communities. The first workshop is being planned in November for 1st UCC in Cary and Good Shepherd UCC.

As a member of this commission, I have also been involved with the "Raleigh Interfaith Committee on Human Relations", a group of pastors and interested lay people, organized to respond to growing incidents of racism and violence within the Wake County schools.

Since our commission may in the future attempt to have a retreat for our youth concerning building bridges, I have also been involved with "North Carolinians Against Religious and Racial Violence" in helping to plan a camp experience at Greensboro College dealing with these issues. I also helped as a counselor at the camp in July.

I want to thank everyone who traveled long distances to be at our meetings and who worked so hard on the commission. I look forward to working together with our new members coming on board this fall.

Sincerely,
Ed Rawls

EVANGELISM COMMISSION
EASTERN NORTH CAROLINA ASSOCIATION

October 20,1990

During the past year, the Evangelism Commission has continued to provide vehicles for assisting churches and individuals in renewing and rejuvenating their efforts in evangelism.

There were three (3) meetings held where plans were made to complete the following projects and activities:

(1) A series of articles, **Evangelism: Living The Message**, have been published in the **Southern Conference Newsletter**. We believe these articles have helped to raise the awareness of the importance of evangelism as a vital part of the christian's life.

(2) An evangelism booklet has been published and placed in the hands of UCC pastors and/or church leaders. This booklet contains information about who the UCC is, what we believe, our mission, guiding principles, outreach, sacraments and some evangelistic strategies. The booklet is now available at the Southern Conference Office and can be purchased at a cost of \$.50 each. Please contact Yvonne Beasley, Associate Conference Minister for ENC.

(3) On November 4, 1990 some of the members of this commission attended the Fall Event at First Church in Burlington. This proved to be a most rewarding and enriching experience.

We invite you to take items from our display table at the annual meeting in October.

Respectfully submitted,

EASTERN NORTH CAROLINA ASSOCIATION
CHRISTIAN EDUCATION COMMISSION

The Christian Education Commission for the Eastern North Carolina Association had three goals for the year. We wished to give our youth the chance to see themselves as the church together. We hoped to develop a network of people with different skills in Christian Education who would be willing to be called upon to consult with churches within the association. Finally, we wished to strengthen our Sunday School, particularly in terms of their outreach.

In working toward our first goal we planned a retreat for youth in grades 8-12 at Franklinton Center called "No Dividing Wall" for May of this year. It was to combine work camping with an exploration of what it meant to be a racially inclusive church. Response from African-American churches was heartening. Unfortunately, no white youth registered and we were unable to have the retreat as planned. We learned several things in the process. There is real interest out there in the churches in this issue. If this event is rescheduled, recruitment will have to be very intentional. Lastly, that many of our churches have few active senior highs. An event for middle/junior high youth might meet with more success.

The project to develop a network of people with special skills in Christian Education: skilled youth workers, adult education specialists, people knowledgeable about church school curricula, or intergenerational programs, etc, is underway, but will take additional time to contact participants and publicize their names and skills. In an association with very few professional Christian Educators, we felt it was doubly important to share the knowledge that we have as lay people, pastors, or educators.

Our third goal was to strengthen the church school, especially as regards outreach. After much discussion we realized that we were handicapped

by a lack of knowledge about what is happening in the church school programs of our association. The results of the SEEDS program should be of great use to the commission in this area. As coordinator of the commission much of my energy has gone into developing plans for this program. It will involve a broad range of churches throughout the Southern Conference. Those in Eastern North Carolina are: First Congregational, Raleigh; Rock Spring, Creedmoor; Hank's Chapel, Pittsboro; Community UCC, Raleigh; Emmanuel Chapel UCC, Kinston; and Liberty Vance, Henderson. A trained volunteer will meet with each congregation in order to learn what the strengths are of that church in Christian Education, and where they believe they need improvement. Together the volunteers (SEEDS) will try to determine how the Southern Conference can assist local churches with Christian Education. It is my hope that this program will be of great use to the new Christian Education Commission.

EASTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE
CHURCH LIFE AND LEADERSHIP COMMISSION

The Church Life and Leadership Commission has had a successful year as it has been concerned with engaging all in the ministry of Jesus Christ. The Commission has been keenly aware of the reality of racism in our society. This idolatry negatively impacts the vitality of the church by its devisive nature. November 13 and 14, 1989, the Commission sponsored a retreat—"That We May All Be One: Removing the Walls of Racism in the Church". Held at Franklinton Center, Bricks, NC, this retreat was attended by a healthy mix of black and white clergy and laypersons. Issues related to racism were explored through discussion, the sharing of personal stories and resources as well as through worship and play. The retreat was a positive experience for all.

Another area of concern during the year has been the role of women in the church. The Commission has focused on the discrimination that many women face in the pastoral placement process. Women are often denied opportunities for leadership and their gifts are often underutilized in the church. The Commission convened a meeting at which thirty women were in attendance. The women shared issues of concern and plans are underway for a Women in Ministry Retreat to be held in February during UCC Women's Week at Franklinton Center. The women will gather for fellowship, mutual support and resourcing. Hopefully, the Association will be given directions as to how we can be faithful as we receive the gifts of women in ministry, both clergy and lay.

We solicit your prayerful support as this Commission seeks to enhance church life and provide greater opportunities for the constituency of this Association to witness effectively for Jesus Christ.

STEWARDSHIP COMMISSION
EASTERN NORTH CAROLINA ASSOCIATION

The Stewardship Commission of the Eastern North Carolina Association would like to express sincere thanks and appreciation to all the churches that contributed to Our Church's Wider Mission.

Letters have been mailed to the churches of the Eastern North Carolina Association outlining challenges and goals for 1991, and encouraging their commitment to stewardship. The letters explained the challenge for Our Church's Wider Mission, the goal of our Eastern North Carolina Association **per capita dues** of \$1.00 per member and \$1.00 per member to host General Synod in June 1991.

The Stewardship Commission has a meeting set in October to get our new year plans and programs activated.

EASTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE ASSOCIATE CONFERENCE MINISTER

My brothers and sisters, today marks the 80th day that I have served with you and the churches of the association in this capacity. I am humbled when I remember that Antioch UCC, Bayboro, the church where I was confirmed, baptized and grew as a person of faith, is just a few miles down the road. I never cease to be grateful to God and to each of you for giving me the opportunity to minister in an association that is dear to me and is so representative of the spirit of the United Church of Christ.

During the past 80 days, I have sometimes felt that I too have been "around the world". Every day there is so much activity among the churches. I cherish the meetings that I have attended of the ministeriums. Each has allowed me to listen to the concerns of pastors and to share some new avenues of service and action. The ministers want to network and fellowship. They want to be informed of special occasions in the life of ministers and churches such as installations, ordinations and vacancies.

When I began this ministry on August 1, I found the Commissions meeting and planning retreats and seminars for clergy and laity. In subsequent meetings, we have developed procedures for planning and reporting which will be important as we look to the future.

During the past year, Island Hill UCC was received into the Association, having transferred from EVA. This church has had a long relationship with the churches of the Henderson area and the Association at large. While we mourn the death of its minister of 24 years, Rev. James M. Hargrove, Jr., and recognized his meritorious and faithful service, we celebrate our new union with this congregation.

Presently, there are (12) vacant churches. A large majority of these churches will use the resource developed by the Office for Church Life and Leadership, "The Local Church Seeks a Pastor". A challenge of this office will be to develop and recommend a simplified, yet effective search

procedure for small churches seeking part-time pastoral leadership. We are in the process of designing such a procedure for our churches to consider.

There have been quite a few pastoral changes. Participating in the installations and ordinations services of pastors has enabled me to acknowledge, celebrate and be supportive of new ministries. Also, they have afforded me an opportunity to meet informally with parishoners. I appreciate the hospitality that has been shown to me and the cooperation that I have received from all.

As you may imagine, a great deal of preparation has to be done in anticipation of an Annual Meeting. There are reports, statistics, logistics and so on. Thanks to the Board of Directors, Commissions, staff and all who have assisted in this endeavor.

While I thank God for all that we are and have accomplished by the grace of God, I am convinced that "eyes have not seen, ears have not heard, nor has it been revealed to the hearts of humankind what God has in store for us." We will only know these blessings if we are faithful. Our theme challenges us to walk together breaking down the walls of racism, sexism and all the idolatries that threaten our unity and weaken our ministry. It also invites us to engage in planning as we are on the brink of a new millenium.—Strength Through Unity: Visions for the 90's.

Blessing and Peace.

Respectfully submitted,
Yvonne Beasley

CHURCHWOMEN
EASTERN NORTH CAROLINA ASSOCIATION
PRESIDENT'S REPORT

This first year as president has been exciting and busy. Much has been experiences in christian fellowship and growth.

The women in our area, twenty-one in number, were spiritually enriched at the 1990 Summer Conference. Held for the first time in Virginia, the Conference was hosted by the Eastern Virginia Church Women Association at the Virginia United Methodist Assembly Center, Blackstone, Virginia, June 17-20, 1990. We are most grateful to the EVA Women for this very highly spiritual experience. Of course, the theme was "Who Cares".

On July 26-29,1990, I was blessed to be a delegate from this association to the Second Biennial Assembly, which was held at the Airport Marriott Hotel in Houston, Texas. The theme, "Gift by Grace: Called to New Community", provided for us a new challenge in the services to God. Our own Yvonne Marrow from Maysville, North Carolina was the Associate Moderator. Susie Keele of EVA was nominated to serve as Moderator for the 1992 Biennial Assembly. We made new friends and renewed old friendships. We were challenged to worship, to learn, to grow, to nurture, and hopefully, gain the courage to witness to the new community as women and men of the United Church of Christ.

I am very grateful to Rebecca Young for combining Raleigh and Henderson Districts for our annual district meeting. As you know, we are presently without a representative for the Henderson District.

The meeting was held at Spring Street United Church of Christ on Sunday, August 19, 1990. Pamela Hines of First Congregational United Church of Christ in Raleigh delivered very informative highlights of the summer conference. We are appreciative to the seven churches that were represented. The meeting concluded with a delicious repast served by the women of the host church.

Our 1990 Fall Enrichment Meeting will be held at Kinches Chapel United Church of Christ in Franklinton, North Carolina on Saturday, September 15, 1990. We are anticipating an exciting meeting.

We are urging contact persons of all churches to make sure your name is on our current mailing list. Please help us in the effort to reach all Church Women and have you be effectively informed of our yearly activities. At the same time, it is our prayer that communications to you will enhance your participation in our United Church Women activities.

Many thanks to everyone for your support this year. Pray much for me that I may be able to serve as God would have me do; “. . . leaving not to our own understanding. But, in all thy ways acknowledge . . . Lord and Saviour Jesus Christ and He shall direct our path.”

Yours in Christ,
Barbara T. Jones

**TWENTY-FOURTH ANNUAL MEETING
OF THE
CHURCH WOMEN OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST
TUESDAY, JUNE 16, 1991**

The twenty-fourth annual meeting of the Church Women of the Southern Conference was called to order at 3:35 p. m. by President Faye Humphrey. Susie Keele, first vice-president, read a selection from "Reaching for Rainbows" by Ann Weems and offered a prayer for guidance. President Humphrey then recognized special guests, including the Rev. Bill Smith, president of the Southern Conference, and Minister Thelma Norfleet, former CWSC president.

Minutes of the twenty-third annual meeting were presented by Lisa Barrows, secretary, who noted an error in the list of elected officers in said minutes. The chairperson of the scholarship committee is an appointed officer rather than an elected one. The minutes as amended were approved.

Treasurer Beverly Poole presented her report. She requested that contributions for outreach and administration, as well as for life memberships, memorials and honor certificates, be sent to her by April 15 each year. This will insure more accurate information in our CWSC Yearbook. The treasurer's report was approved.

Association reports were presented by Barbara Jones, ENC; Katie Knight, on behalf of Doris Hartzog for EVA; and Elmira Polk, WNC. All three reports were approved.

Susie Keele announced that no work had been done this past year on the working rules of CWSC. The last printing was in 1987, and she anticipates some revision in the upcoming year.

A proposed budget of \$8149.00 for 1991-1992 was presented by the treasurer. It was approved.

Faye Humphrey and the Rev. Bill Smith reported on General Synod 18, which was hosted in Norfolk by Southern Conference. Many thanks were given to the church women, who made over 300,000 cookies and so many denim bags that boxes were left over. Faye also displayed one of the centerpieces made by CWSC for the Coordinating Center for Women banquet at Synod.

Rev. Smith underscored his appreciation for Southern Conference hospitality and recommended to the women a regional concerns presentation given at Synod on children's issues. He also applauded the women for their theological emphasis at summer conference.

Debbie Younts of Second UCC, Lexington, capped the General Synod presentation by giving a very thorough, informative, and insightful report on the issues, decisions, and events of Synod. The church women immediately recommended that Ms. Younts' excellent report be duplicated and either mailed to churches or printed in the **Southern Conference News**.

Cynthia Buckwell, second vice-president, reported on the regional meeting to be held in Winter Park, Florida, October 11-13, 1991. The

theme of this meeting will be "To Dream a World". Each participant will need to pay her own room and board, but most of the transportation costs will be paid by the Emily Lester Fund.

Ms. Buckwell also mentioned the WEB (Women Empowered and Blessed) training for leaders. This is an excellent tool for leadership development, and she is willing to lead it in individual churches throughout the Southern Conference. Her report was approved.

Susie Keele gave some advance information on the 1992 Biennial Assembly, of which she will be the moderator. The Biennial Assembly is sponsored by the Coordinating Center for Women CCW and the theme in 1992 will center on drinking deeply from the well. President Humphrey reminded associations that they are to submit three nominations for Biennial Assembly delegates. These nominations should be finalized no later than the Fall Enrichment Meeting. At their November meeting, the Executive Board will select three delegates from the nine nominations.

Ms. Keele urged the women to make use of their delegates when they return, inviting them to share experiences or lead Bible study. She also encouraged women to be more supportive of women in general, to affirm the calls of women to ministry, and to be aware of language that excludes. Women need to have a higher self image.

Doris Yeattes, advocate for UCC Women in Mission, spoke about UCCWM partnerships and the CCW resource, **Common Lot**. President Humphrey then reported on CWSC history in the absence of chairperson Carlene Neese. She hopes the Executive Board will consider a contribution toward the CCW effort to research the history of UCC women. President Humphrey also noted that she wrote a letter on behalf of CWSC to Dr. Marilyn Breitling upon her retirement as director of CCW..

Clarine Ingold, chairperson of the scholarship committee, emphasized that applications for the Lightbourne Scholarship (for college undergraduates) should be mailed directly to her for receipt no later than March 10. She also gave excellent suggestions for promoting the purchase of life memberships, memorials, and honor certificates in our churches.

The Nominating Committee report was given by Doris Yeattes in the absence of Dorothy Wilson, chairperson. Three officers were nominated for second terms: Cynthia Buckwell, second vice-president; Carlene Neese, assistant secretary; and Beverly Poole, treasurer. The Nominating Committee report was approved and these women elected unanimously.

President Humphrey referred to her report and several informational items in the CWSC Yearbook. She then proceeded to thank her 1990-1991 officers formally, presenting each with brass candleholders to symbolize the light they share with others. She then installed the newly re-elected officers and the group sang the CCW song, "Weave".

There being no further business, the meeting was adjourned.

Respectfully submitted,
Elisabeth H. Barrows, Secretary

PROPOSED RESOLUTION SOUTHERN CONFERENCE ANNUAL MEETING

Whereas James O'Kelly is one of our local spiritual ancestors in the Southern Conference of the United Church of Christ, and
Whereas in pursuit of Christian Liberty, he separated from his previous ecclesiastical affiliation two hundred years ago, and
Whereas he and those who shared his convictions adhered to what are called "The Cardinal Principles of the Christian Church",
Therefore we, members of the Southern Conference assembled at Elon College, North Carolina, in June of 1992, do hereby celebrate these Principles as having validity in our life today, these principles being:

1. The Lord Jesus Christ is the only head of the church.
2. Christian is a sufficient name for the church.
3. The Holy Bible is a sufficient rule of faith and practice.
4. Christian character is a sufficient test of fellowship and of church membership.
5. The right of private judgement and liberty of conscience is a right and a privilege that should be accorded to and exercised by all.
6. The purpose of this church will be consummated in the reformation of the world and the union of all Christians.

Additionally, we the members of the Southern Conference gathered for the 1992 Annual Meeting also.

- Celebrate the age-old motto of the Christian Church, in essentials, unity; in non-essentials, liberty; in all things charity.
- Pledge our energies to deal with the essentials facing us.

Vote 15: That we adopt the Resolution, Support for Improved Occupational Safety and Health in North Carolina's Workplaces.

RESOLUTION SUPPORT FOR IMPROVED OCCUPATIONAL SAFETY AND HEALTH IN NORTH CAROLINA'S WORKPLACES

WHEREAS, the September 3, 1991 fire at Imperial Foods Products poultry plant in Hamlet, North Carolina in which 25 workers were killed and 56 were injured has made us aware of the critical need for occupational safety and health reform in North Carolina, and

WHEREAS, the Imperial Foods fire was not an exception because on average, three North Carolina workers die in workplace accidents each week and approximately 4000 workers are injured each week; and

WHEREAS, North Carolina's workplace legislation is not sufficient to protect its workers from needless injury and death; and

WHEREAS, North Carolina's Department of Occupational Safety and Health does not meet federal guidelines in terms of the numbers of health and safety inspectors available. At the time of the Hamlet fire, the state employed 29 workplace safety inspectors of which only 16 were fully trained. Federal guidelines call for 114 health and safety inspectors in North Carolina; and

WHEREAS, in 1991, only 2000 out of approximately 180,000 workplaces were inspected. At this rate it would take nearly 100 years to inspect all of the state's workplaces; and

WHEREAS, since 1980, the number of workplaces in North Carolina has risen by 50,000 while the number of inspectors and inspections has dropped. In 1991, North Carolina gained more new businesses than any other state partly because the state pays among the nation's lowest wages and has lax regulations and enforcement of occupational safety and health standards; and

WHEREAS, basic changes in legislation and business policy concerning workplace safety and health can prevent future tragedies like the Imperial Foods fire.

THEREFORE BE IT RESOLVED, that the Southern Conference of the United Church of Christ, support occupational safety and health in North Carolina by:

Calling for improved legislation to:

1. Require all employers who have a high incidence of accidents to institute a safety program, and if they have 11 or more employees, require that they establish a safety committee to improve their safety record.
2. Appropriate enough funds to hire sufficient OSHA safety inspectors to meet federal benchmarks;
3. Impose new sanctions on employers against firing employees who report safety violations;

4. Make employers responsible for wanton disregard of worker health and safety standards.

Calling on North Carolina's business leaders and public to make workplace safety and health a priority by:

1. Putting safety first in workplaces;
2. Respecting workers rights to report violations and by being attentive to their health and safety needs;
3. Encouraging dialogue between workers and management on issues concerning health and safety in the workplaces;
4. Making a commitment to people over products.

Submitted By The Southern Conference Christian Social Ministries Commission.

Vote 16: To amend #3, Resolution, A Just Peace Conference to "Affirming that the Spirit moves through many channels both secular and religious." and insert #4, "Working with people of all religious faiths to bring reconciliation, peace and justice to a divided world."

Vote 17: To strike "nonhierarchical structures" from #5.

Vote 18: Call for the order of the day.

Vote 19: To table the Resolution A Just Peace Conference until the 1993 Annual Meeting.

RESOLUTION A JUST PEACE CONFERENCE

WHEREAS, the church is the body of the Risen Christ, the human vessel through which the Spirit moves to bring reconciliation, peace and justice to a broken and divided world; and

WHEREAS, the General Synod of the United Church of Christ has committed itself to be a Just Peace Church, actively working to bring reconciliation, peace and justice to all peoples; and

WHEREAS, of the many conferences of the United Church of Christ, the Southern Conference is one of the few not to have officially proclaimed itself to be a Just Peace Conference.

BE IT RESOLVED THEREFORE that the people and churches of the Southern Conference of the United Church of Christ shall adopt the premises of a Just Peace Conference by:

1. Affirming diversity and inclusivity in faith expressions within our membership,
2. Rejecting any absolutizing of faith experience as the ultimate test of religious purity and true doctrine,
3. Affirming that the Spirit moves through many channels both secular and religious,
4. Working with people of all faiths to bring reconciliation, peace and justice to a divided world.
5. Recommitting ourselves to the rich heritage of ecumenicity that is ours within the United Church of Christ, mindful that Christ calls us not to build or maintain a denominational institution but to witness to and participate in the realm of God,
6. Affirming our calling to incarnate Just Peace in our life styles as

individuals and corporate bodies through nonviolence in word and deed, and confession that we have been a support for violence that has oppressed the earth and that we have sanctioned and condoned war,

7. Committing ourselves to shape our congregational life by worship, education and prayer so that members will be enabled and equipped to grow as peacemakers in their families, congregations and communities and to work for social, racial and economic justice,
8. Recognizing that the state is responsible for the establishment of social justice and human welfare and that the role of the church is one of calling the state to task when it does not make justice its first priority,
9. Recognizing that systemic violence and global injustice have become ingrained in global governmental structures and the church needs to witness prophetically and through political involvement to break the power of structural evil,
10. Calling upon the members of the Southern Conference of the United Church of Christ to support those members who choose political involvement and non-violent civil disobedience as legitimate prophetic witness.

BE IT THEREFORE RESOLVED that the Southern Conference of the United Church of Christ officially declares itself to be a Just Peace Conference.

Vote 27: To defeat the Resolution A Testimony of Faith in Our Day.

RESOLUTION A TESTIMONY OF FAITH IN OUR DAY

WHEREAS, the consistent and clear witness of the New Testament, emphasizes the universality of sin and that the consequences of sin is death; (2) that God's purpose through Jesus is to reveal God's love and deliver humanity from the eternal consequences of sin; (3) that repentance and receiving Jesus Christ as Saviour and Lord is necessary to experience the benefits of His work (4) and that indeed, Jesus is God's only provision for the consequences of sin (5) . . .

AND WHEREAS, consistent with Scripture, the varied traditions of the United Church of Christ have historically held in unity steadfastly to the same confessions (6) . . .

AND WHEREAS, in the preamble of the Constitution of the UCC and the Southern Conference, the church claims as its own the faith of the historic church expressed in the ancient creeds and reclaimed in the insights of the Protestant Reformers . . .

AND WHEREAS, the same preamble declares it to be the "responsibility of the Church in each generation to make this faith its own . . ."

THEREFORE, be it resolved that we who stand in the same tradition and faith as members of Christ's Body, the Church, in this generation and this year of our Lord 1992, do again boldly and clearly affirm that Jesus Christ is "the way, the truth, and the life;" (7) and that "no one comes to the Father except by Him;" (8) that there is "one God and one Mediator between God and Humanity, the man Jesus Christ;" (9) and that "salvation is found in no one else, for there is no other name under heaven given by which we must be saved." CARDINAL PRINCIPLES OF THE CHRISTIAN CHURCH

1. The Lord Jesus Christ is the only head of the church.
2. Christian is a sufficient name for the church.
3. The Holy Bible is a sufficient rule of faith and practice.

RESOLUTION A WITNESS TO FAITH IN OUR DAY

WHEREAS there is one sovereign God, creator and sustainer of all creation, so that all beings live, move, and have their being in God; and

WHEREAS God has created all persons in the image of God, thereby making all persons the children of God and sisters and brothers to each other; and

WHEREAS God established a universal covenant with the whole human family, indeed with all living things (Noah), and a particular covenant with Israel (Abraham, Isaac, Jacob, Moses) to be "a light to the nations;" and

WHEREAS the Old Testament prophets and the book of Jonah in particular warned Israel not to interpret its election by God as ownership or possession of God; and

WHEREAS the life and ministry of Jesus Christ reveals that the heart of the Gospel is that "God is love," that God accepts all persons before they accept God; and

WHEREAS we, the followers of Christ, like Peter before his encounter with Cornelius, sometimes define the boundaries of God's saving activity within the confines of our traditions, histories, doctrines, and prejudices; and

WHEREAS the crusades, the inquisitions, the burning of "witches," the Holocaust, slavery, apartheid, and all other forms of religious bigotry stand as tragic reminders of the logical consequences of the Church's

interpretation of its election by God as ownership or possession of God; and

WHEREAS the Bible reveals God's dialogue with two faithful peoples, ancient Israel and the early Church, and says very little about God's dialogue with other peoples;

BE IT RESOLVED THEREFORE that the assembled members of the twenty-seventh Southern Conference meeting . . .

1. Boldly affirm that in Jesus Christ, "God has come to us and shared our common lot, conquering sin and death and reconciling the whole creation to its Creator" (UCC Statement of Faith); and
2. Resolve to bring to any dialogue with other faiths our unique understanding of God in Christ and to listen for the voice of God in the voices of others.

Submitted by Rev. Neal R. Jones, Ursinus UCC, Rockwell, NC.

Vote 30: To extend the order of the day to 11:55 a. m.

Vote 31: The 1993 Annual Meeting should include at least one hour for delegates to meet in selective groups to discuss all resolutions, and also other items of business which are likely to bring significant debate, before those issues come before the plenary session. Groups should be led by the person or persons initiating the resolution or action.

Closing worship followed in the Fine Arts Center. The newly elected officers were installed and the youth delegations to Germany and the National Youth Event were commissioned.

Vote 32: Meeting adjourned.

Respectfully submitted,
Mary R. Pope, Secretary
Southern Conference

**EASTERN VIRGINIA ASSOCIATION
 COMMISSION ON CHURCH AND MINISTRY**

To: The Eastern Virginia Association Annual Meeting
 Pembroke Manor United Church of Christ
 Virginia Beach, Virginia

We, the Commission on Church and Ministry of the Eastern Virginia Association, submit the following report.

Within the United Church of Christ, those bodies charged with the primary responsibility of granting and mainraining authorizations for ministry are the Association Committees on the Ministry. (In some Conferences, these committees are called, "Church and Ministry" Committees.

The authorization of ministry is a crucial responsibility and must be taken seriously, yet humbly. Ministry is a living thing; in every age seeking to understand it in theological, historical, traditional and contemporary ways will help equip those who have responsibility for ministry. To carry out procedures without examining the purposes behind them narrows the ability to adapt the procedures as may be necessary or desirable, and leave untapped the capacity to develop new procedures new circumstances may require.

We have met on five different occasions since our last Annual Meeting. These dates were, November 1, 1990, January 9, 1991, May 22, 1991, June 20, 1991, and October 2, 1991. Some of these meetings were for local church concerns within the purview of our committee.

There have been several Services of Installation:

James Anderson to New Hope, Norfolk
 Carlton Upton to Tabernacle, Suffolk
 Alexander Jamison to Providence, Chesapeake
 Harold Branch to Mt. Ararat, Suffolk

The following persons are enrolled in seminary:

Thelma Norfleet, Tabernacle, Virginia Union School of Theology
 Harold Branch, Mt. Ararat, Virginia Union School of Theology
 Anthony Taylor, Howard University School of Religion
 Bill Holloran, Bayside, Lancaster Theological Seminary

Rev. Carlton Upton has completed all of the requirements for the Master of Divinity degree at Virginia Union School of Theology. He is set for full ordination in the United Church of Christ. The time of said ordination will be announced.

Ineke Mitchell has resigned from the Commission to move to Hartford, Connecticut. She wishes all of us Godspeed as we also do for her.

We recommend renewal of standing of the following persons:

- Susie S. Keele, Commissioned Minister
- Dan Wickert, Commissioned Minister
- Inez Dunston Whitaker, Licensed Minister
- Kenneth Daniels, Licensed Minister
- Barbara Lamb, Licensed Minister
- Sheena Jones, Licensed Minister
- DeLois Albright, Student in Care
- Emmanuel Myrick, Student in Care
- Shelton Smith, Student in Care
- Cheryl Lee, Student in Care
- Vondell King, Student in Care

Craig Avents—A member of Macedonia United Church of Christ. Held standing in the Disciples of Christ Church (not Campbellites). Was ordained by said church and is seeking standing in the UCC as a licensed minister. Recommend the granting of same. The Macedonia Church request same.

Marianne E. MacCullagh of the Christian Church Uniting request student in care. Will enroll as a minority student at Norfolk State University in January. Recommend granting of same.

Jean Davis Comer request direction in pursuit of ordination. (Not recognizable in Holy Neck Church of Christ, Rober, N. C. where she holds membership. Meets all the approved educational requirements of the UCC. She is presently a chaplain resident at Maryview hospital in Portsmouth, Va. She is not a member of a UCC church therefore no action taken. Suggested that she become acquainted with UCC/worship experiences at Christian Temple and Union UCC—both near her place of residence.

Reuben Askew is to facilitate and chair a meeting to be held for the purpose of discussing initiatives, programs and actions to strengthen the EVA, to nurture unity, and to rekindle the ties that bind.

Respectfully submitted,
Commission on Church and Ministry

EASTERN VIRGINIA ASSOCIATION CHURCH LIFE AND LEADERSHIP REPORT

The Lay Life and Leadership Commission failed to be as active in 1991 as it has been in the past. The Commission has been active at the Conference level. As chairperson, I participated in the planning of the IDEAS workshops that were held at Franklinton Center and Blowing Rock. Tommy Long and I were the facilitators for the workshop at Franklinton Center entitled “Lay and Clergy In The Local Church”.

There are hopeful expectations that the Commission will be more active both at the Association and Conference level in 1992. The Commission will be attentive to any input or suggestions that might enhance the work of the Commission and to strengthen the work of the Laity and Clergy.

Respectfully submitted,
Eddie Walker, Chairman

EASTERN VIRGINIA ASSOCIATION REPORT OF CHURCH WOMEN

Greetings Sisters and Brothers,

The Eastern Virginia Association of Church Women is alive and well.

We survived G.S. 18! The support was overwhelming. Cookie and hospitality bags came from all quarters. Thanks to all of you who volunteered. Wasn't it fun?

We participated in many activities other than Synod in 1991. Our Spring Rally was April 2 at Oakland UCC—Chuckatuck. There was good attendance and good fellowship. This was followed by Synod June 26-July 2 at Norfolk Scope, Summer Conference July 14-16 at Catawba, and the Fall Enrichment at Wesley Grove September 14, in Newport News. These events were filled with dynamite speakers and Christian love. Upcoming is Regional Meeting at San Pedro, Florida. The Spring Rally, 1992 will be held at Bethlehem UCC, Holland Road on Tuesday, April 21. We ask pastors to encourage the women of their church to attend these important activities in the life of the church. Send several to the Leadership Training Workshop. This will be on Saturday, October 4 at Zion Bethel in Portsmouth.

This is my last report as President of E.V.A.C.W. After six years I pass the gavel to the capable hands of Mrs. Katie Knight.

Shalom,
Doris Hartzog

EASTERN VIRGINIA ASSOCIATION
CHRISTIAN MISSIONARY ASSOCIATION

Since the last Eastern Virginia Association Conference the Christian Missionary Association (CMA) Board of Directors have met five times. The membership (all churches of EVA) met for their Annual Meeting Thursday 19, September at Laurel Hill Church. Actions at the CMA Annual Meeting were as follows:

- (1) \$5,000.00 grant was voted to the Lynnhaven Colony Congregational UCC Church.
- (2) A cap of \$25,000.00 was approved for the CMA Treasury. (Funds in the Treasury could not be drawn below \$25,000.00).
- (3) Rev. Samuel Askew was voted as the replacement for Mrs. Nancy Barnes on the CMA Board of Directors.

Rev. Reuben Askew, Director incumbent, and Mr. Zenos Landis, Director incumbent, were both voted to serve a second term as members of the CMA Board of Directors.

During the year since the last EVA Conference, the CMA Board of Directors have been active in supporting the search for a minister to lead the new planned church to be started in the Virginia Beach Municipal Center area. It was reported at the Annual CMA meeting held 19 September that Rev. Cope from Pennsylvania had accepted the call to start work on the formation of the new church.

Further, CMA has in Escrow \$150,000.00 to help with the start of the new church. The 1991 Fiscal Report of the EVA CMA is part of this report.

Over \$3,000.00 was received from churches at the 1991 Annual meeting of CMA. More will be forthcoming since all churches could not hold CMA Sunday on the 15th of September.

The CMA Board of Directors look forward to 1992 with hope and vis-

ion of growth and progress throughout the EVA churches. With the help of all congregations throughout EVA this can become a reality.

The Board is most grateful to all who have supported the cause of CMA in the past. Together we can move forward and accomplish great things for God's churches.

God Bless.

Respectfully submitted,
James K. Ramborger, President

EASTERN VIRGINIA ASSOCIATION
THE FUTURE OF CMA

We have come from all over Eastern Virginia, to sit in this good

and lovely place. We come from different and differing, united and uniting roots, bringing with us a plethora of perspectives on the ministry of the Christian Missionary Association.

We gather to give honor, response and witness to the rule of God in our world. We gather to be at risk before the Holy Spirit, and to name above every name, Jesus Christ, the only begotten son of God, the word made flesh, the word of life.

I'm to speak this evening on the future of CMA. **Where Are We Going?** Someone has said that if we don't know, then we will not know when we get there.

In a day when the health of the world, human development, peace, justice seems all stalled in numbers of ideological standoffs, when world wide fiscal systems that effect everyone alive for good or ill seem most fragile, where cultures of abundance and poverty live side by side, a day of rampant lifestyle of privatism, withdrawal, survivalism and equality rampant individualism being lived out in our time, we were called out to ask where are we going?

Here we sit, called of God to make alive the message of Christ, **And I, If I Be Lifted Up, Will Draw All Men Unto Myself."** So where are we going?

1. We can come to terms, through hard work for the next decade or more, with these words of our master, to demonstrate the nature and purpose of the church, in company with each of our churches and with particular sensitivity for the need of unity and mission. The **CMA** can do that!
2. We can mature to greater faithfulness in our covenants, especially revitalizing the covenantal life between local churches. We need to claim and experience kinship with each other. The **CMA** can do that!
3. We can become engaged in broad planning, economically utilizing our limited resources to reach specific goals, thus achieve what has for far too long eluded us. The **CMA** can do that!
4. We can plant new churches—more than one in 30 years. We can bring the good news of Christ and introduce Christian Community where it has not been. Becoming, as God helps us, not only a church **for** the poor, but a church **of** the poor.
5. We can be pioneers in witnessing the meaning and practice of ministry for a new age for the church. An age when we can celebrate the gifts of the spirit in women, men and youth and be compassionately aware of the need, the hurt, the pain of other churches located in our Eastern Virginia Association.

Thus the future of our CMA is that we become an **enabler** . . . a sower of the seeds for unity, caring, fellowship among our churches.

And for these things I place my hope, my prayers and ministry.

Amen.

The Future of the CMA printed on the other side is the manuscript the Rev. Reuben Askew used when he addressed the Christian Missionary Association's annual meeting September 19th held at the Laurel Hill United Church of Christ. Those in attendance were both impressed and

genuinely moved by Rev. Askew's address. They asked that the address be widely distributed within the EVA. From time to time Rev. Askew departed from his prepared text to appeal to our hearts, our minds, our spirits, and our histories as he called us forth to the future to be about what God is calling us to accomplish here in the EVA.

EASTERN VIRGINIA ASSOCIATION
REPORT ON CAMP BRETHREN WOODS

Fifty-five campers attended Camp Brethren Woods during the week of August 11th. Of that number were 20 campers and 3 counselors from Eastern Virginia. The cost was \$110.00 per camper and counselor. There was a complete staff of 10 persons including the Rev. Keith Snow and the Rev. Sam Askew who co-directed the camp. Two counselors from EVA were Patricia Watkins of Hunterdale UCC and Forest Guthrie of Suffolk Christian Church. The cost to EVA will be approximately \$800. Final figures will be available shortly.

The intention is to continue the joint Shenandoah-EVA camp next year. Furthermore several Jr. High campers are concerned as to where they might go when they become Sr. Highs. Presently we have no camping available.

As always there is a need for more personnel to serve as counselors from EVA. I thank those churches which provide scholarship aid to each other from EVA. Because the Rev. Linda Kay Stone is moving, the new Association Minister, Robert Stainback, should be contacted as to next years camp as soon as possible and the Brethren Woods director should be contacted to secure next years date.

This camp is not sponsored by the Southern Conference at present. If the EVA Board of Directors would like it to be, the board should request such action from the Commission on Education of the Conference. This action may result in our being able to use the paid staff that usually works at Johns River.

OF THE UNITED CHURCH OF CHRIST

WHEREAS, the Constitution of the United Church of Christ in its "Preamble" clearly states that this church "looks to the Word of God in the scriptures" and is guided by "the basic insights of the Protestant Reformers".

WHEREAS, the Scriptures unmisunderstandably consider homosexuality a sin and abomination, and the Protestant Reformers take a definite stand against it. (Romans 1:24-27; Genesis 19:1-13)

WHEREAS, the United Church of Christ in direct defiance of her own constitution affirms homosexuality as an "acceptable alternate lifestyle,"

WHEREAS, the Board of Deacons of the United Congregational Christian United Church of Christ in Portsmouth, Virginia, took a stand against ordination of selfconfessing and practicing homosexuals.

WHEREAS, we do not consider it a greater sin than any other sin, but definitely contrary to biblical intent and imperative.

WHEREAS, we cannot, in clear conscience, go along with anyone who tries to elevate a sin to the plateau of virtue or try to make it the standard of Christendom.

WHEREAS, in liberty of conscience and in harmony with our historical heritage and with the biblical understanding and interpretation of Pilgrim and O'Kelly heritage which we came from.

WHEREAS, we do have a definite biblical mandate to warn our brethren if we see them go astray.

THEREFORE, BE IT RESOLVED, that we of the United Congregational Christian United Church of Christ of Portsmouth, Virginia, prayerfully and respectfully overture the Eastern Virginia Association of the United Church of Christ.

1. To be faithful to the United Church of Christ Constitution and historical heritage.
2. To prohibit the ordination of self-confessing and practicing homosexuals in our association.
3. To not grant ministerial standing to professing homosexual ministers transferring from another association into the Eastern Virginia Association.
4. To give guidance to our churches consistent with the Constitution and Bylaws of the United Church of Christ and the Word of God in the Scriptures.

This overture was composed by the Board of Deacons and affirmed by a special called meeting of the United Congregational Christian United Church of Christ, Portsmouth, Virginia, on September 8, 1991, to be presented to the Eastern Virginia Association of the United Church of Christ.

RESOLUTION "AFFIRMING GAY, LESBIAN AND BISEXUAL PERSONS AND THEIR MINISTRIES"

91-GS-67 Voted: The Eighteenth General Synod adopts the Resolution "Affirming Gay, Lesbian and Bisexual Persons and Their Ministries" as amended.

AFFIRMING GAY, LESBIAN AND BISEXUAL PERSONS AND THEIR MINISTRIES

WHEREAS, in the words of the apostle Paul, we know that "the whole creation has been groaning in travail" and we, too, feel these pains as we struggle to grow in our understanding of human sexuality;

WHEREAS, the actions of General Synods 10, 11, 14, 15, 16 and 17 have supported human rights of all persons in church and society, regardless of sexual orientation;

WHEREAS, lesbian, gay, bisexual persons and their families have shared their gifts for ministry throughout the church, and through their stories and ministries the United Church of Christ has come to a deeper understanding of the diversity of God's creation and the inclusiveness of God's call.

THEREFORE, BE IT RESOLVED, the Eighteenth General Synod boldly affirms, celebrates and embraces the gifts for ministry of lesbian, gay and bisexual persons, and faithfully continue to work for justice in our church and society.

BE IT FURTHER RESOLVED, the Eighteenth General Synod calls upon local churches, associations and conferences to adopt an open and Affirming policy. (i.e. a non-discrimination policy and a covenant of openness and affirmation of persons of lesbian, gay and bisexual orientation within the community of faith. CF: General Synod 15.)

BE IT FURTHER RESOLVED, the Eighteenth General Synod urgently calls upon local churches, associations, conferences to engage in a disciplined dialogue in which the biblical and theological foundation for congregations to be open and affirming of gay, lesbian, and bi-sexual persons are prayerfully discussed in light of the teachings of Jesus Christ and our Christian vocation to live as communities of grace and reconciliation. The instrumentalities are requested to provide study resources for the United Church of Christ.

BE IT FURTHER RESOLVED, the Eighteenth General Synod calls upon local churches, associations and conferences to extend their welcome and support openly lesbian, gay and bisexual students in-care, and to facilitate the ordination and placement of qualified lesbian, gay and bisexual candidates.

FINALLY, the Eighteenth General Synod invites all persons of the United Church of Christ to experience the struggle and joy of the journey towards openness and affirmation of all lesbian, gay and bisexual persons as children of God in the community of faith.

**MINUTES OF THE
WESTERN NORTH CAROLINA ASSOCIATION
TWENTY-FOURTH ANNUAL MEETING**

October 8, 1991

The Western North Carolina Association assembled in Trinity United Church of Christ, Concord, NC, for worship beginning at 9:45 a. m. The Reverend Dora Atlas, retired pastor of First Congregational UCC, Asheboro, NC, delivered the sermon. The sacrament of Holy Communion was celebrated. The offering from this service which amounted to \$335.00 was given to the Caring Program for Children which provides health insurance for uninsured children in North Carolina.

The business meeting was called to order at 10:45 by Dr. George Gay, Jr., President of the WNCA. The Reverend Phillip Myers and Mr. Don Howell of Trinity Church extended the welcome to the Association members.

Dr. Gay defined the Bar for the House as the main floor of the sanctuary, and appointed Dr. G. Melvin Palmer as Parliamentarian.

A change in the agenda was presented by Dr. Gay to consider a resolution presented by the Biblical Witness Fellowship prior to the Associate Conference Minister's Report. Motion made and passed that this change be made.

Dr. Richard A. Cheek, Associate Conference Minister, then introduced the guests who were present for the meeting. Among many guests were The Reverend Ricardo Epilango, General Secretary of the Evangelical Church of Angola, and The Rev. Elias Isaac, a local church pastor.

The report of the Credentials Committee showed the attendance as follows: 81 lay delegates, 88 clergy, and 23 visitors, for a total of 192 persons.

The report of the Secretary, Jackie Frye, was then presented and motion made and adopted that the 1990 minutes be approved as printed, that the actions of the Church and Ministry Committee be ratified and the action of the Board of Directors to fund two Youth Events in 1992 be ratified. This action provides \$1,100 for the National Youth Event, and \$2,800 to help underwrite some of the costs for WNCA youth going to Germany as part of our partnership with churches of the ECU.

The Rev. Nelson Weller presented the report of the Nominating Committee. As there were no nominations from the floor, a motion was made, seconded, and passed that the report be accepted as given. (Exhibit No. 1)

Mr. Roger Younts, Treasurer of the Association, then presented his report, including contributions through August 25th, church contributions through August 25 and Proposed Budget for 1992. See Exhibit 2A, 2B and 2C.

At this point special recognition was given to the Rev. Richard Jackson on the occasion of his 50th Year of Ordination. The Rev. Frederick Kurkowski, pastor of Congregational UCC, Tryon, NC, and successor to Rev. Jackson, made appropriate comments relating to Rev. Jackson's

outstanding ministry during 50 years. Dick Cheek, Associate Conference Minister, then presented a special certificate on behalf of the Association.

The Rev. Robert Thompson, Pastor of Emanuel UCC, Thomasville, NC, and President of the Biblical Witness Fellowship of Southern Conference, was recognized and presented a resolution. (Exhibit No. 3). An amendment to this resolution was then presented by Dr. William C. Smith, Jr., retired pastor of Congregational UCC, Greensboro, and President of the Southern Conference. (Exhibit No. 4). A lengthy discussion and debate ensued.

The Order of the Day was called, at which time Dick Cheek made his Annual and final Report prior to his retirement, effective October 31, 1991. (Exhibit No. 5). His report, in addition to the usual facts and figures, was in the form of an address entitled: LET ME SHOW SLIDES, his slides being word pictures of various aspects of our life together in the Western Association, namely that "we are in this ministry together and we all must make our contributions to the total life of the Association and larger church in the name and service of Jesus Christ."

Commission reports were given as follows:

Black Church Development Commission. (Exhibit No. 6).

Christian Social Ministries Commission. (Exhibit No. 7).

Church and Ministry Commission. (Exhibit No. 8A & 8B).

Christian Education Commission. (Exhibit No. 9).

Evangelism Commission. (Exhibit No. 10).

Stewardship Commission. (Exhibit No. 11).

Church Women of WNCA. (Exhibit No. 12).

Churchmen's Fellowship of WNCA. (Exhibit No. 13).

The body then adjourned for lunch which was served in the Fellowship Hall of First Presbyterian Church of Concord, located across the street from Trinity Church. During the lunch Dr. George Gay and President-Elect Mr. David Roberts, presented to Dick and Pat Cheek a lovely painting (by Rev. William Griffiths, one of our clergy on behalf of the Association). Mrs. Jackie Frye also presented to Dick Cheek a plaque appropriately engraved expressing the appreciation of the Association for his 7½ years as Association Minister.

After lunch the Order of the Day included an update on the United Church Retirement Homes campaign by Dr. Donald Flick, Executive Director. Dr. William C. Smith, Jr., President of Southern Conference, then expressed appreciation to the Association for help during hosting of the General Synod, and made other comments concerning the life of the Association and Conference.

The discussion concerning the two resolutions was resumed with considerable and intense discussion between opposing views.

A motion was made that this matter be tabled until the next meeting of the Association and that the President of the Association appoint a committee made up of persons from both points of view for the purpose of developing ways and means for this matter to be discussed in forums prior to its coming to the floor again. Said committee was appointed that day and included: Rev. Robert Thompson, Mrs. Dorothy Cornelius, Rev. Cliff Moone, Rev. Charles Vaughan, Dr. William C. Smith, Jr.,

Dr. Thomas Mann, Mrs. Addie Luther, Rev. Lynn McDowell, Dr. Rollin Russell and Mr. David Roberts.

The feature program as presented in the agenda to be in the form of a Town Meeting was again modified to exclude the showing of a video on the United Church of Christ (due to time limit). The remainder of the program was presented as planned and included presentations by The Rev. Ervin Milton, Southeast Associate for the Office of Church Life and Leadership, The Rev. Raymond Hargrove, Conference Associate for Black Church Development, and Dr. Rollin Russell, Conference Minister.

During the brief second business session the election of those nominated by the committee was affirmed, the 1992 budget was approved as presented.

“A TESTIMONY OF FAITH”
A RESOLUTION FOR CONSIDERATION BY THE
WESTERN NORTH CAROLINA ASSOCIATION

1. WHEREAS, many theological winds have blown across and within our Church in recent times, and
2. WHEREAS, the United Church of Christ includes a great diversity of historical, ecclesiastical, and personal backgrounds, and
3. WHEREAS, individuals, churches, and regional bodies have freely and publicly expressed their convictions, and
4. WHEREAS, we in the Western North Carolina Association of the Southern Conference cherish our commitment to our theological heritage,
5. THEREFORE BE IT RESOLVED THAT the Western North Carolina Association of the Southern Conference of the United Church of Christ affirms the following as a testimony of faith, a witness of beliefs which are held by many among us:
 - a. That the Bible is the primary and authoritative source book for

matters of faith and practice. All other sources of knowing stand under the judgement of the Scriptures.

b. That God has revealed himself to us as one God in three persons: Father, Son, and Holy Spirit. Our commitment to the teachings and example of Jesus Christ allows us to embrace this traditional trinitarian expression of God.

c. That faith in Jesus Christ is the only way of salvation. The church has an ongoing responsibility to witness to all persons concerning the uniqueness of the gospel of Jesus Christ as the hope of eternal life.

d. That the church should base its sexual ethnics on the clear teachings of the scriptures. Homosexual acts, adultery, and pre-marital sexual relations all are examples of violations of the divine plan, and thus constitute sinful behavior.

Respectfully submitted:

The Southern Conference Biblical Witness Fellowship encourages local churches and their governing boards to discuss this proposed resolution in advance of the Association annual meeting, and to attend and express their viewpoints.

(EXHIBIT NO. 4)

TO: Delegates, Western North Carolina Association

SUBJECT: An amendment to the proposed resolution,

“A Testimony of Faith”

In the spirit of love for all of God's children, and in faithfulness to Jesus' call for us to all be one (John. 17:11), it is proposed that the following substitute for subsections a, b, c, and d under paragraph 5 (Therefore be it . . .):

We believe that Jesus Christ is the son of God (Matt. 16:16) and Saviour (John 1:29), that He is the Word of God in human flesh (John. 1:14). He is the image of the invisible God, the first-born of all creation (Col. 1:15), and in Him the fullness of Deity dwells bodily (Col. 2:9).

Scripture bears witness to Him (John. 5:39) when interpreted by His life and teachings (Luke 24:27, 32). Therefore the Holy Bible is the primary, authoritative source book for matters of faith and practice, subject to the mind and spirit of Christ.

Through Jesus Christ we have access to the Father through the Spirit (Eph. 2:18), thus experiencing the Triune Being of God, who has created, redeemed and sustained all things.

All humankind has sinned (Rom. 3:23) and offended the holiness of God, thus deserving death (Rom. 6:23). However, through the grace of the self-offering of Jesus Christ we are saved through faith (Eph. 2:8-9) and brought into eternal life (John. 3:16).

All of our sins, physical as well as spiritual, are an affront to God (Rom.

1:18-32). Nonetheless, by the grace of God we are called to lives of physical purity (1st Cor. 6:19) and to bearing the pure fruits of the spirit (Gal 5:22).

We are created in Christ Jesus for good works (Eph. 2:10) and these are continuous with those Christ performed in the days of his flesh (Luke 4:18; Matt. 25:31-46). We are therefore to judge ourselves in comparison with the standard of Scripture (Matt. 7:1-5) and to leave to God the judgment of others (Rom. 14:10).

In the midst of diversity within the community of Bible-believing Christians, we are called into Unity in Christ, who has broken down the middle wall of partition and made us all one (Eph. 2:14). The love of God, revealed in the Gospel and in our life together in Christ, is the Good News we bear to a violent, selfish and hopeless world.

Respectfully submitted,
Dr. William C. Smith,
President of the Southern Conference

WESTERN NORTH CAROLINA ASSOCIATION
ASSOCIATE CONFERENCE MINISTER:

The two most difficult reports to write are the first one and the last one! Seven years ago I wrote the first and now with retirement scheduled for October 31, 1991, I write my last. However, the first and the last, as well as the five in between, all have at least one thing in common . . . they are written with a deep sense of appreciation for the privilege of having served as Associate Conference Minister for the Western North Carolina Association. I only hope you can in some way sense the joy that Pat and I have rejoiced in during these years in your midst.

My heart overflows with praise and gratitude to God for having called me into ministry when I was in the 9th grade in school, having seen me through college, seminary and 41 years of active ministry. Pat and I have been blessed beyond measure always and in all ways.

It would be impossible for me to list the names of people who have been a blessing, nor is it necessary, for each of you in your own way have been a part of our life. Nevertheless, I would want everyone to know the tremendous joy it has been to work with other staff members of the Southern Conference, to be a part of a team effort, to pray with and share support for each other. Nor could I miss saying another word of deep appreciation to Jo Carpenter, the faithful, efficient and delightful secretary of the WNCA office.

On the pages that follow you will find some statistical information which is always a part of my report. Please note that every item has a name or a group attached to it . . . for statistics in this report always represent people.

While I am retiring from this position officially on October 31, it appears that I will continue to do some of the work on an interim basis, especially working with churches in the process of seeking pastors, until

my successor is chosen and perhaps on the field. My hope is that this will not be more than a month or two.

As of this writing, my successor has not been chosen. Whoever she/he is, I can only wish for them the same support, love and concern which has been heaped upon Pat and me during these years. My successor will bring his/her own gifts and strengths to this position, probably different from mine, which will thus add new dimensions to the life of the Association. It is exciting to contemplate.

Again, thank you for the privilege and honor of serving you.

Yours in Christ,

Richard A. Cheek

**WESTERN NORTH CAROLINA ASSOCIATION
BLACK CHURCH DEVELOPMENT COMMISSION**

The Western North Carolina Association's Black Church Development Commission has gotten off to a good start. We have met on a regular basis. During these meetings, we have been able to define our purpose, set some short as well as long range goals and develop strategies for the implementation of training and development sessions. The Commission is working in conjunction with the Conference Associate for Black Church Development in identifying the needs of African-American congregations in the WNCA as well as congregations that have the potential of becoming "fully developed" churches.

We have set stewardship development in the local church as a goal. One of the ways we are helping to educate congregations in the area of stewardship is through training sessions in district and/or 5th Sunday gatherings. We are also helping with the coordination and implementation of the National Black Church Development Program here in WNCA. It is a national program of church development jointly sponsored by CRJ/MRSJ/UBC/UCBHM. It involves local African-American congregations coming together annually for training/resource sessions, usually with national staff leadership, in the areas of church growth and development, stewardship, leadership development, etc. Follow-up sessions are conducted throughout the year by Association and Conference staff.

We also plan to help increase the involvement of pastors and local African-American congregations in the life of the Association, Conference and National Church. I have been informed by Raymond Hargrove that the WNC Stewardship Commission is planning a workshop sometime in November. The WNCA Black Church Development Commission will support this workshop.

**WESTERN NORTH CAROLINA ASSOCIATION
CHRISTIAN SOCIAL MINISTRIES COMMISSION**

This commission has been very busy carrying out the mandates of the

Board of Directors of the Western North Carolina Association.

We sponsored the Domestic Violence Workshop for Clergy and key leaders which was very informative. This workshop was funded by a grant from the Coordinating Center for Women. The evaluations were very positive and supported our belief that our church leadership does deal with family and domestic violence issues.

Our major focus this year has been elimination of the duplication of resources by associations. Western North Carolina Association Christian Social Ministries Commission along with the Commission in Eastern North Carolina established a proposal to work across Association boundaries to share expertise in the area of racism while Western North Carolina would help in the area of women and children's issues. Specifically, Eastern North Carolina would: meet with interested ministers and key lay leaders in the Greensboro area to promote and plan pairings of black/white groups for dialogue and workshop during the month October 1991 and/or April 1992 tentatively. They would also meet with pastors and key lay leaders in the Rowan, Iredell and surrounding counties which have been identified as having a significant amount of white supremacist activity. We also plan to encourage churches to break through ethnic/cultural barriers by holding joint services during holiday seasons and promoting and planning a Conference-Wide Race Relations Sunday Worship Service.

In return, Western North Carolina Commission will offer leadership/workshop/conference on Family Issues in the Eastern North Carolina—possibly Triangle area.

Goals for 1991-92: To promote a workshop on "How to Process Appeals For Help". How do pastors determine whether an appeal is genuine? Where does he/she go to find appropriate help? The tentative date is October 22, 1992 in the Lexington, NC area. Commission member Mike Aiken has agreed to conduct this workshop.

Western North Carolina is committed to those programs that will address the social concerns of our local congregations and the total community and together find solutions.

Chairperson

WESTERN NORTH CAROLINA ASSOCIATION CHRISTIAN EDUCATION COMMISSION

The Commission on Christian Education met on Sunday, November 11, 1990 at 3:00 P. M. at First UCC. The work of the Southern Conference Commission on Christian Education was reviewed by Dr. Richard N. Rinker. The following are areas of ministries for the Southern Conference Commission:

Family Life Committee: Sex Education and Concern over the growing Increase of Teenage Pregnancies

Youth Ministry Committee: Hosting Springboard Youth Event before General Synod in Norfolk; Youth Ministry Committees: Hosting Springboard Event before General Synod in Norfolk; Youth Leaders' Retreat at BRAG and Franklinton Center; Confirmation Retreat at BRAG and Church Membership Retreat at Franklinton Center and AIDS Education

Church School Committee: SEEDS Project to survey local churches on Christian Education needs

Outdoor Ministries: Southern Conference Camps; Host German Students from Evangelical Church of the Union in the Rheinland

Resourcecentre: Resources available to local churches for use

The Family Enrichment Retreat at BRAG over Memorial Day Weekend, 1990, sponsored by the Commission was evaluated positively. It was agreed to sponsor another Family Enrichment Retreat at BRAG over Memorial Day Weekend, 1991. Unfortunately, this event was not held due to the lack of leadership for planning and implementation.

The WNC Youth Rally at Catawba College was well attended and highly evaluated. Another Youth Rally will be planned for the Fall, 1991 or Winter, 1992.

During the year, Ms. Sandra Canipe resigned as the Chair of the Commission and Rev. Larry Bolick appointed Chair by the Executive Committee. Ms. Canipe is to be commended for the fine work she has accomplished for our Commission, and her leadership will be greatly missed.

Two major events for youth are coming up during the Summer, 1992. The National Youth Event will be held July 9-13, 1992 at Beloit College,

Wisconsin. At this time, Southern Conference will be able to send 34 youth and adults. Secondly, we will be sending 16 youth and 4 adults for four weeks to Germany as part of our partnership with the Evangelical Church of the Union in the Rheinland. Our Youth will spend two weeks at a Church Retreat Center, one week in the home of German families in Wuppertal, Germany and one week in Berlin from July 16-August 15, 1992.

A proposal from our Commission will come before the Association for financial support of these two projects.

Respectfully submitted,
Rev. Larry Bolick, Chair
Commission on Christian Education

WESTERN NORTH CAROLINA ASSOCIATION
EVANGELISM COMMISSION REPORT

"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."
—Acts 1:8

POWER! That's what your Commission on Evangelism has been about this year in our work. We have been focused on becoming empowered to do the very best job possible in what we have been given to do. God has blessed us with this power, just as God's promise given in Acts 1:8 states.

Our campaign for greater power and energy focused on three major areas.

1. We wanted greater energy and power from the commission itself, with the members exercising more power and energy in their work. You elected a good group, for all have participated and contributed much to our work. Our attendance at meetings and the interest level have both increased.
2. We sought greater power and ability to get back into touch with you, the members of the Association. The commission has been meeting in local churches, and committees from these local churches have been of greater help to us in planning and programming.
3. We desired greater power and effectiveness in providing you in the Western N. C. Association the needed and useful resources to help you in your work of sharing the Good News of Jesus Christ. We are planning church cluster meetings in each program district to share with you some resources to help you in your ministry of evangelism visitation. These meetings will help us learn some good ways of being moved to action in reaching out to folks in our communities.

The schedule for these cluster meetings is as follows:

Sunday, October 20: Randolph and Catawba Districts

Sunday, October 27: Guilford and Davidson Districts

Sunday, November 3: Rowan District

(Dates involving two districts will have a meeting in **each** of the districts on that date.)

Thank you for all you have been doing to support us in our work. God's blessings are upon us as we seek to be faithful in this work. May the blessings of your prayers and ideas and energies also be ours as we do the work of our Lord in our association.

Respectfully submitted,
Dale Kennedy, Coordinator

WESTERN NORTH CAROLINA ASSOCIATION
STEWARDSHIP COMMISSION REPORT

First, the GOOD NEWS—25 churches in WNCA met or exceeded their OCWM Challenge Goal for 1990. These churches are:

Albemarle, Con. Christian UCC	High Point, First CC
Asheville, First Congregational	Lexington, St. Andrews
Belews Creek, UCC	Liberty, Beulah
Cana, VA, Rocky Ford	Liberty, First
China Grove, Mt. Zion	Maiden, Salem
Concord, First	Monroe, Christ
Concord, New Gilead	Pfafftown, UCC
Fancy Gap, VA, Elk Spur	Sedalia, Bethany
Greensboro, Congregational	Thomasville, Zion
Greensboro, Peace	Whitsett, Mt. Hope
Greensboro, St. Stephen	Winston-Salem, Bethany
Hendersonville, First	Winston-Salem, Memorial
	Winston-Salem, Parkway

Your Stewardship Commission expresses heartfelt thanks to these churches for their excellent financial support to OCWM for 1990. We trust this support will continue into 1991!

Now the BAD NEWS—90 churches failed to meet their OCWM Challenge Goal for 1990, although 44 met goals they set for themselves. If your church is not listed above, your church falls into this group. Your Stewardship Commission strongly urges your church to take the necessary action to move from the BAD NEWS churches to the GOOD NEWS churches! "We thank you for your support!"

The fact of the matter is that the Southern Conference Budget for 1990 was not met. OCWM giving for the whole Conference only increased to 3.20%. WNCA increased only 0.03%; while ENCA increased 3.20% and EVA by 11.58%. Our Conference is underfunded! And only the OCWM giving by our local churches can make the difference. It is time for us to make OCWM a priority in our Benevolence Budgets.

Your Commission met several times during the year to: set OCWM Challenge and WNCA goals for Association churches; contacted churches that had not met their goals; and sent OCWM Appreciation Certificates to churches that met their goal in 1990.

Presently, your Commission, in cooperation with the Conference Stewardship Commission, is implementing a STEWARDSHIP VISITATION PROGRAM to the churches in the Association. We hope to visit at least 75% of our congregations. The purpose of this program is to present

the Biblical claims of stewardship in an effort to raise the level of consciousness of local church leaders. If your church has not responded positively to our invitation to participate, we hope you will reconsider, and, contact the Association Office of your decision to do so.

Respectfully submitted,
Bobby R. Bonds, Chairman
Stewardship Commission, WNCA

WESTERN NORTH CAROLINA ASSOCIATION
REPORT OF CHURCH WOMEN

We made history last year as we attended our First Summer Conference in Blackstone, Virginia. Susie Keele and Doris Hartzog, as program chairpersons, did themselves proud by planning a successful conference. I was proud of our attendance and wish to thank those who accompanied us there.

Our district representatives held workshops and I was able to attend two of them. Those that I attended were well planned and geared to meet the needs of their area.

The Fall Enrichment was held at Beulah United Church of Christ in Lexington, North Carolina, in September. Our Second Vice-President, Georgia Williams, had an impressive devotion. Rev. Yvonne Beasley, Associate Minister for the Eastern North Carolina Association, gave a dynamic speech on our theme, "Who Cares". She gave us ten ways one can show that you care. The attendance went beyond our expectations. The offering was given to Caring Program for Children.

I attended the workshop- "Removing The Walls of Racism In The Church" in September at Catawba College. I am happy to be a part of an organization that will address such issues. No conclusions were reached but our eyes were open to possibilities.

I attended the Executive Board meeting at Durham Holiday Inn in September to make plans for the year; the annual "All Commission and Board Meeting" held in Salisbury in October to review the past year, reorganization and setting course for new year; and attended the WNCA Twenty-Third annual meeting held in October at Beulah United Church of Christ in Lexington.

We are continuing to send out Newsletters three times a year to keep persons up to date and informed about issues that concern us. Our ongoing project is to give a scholarship to a person or persons annually from Nazareth Home. If there is not an available person there, we select a person from one of the other homes. Our other project was to sell cookbooks. We are grateful to those persons who have worked so diligently to sell them.

Thanks to all who have worked with me wholeheartedly to make our association what it should be, to help others and hold up Christian values in these trying times. May God bless each one of you with good health and happiness.

Respectfully submitted,
Elmira M. Polk, President

WESTERN NORTH CAROLINA ASSOCIATION
CHURCHMEN'S FELLOWSHIP ANNUAL REPORT

The Western North Carolina Churchmen's Fellowship is comprised of five districts: Catawba, Davidson, Guilford-Rockingham, Randolph and Rowan. During the 1990-1991 year each district met either semi-annually or quarterly to conduct the business for their respective districts. It appears that each district has been able to maintain a constant enrollment and meaningful programs throughout the year.

The Executive Committee which consists of the WNCA Churchmen's Fellowship officers, pastoral advisors, district presidents and the mission loan chairman met in February and April of this year to plan the annual meeting for the WNCA Churchmen's Fellowship, which was held August 23-25, 1991.

The theme of this year's program was entitled "Building Fellowship With Christ". The annual program was the responsibility of the districts with each district being responsible for a specific part of the program. The Catawba District was responsible for vespers on Friday evening August 23rd. The Rowan District opened the Saturday morning session with a presentation on "How Do We Sell Ourselves". The Randolph District followed with a very applicable and meaningful presentation on "How Do We Keep Membership" and the Davidson District closed out the morning session with a dynamic presentation entitled "How Do We Grow".

During the afternoon business session presentations were made by Shuford Abernethy of the UCC Retirement Homes, and Curly Stumb of Johns River Valley Camp. The WNCA Churchmen's Fellowship made a contribution of \$350.00 to the Retirement Home Fund Drive and decided each district would work at its own discretion to assist in a renovation project at Johns River. John Yeattes of the Guilford-Rockingham District was elected President, Joe Young and Wayne Frank were elected Vice-President and Treasurer respectively.

At the Saturday evening banquet a delicious meal was served by the BRAG staff. Dr. Cheek was recognized for his dedication to the ongoing efforts of the WNCA Churchmen's Fellowship and was presented with a Kennedy Rocker in recognition of his forthcoming retirement in October of this year. Jimmie Garner, the banquet speaker, blessed the group with a very moving evangelistic message.

Karl Hayes of the Guilford-Rockingham District led the group in the Sunday School worship and Rev. Van Grimes led the worshippers in church and communion service at the "Little White Church".

In conclusion we experienced great things in the past year and we are expecting even greater blessings through the Lord's leadership and that of the District Officers with support of each member of the fellowship.

Respectfully submitted,
Bob Wright, Immediate Past President

In 1991 the Board held subsequent meetings on January 12, April 17, June 8, and August 10. Business the Board addressed at these meetings included expectations, guidelines, and travel reimbursement issues pertaining to the Board; how to improve the effectiveness of Commissions; specific concerns of the Commissions; specific concerns of the ENC Associate Conference Minister; specific budget items; relocation of the ENCA Office; preparation for General Synod; and preparation for the ENCA 25th Anniversary Meeting.

Beyond ENCA Board Meetings and Southern Conference Board Meetings, your president served on the "Toward the 21st Century" Church-Wide Planning Process Task Force. Nine issues addressed by teams were Theological Reflections, Mission Theme, Justice and Peace Commitments, Membership Issues, Financial Development, Communication, Denominational Services to Pastors, Lay Leaders, and Local Churches, Leadership Issues, and Mutual Support of Conferences. Your President served on the Leadership Issues Team. She has shared information pertaining to the nine issues at three meetings: ENC Board of Directors, ENCA New Bern District Meeting, and Church Women United, Raleigh District.

This year two additional opportunities to serve came in the form of election to the Board of Directors, Elon Homes for Children and election to the Executive Council of the United Church of Christ (Class of 1997).

It was a delight to serve as emcee at the luncheon for retired ENCA clergy. Some of their experiences should be recorded to benefit those who could not hear them told personally.

Many thanks to all the ENCA Board Members and Rev. Beasley. Commendation for service we give to Rev. Ben Franklin (Vice President), Ms. Bettie Pulley (Secretary), and Rev. Reid Dickens (Treasurer).

Brenda F. Allen,
 President, Board of Directors

Dear Fellow-Member of the ENC Association,

There are a couple items of interest as you study this report and prepare for the annual meeting. 1) The top part of this page is the Summary Sheet for the Treasurer's Report. The pages that follow will explain further the report and submit a proposed budget for 1991-92.

Pages 2-3—Per Capita Dues received in 1990-91

Page 4—Expenses in 1990-91

Page 5—Proposed budget for 1991-92

The Board of Directors discussed two items, and recommended 1) Per Capita Dues remain at \$1.00 per member in 1991-92. Secondly, it is recommended that the offering taken at the annual meeting to the Care Program for Children, a ministry of the NC Council of Churches.

May God bless as we prepare for the annual meeting on October 5, 1991.

Respectfully submitted,

Reid E. Dickens, Treasurer

**EASTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE ASSOCIATE CONFERENCE MINISTER**

Dear Loved Ones:

Peace be unto you and grace from Jesus Christ. I thank God for each of you and am grateful to be in ministry with you. Your support, prayers, and friendship are invaluable to me and enable our Association to be an effective witness. On August 1, I noted the first anniversary of ministry in this capacity and the fifteenth year of my ordination. After numerous meeting, much travel and endless correspondence, I continue to be excited about the new and wonderful things that God is doing among and through us.

Last year, we encouraged you to support the 18th General Synod with an offering and volunteers. The response was overwhelming! The ENC Association was well represented and a majority of the churches baked cookies, made tote bags and were present. We will hold in our hearts the memory of the "Synod by the Sea". Thank you!

There has been much time spent with search committees and candidates for placement as churches have sought full or part-time pastoral leadership. During the year, 22 churches have conducted searches. Many churches have not followed a formal search process and have relied upon week to week supply ministry as a source of identifying candidates for the pastorate. We have developed a resource for search committees of small membership churches. Also, we are encouraging these churches to call an interim minister so that they may receive pastoral care, administrative services as well as preaching. The retired ministers are an invaluable resource in this regard. They are available and anxious to serve. We hope that churches will make greater use of their experience and wisdom.

We held a luncheon for retired clergy during this year. Sponsored by the Church and Ministry Commission, clergy and spouses had a wonderful time of sharing experiences, music and fellowship. Retired ministers served on the planning committee. They had such a great time that an encore is planned for 1992.

Naturally, women in ministry is a primary concern for me and the Board of Directors as well. This year we sponsored a clergywomen's retreat. Held during UCC Women's Week, the theme, "Strength for the Journey," encouraged the women to network, support each other's gifts and seek to participate more fully in the life of the church. Plans are underway for the retreat which is scheduled for February 1992. Lou Ann Parsons, a Christian Educator and missionary with the United Church Board for World Ministries was the consultant.

We are continuing to grow. Last year we welcomed Island Hill UCC into the Association. This year we are pleased that the membership of Broad Creek Christian Church has voted to become a member of this fellowship. Located in the New Bern area and pastored by Rev. H. O. Simmons, Broad Creek was founded in 1888. It has supported the work of the UCC and participated in ministry in the Association since its inception. We welcome the delegates and visitors who are present.

We are thankful to God for the lives of Rev. James Hooker and Dr. W. W. Sloan. They gave many years of service to this Association and we were saddened by their deaths. They blessed us with their gifts of love, faith, and service.

In closing, I want to express my sincere appreciation to those members of the Board of Directors who are retiring. Dr. Brenda Allen, President, Rev. Benjamin Franklin, Vice-President; Ms. Bettie Pulley, Secretary; and other outgoing directors who have given meritorious service and deserve our thanks.

Our theme "Onward and Upward: Together in Ministry" suggests that we have not reached our goal but like the Apostle Paul are challenged to press on, together-clergy and laity. "Lord plant our feet on higher ground." During the coming year, let us covenant to show greater love for one another and to walk and work together in the various ministries of the Association, Conference and Wider Church.

God bless you all.

Respectfully submitted,
Yvonne Beasley

EASTERN NORTH CAROLINA ASSOCIATION CHURCH AND MINISTRY COMMISSION REPORT

The Church and Ministry Commission of the Eastern North Carolina Association has been hard at work this past year. We have met just

about every other month and have usually had a full agenda before us. In addition to interviewing candidates for ministerial standing, the following tasks were accomplished by this Commission:

1. We held an In Care-Licentiate meeting in November at Laodicea UCC. At this meeting, a lecture was given by Dick Clodfelter from Lancaster Seminary and renewal procedures were explained.
2. Guidelines for an ENC scholarship were drawn up. Scholarship assistance is available to all individuals who are going to school with the idea of pursuing professional ministry. Four scholarships were awarded for the fall term.
3. A Retired Minister's Luncheon was held in April at Laodicea UCC. At this luncheon, we honored the retired clergy in our Association for their hard work, faithfulness, and dedication to the work of Christ.
4. We are working on strengthening the gifts of all those who have standing in our Association. Individuals seeking ordination are being encouraged to accomplish their educational requirements, either by attending college and seminary or by participating in the S.C.O.P.E. program. Those interested in Lay Ministry are encouraged to follow a course of study. Discussions are underway concerning how we can best review the standing of our ordained ministers. This is being done, not in an effort to purge rolls, but to strengthen the leaders and also the churches of this Association.

Before I conclude this report, I want to thank all of the members of this commission for their hard work and faithfulness. I am grateful for their devotion, dedication and prayers. You have a commission that deeply cares about the needs of the individuals who come before us and the churches they represent. As always, we are impressed by the high caliber of people the churches are sending us to examine for ministerial standing. You are all to be commended for the witness you make and the support you give to those who are called into the ministry.

Respectfully submitted,
Bob Barrows, Chairperson
Church and Ministry Commission

(EXHIBIT NO. 9)
EASTERN NORTH CAROLINA ASSOCIATION
CHRISTIAN SOCIAL MINISTRIES COMMISSION REPORT

The following people served on this commission: Rev. Ed Rawls (Chair), Ms. Vivian Wynn (Franklinton Center Representative), Rev. Dorcas Lohr, Rev. Angelika Koblenz, Ms. Marianne Smith, Rev. Al Campbell, Rev. Adner Batts, Jr., Mr. John Tote, Ms. Linda Dunn, Mr. Wilbur Dunston, Rev. Roosevelt Wilkerson, Mr. Bob Osborne, Ms. Marga Weatch, Ms. Mary Morrison (CSM Conference Representative), and Rev. Dave Barbour (CSM Conference Representative).

The Conference decided two years ago that the focus for the Eastern North Carolina Christian Social Ministries Commission would be combat

racism in our communities and working for great racial cooperation and understanding between our churches.

This past year was spent creating a model workshop that we could modify to any local situation where a white UCC church and an African American UCC church could come together for an afternoon to build great understanding between the churches, and to share models of possible ways these churches could work together and be a unique witness in their community. There were two workshops created, one for children and one for adults. The two workshops can be run simultaneously. These workshops have been completed and are ready to be used in any community that would be interested.

The first such workshop was held between The United Church of Christ of Cary and Good Shepherd United Church of Christ in November of 1990. The workshops for children and adults were very successful and the two churches have continued to find ways to work together since then.

The commission also reviewed "The Pastoral Letter on Contemporary Racism and the Role of the Church". We then wrote a letter in the Southern Conference newsletter reminding people of our unique opportunity as a multi-racial conference to respond to its mandates, especially that of white and African American churches finding ways to work together.

The Commission has also tried to broaden its focus. So in response to the health care crisis in America, the commission has planned a workshop on health care entitled, "A Look at the Problems in the American Health Care System", on September 21, at Pilgrim UCC in Durham.

In the coming year we plan to expand our agenda by cooperating with the drawing on the expertise of the Western North Carolina Association. In October we want to plan a workshop bringing together African American and White churches, specifically in the Greensboro area. And in January, we are inviting the Western North Carolina Association Christian Social Ministries Commission to come here to do a workshop on family issues.

In November of this year we plan to send a letter to all of the ENC Churches encouraging them to have a multi-racial service sometime during the Thanksgiving/Christmas/New Year season.

We are also interested in meeting with pastors where the Klan is active and doing a workshop on "What to do When the Klan Comes to Town."

I would like to thank all of my commission for their commitment, creativity, cooperation, and just plain hard work. They've driven long distances out of their concern and faith. It has been a privilege to work with such a group of people. I would especially like to thank Rev. Dorcas Lohr for her expertise and input.

EASTERN NORTH CAROLINA ASSOCIATION
ENC BLACK CHURCH DEVELOPMENT COMMISSION

The Eastern North Carolina Board of Directors voted to recommend the establishment of a Black Church Development Committee in 1989-90.

At the 1990 Association Meeting, the Board recommended a by-law change calling for the committee to be established as a commission of the Association. The recommendation was approved and the commission was included in the Association's budget; the Rev. John Williams was selected as commission coordinator.

During the year, the commissioners have met for orientation and goal setting. One of the short-term goals was to help inform, motivate and mobilize Black churches around General Synod and the fact that this is the first time that Synod has met in this Conference. We've tried to stress the educational value this event holds for members of local congregations and the importance of sharing our rich diversity with the "larger church." To this end, we presented to the Annual Meeting of the Conference a "resolution in support of GS-18" encouraging associations, districts, local church unions and local congregations to encourage and support in whatever way possible, individuals who wish to attend GS-18. The Annual Meeting Delegates approved the resolution.

The commission also made several recommendations to Associate Conference Minister for Black Church Development and Stewardship. One was that we design a resource that provides information on the history and purpose of Black Church Development in Southern Conference. That resource has been completed and is being shared with local congregations.

Another recommendation was that the commission, through the Associate Minister, carry out a concentrated program that focuses on the needs of the group of churches known as the "New Bern District." Over the past year, two training sessions focusing on lay and clergy development issues have been conducted in that district. We also selected the theme for the Black Church Development workshop at this year's "New IDEAS" event. The theme dealt with the ministry of the whole church and how we work together as lay and clergy in rendering service to the world.

The commission looks forward to continued service as we seek ways to assist local congregations.

EASTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE STEWARDSHIP COMMISSION

The Stewardship Commission has had a busy year. We mailed letters of Thanks and certificates of Recognition to churches for their OCWM giving. We have planned and worked on things to help our churches be better informed and more effective in their Stewardship.

Members have been trained and participated in a workshop to prepare us for our work with the local churches in their stewardship education and programs. You are encouraged to invite a member of this commission to your local church to present a workshop, speak at a service or meeting or assist you with concerns and needs you have about stewardship.

The Stewardship Commission is having workshops at the Annual

Meeting, so make your plans to participate in one of these. It will be a valuable learning experience.

We have much work to do in the next year and look forward to sharing much of it with you.

May God's blessings be with each of you as we strive together as stewards to faithfully manage all that God has entrusted into our care.

Rena Langdon

Stewardship Commission Chairperson

EASTERN NORTH CAROLINA ASSOCIATION REPORT OF THE EASTERN NORTH CAROLINA WOMEN

Indeed! This has been a very eventful year for the ENC Church Women. We have been kept busy and inspired. The main event, of course was the General Synod hosted by the Southern Conference and held in Norfolk, Virginia in June. Many ENC women attended and were participants.

The Women's Summer Conference was a great one this year, although attendance was somewhat low as compared to previous conferences. Joyce Myers-Brown, our keynote speaker, took us on her faith journey, in keeping with the theme "Words of Faith".

As I write, we are gearing up for our Fall Enrichment Meeting to be held at Liberty Chapel, Moncure, North Carolina on Saturday, September 21, 1991. Our project for the year is to present a "gift of love" through "Faith" to Nazareth Children's Home, Inc.

Rebecca Young, representative of the Raleigh District, held a very inspiring and informative district meeting at Red Hill UCC in August. Forty-four women were in attendance. Three churches from the Henderson District were represented. Doris Yeattes, Lisa Barrows, and Sarah Whittington, our "UCC Women of the Year" and Brenda Allen were our participants. Thanks to the women who attended and the host Church Women for the delicious repast following the meeting. We would like to solicit a representative for the Henderson District, as a vacancy still exists. Hopefully, someone will accept this position during the Fall Enrichment Meeting.

Again this year, we are excited about the Southern Regional Conference in Winter Park, Florida on October 11-13. The theme is "To Dream A World". We are blessed to have the Lester Fund to supplement the transportation fee. This will cut cost tremendously. Perhaps this will be an incentive to our women to show support and appreciation of this fund.

As president, I was able to accept an invitation from the Women's Fellowship at Ebenezer UCC. Following a dynamic message delivered by Dr. Charles Thompson during the morning worship services, I spoke to the women. Thanks to Pearl Herring, President and her group for this opportunity and the extended hospitality of dinner at the Golden Corral.

The past two years have been busy for me. I do regret, however, not having been able to fill the vacancies that exist in our association. Hopefully, I can be of help to the new president in this area.

Many thanks to everyone for the support and encouragement given me during my tenure as president of the North Carolina Church Women—Eastern Association.

**TWENTY-FIFTH ANNUAL MEETING OF THE
CHURCH WOMEN OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST**

Tuesday, June 16, 1992

The twenty-fifth annual meeting of the Church Women of the Southern Conference was called to order at 3:30 p. m. by President Faye Humphrey. Susie Keele, First Vice-President, offered an opening prayer. President Humphrey then recognized special guests and those women missing from our midst since last year, namely, Dottie Hastie who with her husband has moved to Uplands Retirement Home; two of our members have died during the year; Mary Staley, WNC and Celestine Jackson, EVA.

Minutes of the twenty-fourth annual meeting were approved as printed in the Yearbook.

Treasurer, Beverly Poole presented her report. She had requested and received permission from the Executive Board to consolidate the three Lester Fund six-month certificates of deposit into one 30 month CD in Omnibank, Salisbury at a higher rate of 6½% interest. Also, the two six-month Lightbourne Fund CDs will be invested for 30 months. The treasurer's report was approved as presented.

Association reports were presented by Lisa Barrows, ENC; Katie Knight, EVA; and Elmira Polk, WNC. All reports were approved with the following addition to the EVA report: The Fall Rally will be held September 8, 1992 at Holy Neck UCC, Suffolk, and the Spring Rally will be held at Warwick UCC, Newport News.

Susie Keele, First Vice-President, gave her report on the updating of the Working Rules for a new printing. A motion was approved to accept the new additions (Numbers 1, 5, 6 & 7) to the compiled changes of the 1987 revised edition as printed in the Yearbook. The complete changes will be presented at the 1993 Summer Conference.

A proposed budget of \$8,274.00 for 1992-1993 was presented by the treasurer. It was approved.

Clarine Ingold, chairperson of the Scholarship Committee emphasized that renewals for the Lightbourne Scholarship should be mailed directly to her and new applications must be mailed to her for receipt no later than March 10. She also suggested ways to promote the purchase of life memberships for women or men, honor certificates for women or men, and memorials for women. President Humphrey expressed appreciation to Clarine for her dedicated service.

Cynthia Buckwell, Second Vice-President, gave her report which was approved as printed. There will be a Fall Leadership Training Event on October 23-24, 1992 at the Betsy-Jeff Penn 4-H Center near Reidsville, NC for all officers and district representatives. The expanded board will meet on Friday evening, and there will be workshops on Saturday.

Carlene Neese, Assistant Secretary, made a plea for a copy of the 1988 Yearbook and Program. The President will locate same for the scrapbook. Also, Carlene requested pictures and other materials relating to CWSC.

Doris Yeattes, advocate for UCC Women in Mission spoke about UCCWM and the importance of investing in COMMON LOT. A new brochure

was made available from UCCWM. The executive board of the CCW will have its annual meeting January 27, 1993 at an Episcopal site in Browns Summit. Those who live in the Greensboro area will be asked to help provide transportation. An invitation to part of the meeting will be extended to those who can help in this way. Doris Yeattes is president of the NC unit of Church Women United. Thelma Norfleet is president of a new chapter in Suffolk.

President Humphrey recognized Susie Keele as the Moderator of the Biennial Assembly meeting July 31-August 2, 1992 in Cleveland. Also recognized were the following delegates; Denise Smelley, WNC; Emma Dorsett, ENC; and Nora Ham, EVA. Minister Thelma Norfleet represents the CWSC on the Board of Directors of the CCW.

Lisa Corsbie Reece brought greetings from Johns River Valley Camp and gave a glowing report of the First Annual Mother's Retreat held last April. Fifty-six women from across the conference attended. The Second Annual Mother's Retreat will be held April 16-18, 1993.

The Nominating Committee Report was given by Margie Weavil, Chairperson. Three officers were nominated: President, Faye Humphrey (second term); First Vice-President, Susie Keele (second term); and Secretary, Ginny Bunn (first term). The report was approved, and these women were elected by acclamation.

The Reverend Dorcas Lohr shared her concerns of the clergy women in the Southern Conference. She had spoken to the executive board on June 14. There was discussion that the CWSC and the clergy women should develop a closer relationship. To begin this process, a representative will be invited to attend each other's board meetings. The general area of concern deals with the effective witness of all women in ministry both lay and clergy.

President Humphrey reported that Church Life Resources, previously published by the Office for Church Life and Leadership, will now be produced by the Coordinating Center for Women. A letter was drafted by Lisa Barrows at the request of the CWSC Executive Board and read at today's meeting. It was approved unanimously with two stipulations: (1) that the letter be reworded to reflect the unanimous approval, and (2) that a copy be sent to Minister Thelma Norfleet, chair of the committee on new program resources. A copy of the letter to Reverend Mary Sue Gast, Executive Director of CCW is attached.

President Humphrey referred to her report in the Yearbook. Application was expressed to all the officers and others who had worked so faithfully this year. Expressions of thanks came from former CWSC President, Julia Ann Williams and from Evelyn Graham for the cookies and tote bags made by the women for General Synod. Ms Graham requested cookie recipes for a booklet she plans to have printed for the next General Synod in 1993.

Lisa Barrows installed the officers in a very meaningful ceremony and was assisted by Elmira Polk and Katie Knight.

There being no further business, the meeting was adjourned.

Respectfully submitted,
Ginny Bunn, Secretary

RESOLUTION A JUST PEACE CONFERENCE

WHEREAS, the church is the body of the Risen Christ, the human vessel through which the Spirit moves to bring reconciliation, peace and justice to a broken and divided world, and

WHEREAS, the General Synod of the United Church of Christ has committed itself to be a Just Peace Church, actively working to bring reconciliation, peace and justice to all peoples; and

WHEREAS, of the many Conferences of the United Church of Christ, the Southern Conference is one of the few not to have officially proclaimed itself to be a Just Peace Conference.

BE IT RESOLVED THEREFORE that the people and churches of the Southern Conference of the United Church of Christ shall adopt the premises of the Just Peace Conference by:

1. Affirming diversity and inclusivity in faith expression within our membership.
 2. Affirming the Spirit utilizes channels both secular and religious.
 3. Working with people of all religious faiths to bring reconciliation, peace and justice to a divided world.
 4. Recommitting ourselves to the rich heritage of ecumenicity that is ours within the United Church of Christ, mindful that Christ calls us not to build or maintain a denominational institution but to witness to and participate in the realm of God.
 5. Confessing that we have participated in violence that has oppressed the earth, and have sanctioned and condoned unjust war.
 6. Affirming our calling to incarnate Just Peace in our lifestyles as individuals and corporate bodies through nonviolence in word and deed.
 7. Committing ourselves to shape our congregational life by worship, education and prayer so that members will be enabled and equipped to grow as peacemakers in their families, congregations and communities, and to work for social, racial and economic justice.
 8. Recognizing that one of the roles of the church is calling the state to accountability when it does not make justice a major priority.
- BE IT THEREFORE FURTHER RESOLVED that the Southern Conference of the United Church of Christ officially declare itself to be a Just Peace Conference.

THE COMMISSION ON CHURCH AND MINISTRY IN RESPONSE TO THE OVERTURE TO THE EASTERN VIRGINIA ASSOCIATION OF THE UNITED CHURCH OF CHRIST FROM THE PORTSMOUTH CONGREGATIONAL CHRISTIAN UNITED CHURCH OF CHRIST

We sympathize with the concerns raised in the overture to the 1991 Annual Meeting of the Eastern Virginia Association. We also recognize that those concerns raised are held by other congregations in our Association.

This response is an attempt on the part of the Commission on Ministry of the Eastern Virginia Association to set out the position and policy on the matter of gay and lesbian ordination to the Christian Ministry in our Association.

First, we must draw your attention to the fact that in matters of conscience it is not the tradition of the UCC to issue policy statements. With our congregational form of church government, of which we are very proud, such matters are best left to each individual congregation to act according to the dictates of its own conscience.

Secondly, we wish for your congregation to be aware that our Church and Ministry Commission is not a monolith. It is comprised of individuals with independent convictions on any given issue, including the issue of homosexuality. They have that right. This diversity of opinions does not make them less qualified to serve.

We can state, however, that, as a Commission, we have never knowingly ordained to the Christian Ministry anyone who was a publicly avowed homosexual. Ordination is an Association undertaking, but it is also carried out with explicit cooperation of the given congregation which the ordained is being set apart to serve. That being the case, the final acceptance of that minister lies with the local church. In the case where a minister is coming to the Eastern Virginia Association from another Association, or from another Denomination, our Church and Ministry Commission does play an advisory role. Here again, the local church will have to make the final judgment as to whether or not that minister is called.

No resolution that is adopted by the Eighteenth General Synod, or any other Synod, for that matter, obligates any congregation, individual, Association or Conference to cooperate in its implementation. All of us have the right to disagree with any or all actions of any General Synod including action relating to ordination.

We appreciate the fact that this matter has been brought into the arena of public discussion. On issues of such grievous and painful proportions, it is better for our church family to engage in healthy and reasonable dialogue. Frankly, we do not believe that there are any essential differences between the concerns raised in the overture regarding the homosexuality question and those held by the majority of the members of the Eastern Virginia Association. As a Commission, we always strive to maintain the unity of the Spirit "in the bond of peace."

EXHIBIT 7
OVERTURE TO THE EASTERN VIRGINIA ASSOCIATION
OF THE UNITED CHURCH OF CHRIST

WHEREAS, the Constitution of the United Church of Christ in its "Preamble" clearly states that this Church "looks to the Word of God in the Scriptures" and is guided by "the basic insights of the Protestant Reformers".

WHEREAS, the Scriptures unmisunderstandably consider homosexuality a sin and abomination, and the Protestant Reformers take a definite stand against it.(Romans 1:24-27; Genesis 19:1-13)

WHEREAS, the United Church of Christ in direct defiance of her own constitution affirms homosexuality as an "acceptable alternate lifestyle."

WHEREAS, the Board of Deacons of the United Congregational Christian United Church of Christ in Portsmouth, Virginia, took a stand against the ordination of self confessing and practicing homosexuals.

WHEREAS, we do not consider it a greater sin than any other sin, but definitely contrary to biblical intent and imperative.

WHEREAS, we cannot, in clear conscience, go along with anyone who tries to elevate a sin to the plateau of virtue or try to make it the standard of Christendom.

WHEREAS, in liberty of conscience and in harmony with our historical heritage and with the biblical understanding and interpretation of Pilgrim and O'Kelly heritage which we came from.

WHEREAS, we do have a definite biblical mandate to warn our brethren if we see them go astray.

THEREFORE, BE IT RESOLVED, that we of the United Congregational Christian United Church of Christ of Portsmouth, Virginia, prayerfully and respectfully overture the Eastern Virginia Association of the United Church of Christ.

1. To be faithful to the United Church of Christ Constitution and historical heritage.
2. To prohibit the ordination of self confessing and practicing homosexuals in our Association.
3. To not grant ministerial standing to professing homosexual ministers transferring from another association into the Eastern Virginia Association.
4. To give guidance to our churches consistent with the Constitution and Bylaws of the United Church of Christ and the Word of God in the Scriptures.

This overture was composed by the Board of Deacons and affirmed by a special called

meeting of the United Congregational Christian United Church of Christ, Portsmouth, Virginia, on September 8, 1991, to be presented to the Eastern Virginia Association of the United Church of Christ.

REPORT OF THE EVANGELISM COMMISSION

We held our first meeting February 8 and talked about the possibility of two workshops dealing with **GROWING CHURCH LEADERS**. The second workshop would be geared toward our **YOUTH**. The more we looked at this matter and looking at our history - it was this area that had been left alone too long. Those present agreed that we have a special meeting with Youth present to discuss this matter. Youth Leaders with at least 2 **YOUTH** from selected youth groups met at Holy Neck UCC with a light supper and discussed at great length the possibility for an event geared toward our **YOUTH**.

June 22 we met at the EVA Office and agreed to go for an **EVANGELISM ASSOCIATION** wide event to be held at Suffolk Christian Church September 12th with emphasis toward our **YOUTH**. We would come together again with ideas about slogan or title.

-By now, another meeting was planned to further work out details.

Rev. Ed Rawls, a young preacher from our New Church Start in Cary, NC. agreed to preach. Susie Keele would be our song leader & Rev. Sam Askew, pastor of Franklin Christian would be the organist. These were confirmed. We also would bring in reports from German experience by Sue Howell of our Warwick Church and others who shared the experience would report from the National **YOUTH** event with Marva Parker and others who shared in the event. Also we would have an update and promotion on District **Evangelism III** by Rev. D. A. Peace Southern Conference Evangelism Coordinator. Report from our New Church Start Virginia Beach - Rev. Randy Orwig.

July 7 We met with Susie Keele and brainstormed slogan **SHOUT-TEEN...GO TELL IT** becoming our theme or slogan. It was this day that we learned that the Women's FALL Enrichment meeting would be on the same day we had chosen. Right away - we checked out in every detail and moved it to September 19 to begin at 1:45 P.M. All seemed to be well on the way.

In August, I met with Brother Bill and again discussed matters such as bulletins, mailings and publicity, ushers etc. In talking with Susie and Sam, we agreed we needed to come together on site at Suffolk Christian with a few of our **TEENS** and set the date to be August 23 at 6:00 P.M. At this time many songs came out of the group and some rehearsing was done. We would bring a larger group together September 13 at 6:00 P.M. for a light supper and then for a rehearsal. We would not meet again until September 19 at 12 noon for a light lunch and practice and be ready for the event at 1:45 P.M. Local **YOUTH GROUPS** would be asked to make **BANNERS** or **POSTERS** that they would like to say to the world. This would fulfill our goal in getting the slogan "**SHOUT TEEN...GO TELL IT**". This now promises to be a very good event and will be history by the time you meet for our annual meeting.

This EVANGELISM COMMISSION has met several times and has explored and covered many areas of Church Life. It has been very fruitful for those who have met and given themselves to it. Many thanks to you all!

COMMISSION MEMBERS ARE: Rev. Arthur Knauer, Thelma Norfleet, Phil Collins, Shirley Eley, Lois Smith, Gladys Weaver (handicapped), S. J. Fladger, Rev. James Camak, E. Cecil Smith, Chairman.

Sam Askew & Susie Keele are members of the Christian Education Commission. Our many thanks to you all. We will need to discuss who will continue to promote our YOUTH. This Commission will probably be the group to take the ball from here concerning our YOUTH.

Respectfully submitted,
E. Cecil Smith, Chairman

EXHIBIT 9 CHRISTIAN EDUCATION COMMISSION

The Christian Education Commission has implemented its program with ten meetings this term. During our first meeting (11/23/91) we determined our focus for the year to be: Educational Training and Children/Youth Ministry. Six of our eight members were present along with our Conference Minister of Christian Education, Dr. Richard Rinker.

During our second meeting (1/11/92) we worked out details for our "Basic Skills" workshop with Dr. Rinker serving as our resource person. Areas established to be explored included:

- (1) Lesson Planning
- (2) Teaching Effectively
- (3) Creating and Using Audio Visuals Effectively
- (4) Available Resources for the Tasks
- (5) Faith Exploration

A date for training of volunteers for leadership in the workshop was set and a strategy for recruiting volunteers was formulated. Dr. Rinker was selected to be our trainer. Again six of our eight members were present (not always the same ones absent). **THE TRAINING** (2/15/92). We anticipated 15 persons. Thirty-two volunteers showed up! Dr. Rinker led the group in an intense six-hour "Leadership Training Event." Zion UCC provided a most delicious dinner. The nine churches from which the volunteers came included: Antioch, Corinth Chapel, Franklin Christian, Mt. Ararat, New Hope (Baptist), Tabernacle, Union, Warwick and Zion.

Our fourth meeting (3/21/92) was an on site "dry run" of the "Basic Skills" workshop. Again 6 of our 8 members along with our volunteers were present.

Our fifth meeting (5/8/92) was called to 'fine-tooth' our workshop. Thirteen of our leaders were present and shared in the process.

Our sixth meeting (5/16/92) **THE BASIC SKILLS WORKSHOP** was a very rainy Saturday which found fifty-two folks from 14 churches present—ready to share, learn,

and explore. What a great day! Churches represented included: Antioch, Bethlehem Christian (host church), Christian Union-6, Bethel, Hampton-8, Eure, First UCC Richmond, Franklin Christian, Mt. Ararat-6, Oakland, Rising Star, Tabernacle, Union and Zion-11. The numbers represent churches with highest attendance. In July, August and September, we joined efforts with the Evangelism Commission for our 7th, 8th, 9th and 10th meetings in which we helped plan and implement the Evangelism Event (9/19/92). This was another enriching and rewarding experience involving approximately 75 participants from seven churches in a musical exploration and inspirational event. Churches represented included: Bethlehem Christian, Corinth Chapel, Holy Neck, Franklin Christian, Suffolk Christian (the host) Tabernacle and Union.

It has been a most rewarding year of service. Seven of our eight members served as workshop implementers. Every member attended some meetings—that means 100% involvement for your Christian Education Commission. The tally from our workshop was overwhelmingly positive—a reward for the Commission members and volunteers who had worked so hard to implement the event.

Susie S. Keele, Chairperson

**MINUTES
OF THE TWENTY-FIFTH ANNUAL MEETING
OF THE
WESTERN NORTH CAROLINA ASSOCIATION
OF THE
SOUTHERN CONFERENCE OF THE UNITED CHURCH OF CHRIST
TRINITY UCC, CONOVER, NC
OCTOBER 10, 1992**

The Western North Carolina Association Twenty-Fifth Annual Meeting was held October 10, 1992 at Trinity United Church of Christ, Conover, NC. The theme was "Strengthening and Celebrating our Ministry". The meeting began at 9:00 a.m. with registration. Opening Worship began at 9:45. The Rev. D. Lee Jessup, Jr., pastor of First Reformed UCC, Lexington, delivered the sermon. The sacrament of Holy Communion was celebrated. The offering from this service, which amounted to \$552.43, was given to the Hurricane Emergency Relief Fund of Church World Service.

The business was called to order at 10:45 by Mr. David Roberts, President of the WNCA. Dr. David Poe of Trinity Church extended the welcome to the Association members.

Mr. Roberts defined the Bar for the House as the entire sanctuary, and appointed Dr. G. Melvin Palmer as the Parliamentarian.

Mr. Roberts presented a change in the agenda to receive the report of the Forum Planning Committee (**EXHIBIT 13**) in the morning session, but not to vote to receive it until the afternoon. Second, to move the report of the Associate Conference Minister (**EXHIBIT 3 AND 3A**) to the afternoon. And third, to hear Dr. Donald Flick, Executive Director of United Church Homes, following Dr. Peter Schmiechen's presentation in the afternoon. Motion made by Dr. William Smith and seconded by Mr. George Cannon to adopt these changes. Motion passed.

Rev. Alan C. Miller, WNCA Associate Conference Minister, then introduced the guests present for the meeting. Among many guests were Dr. Richard N. Rinker, retired Associate Conference Minister for Christian Education; Dr. Dorcas Lohr, Program Associate for Christian Social Ministries; Rev Raymond Hargrove, Associate Conference Minister for Church Development; Rev. Ervin Milton, Southern Regional Director of Church Life and Leadership; Rev. William Everhart, Associate Conference Minister for Eastern Virginia; Dr. William C. Smith, Jr., Southern Conference President; Gertha Koch, from Evangelical Church of the Rheinland; Dr. Peter Schmiechen, President of Lancaster Seminary; and Dr. Donald Flick, Executive Director of United Church Retirement Homes. Dr. Rollin O. Russell, Conference Minister, had serious illness in his family and could not be present.

Rev. Elaine Sipe, Acting Secretary, presented the 1991 minutes. A motion was made by E. C. Moore to approve the minutes and receive the reports of the Commission and Boards, ratifying their actions over the past year. Motion seconded by Brenda James. Motion carried.

The report of the Credentials Committee showed the attendance as follows:
82 Lay Delegates, 85 Clergy, and 36 Visitors, for a total of 203.

Mrs. Cynthia Buckwell presented the report of the Nominating Committee. As there were no nominations from the floor, a motion was made by Rev. Charles Sigler and seconded by Rev. Van Grimes that the report be accepted as given. (**EXHIBIT 1**)

Mr. Roger Younts, Treasurer of the Association, then presented his report and the Proposed Budget for 1993. (**EXHIBITS 2A, 2B, & 2C**) Dr. Donald Flick made a motion to receive the budget and Ms. Brenda James seconded it. Motion passed.

At this point special recognition was given to the Rev. Paul F. Battenhouse and the Rev. William E. Griffiths for 50 years of Ordination.

Dr. William Smith, Jr., Southern Conference President, was called on for remarks. Rev. Raymond Hargrove, in the absence of Dr. Russell, spoke briefly.

Mr. David Roberts called on Rev. Alan Miller to speak pastorally to the Forum Planning Committee's report. Rev. Miller recommended that in light of the sharp differences that existed in the Association, we simply receive the report. This would mean that we would have identified our points of agreement and disagreement, we leave the 1983 Resolution intact, and the report will be sent to General Synod. Announcements regarding workshops, displays, and lunch were given.

Before lunch, ballots were given out to vote on General Synod Delegates. The following are delegates: Rev. Banks Shepherd, Mrs. Elmira Polk, and Mr. Shuford Abernethy.

After lunch, workshops on "Strengthening Our Ministry" were held in various parts of the church. At 2:00 p.m., there was an inspiring presentation by WNCA youth and leaders who traveled to Germany and to the National Youth Event this past summer.

The second business session began at 2:45 p.m. with greetings from Dr. Peter Schmiechen, President of Lancaster Theological Seminary.

Mr. E. C. Moore made a motion, seconded by Rev. Clarence Stumb to adopt the 1992-93 budget. Motion passed.

A motion was made by Mr. George Cannon and seconded by Mr. E. C. Moore to receive

the Forum Committee's report. Rev. Robert Thompson made an amendment to the Forum Committee's report to read as follows: " In the light of these continuing differences among us, the Western North Carolina Association of the Southern Conference of the United Church of Christ will continue to operate under its 1983 resolution stating that 'avowed practicing homosexuals shall not be ordained to the Christian Ministry in this Association,' and that this Association will not 'deliberately place gays and lesbians on the Commission of Church and Ministry of this Association.'" Dr. William Smith made a motion, seconded by Dr. Harold Myers to accept the amendment. Motion passed.

Dr. Donald Flick presented a brief update and overview on the work of United Church Retirement Homes.

Rev. Alan Miller gave his report addressing four issues of ministry that are before us.

1. Pastoral Leadership - as 30% of UCC pastors will retire in the next 8 years.
2. The Bias Against Women Ministers.
3. Church Growth and Evangelism.
4. The need for Clergy Networking and Support of Each Other.

Rev. Miller introduced new ministers into the Association and read pastoral transitions. Installation of New Officers and Commission Members followed. The meeting was adjourned at 4:00 p.m.

Respectfully submitted,
Elaine Sipe, Acting Secretary

EXHIBIT 3 REPORT OF THE ASSOCIATE CONFERENCE MINISTER 1992

After the movers unloaded the last piece of furniture from the truck on January 21st, I remember walking into our new home in Salisbury, staring at all those boxes, and wondering if we would ever get organized. After seven months of meeting so many wonderful new people and visiting so many churches, I am wondering if I will ever get organized. Thus I offer this first report as a series of "boxes" that don't necessarily belong in the same room, but all of which must be "unpacked" if I am to fully settle into my new office in the Western North Carolina Association.

The first box belongs in the dining room, the place of hospitality. It is filled with "thank you's." Thank you to all those who patiently understood that even though transitions are filled with excitement, they are also filled with sadness as we say good-bye to old homes and old friends. Thank you to the pastors and laity of the WNCA who called and wrote; to the Staff of the Southern Conference who picked up the slack while I found my way, to the WNCA churches who hosted receptions to welcome us, to Dave Roberts and the officers of the WNCA who checked in regularly to see if we were getting along O.K., to my favorite new co-worker, Ms. Josephine Carpenter, who has been extremely patient with me, but most of all to my predecessor Dick Cheek. Pastoral transitions are never easy, but Dick has done everything possible to be helpful and supportive, he is truly a gifted pastor, a complete professional and a wonderful new friend.

The next box belongs in the family room, the place where we do most of our living together. This box contains a word of affirmation to the membership of the Southern Conference. I am sure that as you have sought to live together in this room for the past 27 years, the struggle must at times have felt like insurmountable burdens (they always feel like that when you are living them). But what might have felt like a weakness, I see as our greatest strength. In many ways I see the Southern Conference as The United Church of Christ, for no other Conference can boast of the historical, theological, racial, or ethnic

diversity that the Southern Conference enjoys, and no Conference has come so far in facing and answering the question: "Can we really all be one?" I applaud your efforts and I sit in deep humility before all the saints who have boldly led the way.

The last box belongs in the study, the place of serious reflection, and it is filled with the many challenges that I see facing the churches of the WNCA. Like most study boxes, it was packed somewhat haphazardly, so the items I take out are in no particular order. Many of them are packed in smaller boxes within the larger box, and will require much more dialogue and discussion before they are fully unpacked. Suffice it for now, to merely list the contents of the larger box of challenges.

1. Currently, I am working with over 20 Search Committees who are at one point or another in the search process. I share this information because I do not see the trend changing much in the foreseeable future, as the trend is symptomatic of some larger issues, such as:

a. The Availability of Quality Pastoral Leadership. Over the next eight years we will see an unprecedented amount of UCC pastors retiring. In 1991, the enrollment of UCC students in Masters of Divinity programs was at its lowest level in 15 years. Encouraging students to consider seminary will need to become a major priority.

b. The Bias Against Women Clergy. The Southern Conference has within its bounds some of the most talented and gifted women clergy of the entire denomination. Yet still many of our churches will not consider a female pastor.

c. The New Seminarians and the Availability of Local Educational Facilities. Many of our theological students today are second career persons who already have families, homes, and financial obligations. As such, many are not able to drop everything to go off to seminary.

d. Serious Discussion About the Difference Between Evangelism and Church Growth. A number of our churches are in transition, wondering if they will be able to call or support a full-time pastor. Part of the current dilemma is the result of traditional growth patterns that depended on children growing up, staying in the community, and becoming part of the church. Such is not the case anymore. Church growth, the welcoming of new members into our fellowships, requires very serious, and sometimes painful, discussions about strategies for new member assimilation that welcomes new-comers into the inner circles of our congregations.

2. In a day and age when there have been volumes written about clergy stress and burnout, and in a time when the majority of our clergy do not know each other because they have not gone to college and seminary together, clergy networking and relationship building to support each other needs to become a priority.

That box in the study might feel heavy and overbearing, but don't let it, for it is simply the newest set of challenges that faces the church today. And I am sure that the family of God will prayerfully discover new strategies to address the challenges just as we have been doing for so many centuries.

It is good to be here. Thanks for accepting me into your family. I look forward to unpacking and arranging the house together.

Peace,
Alan Miller

REPORT OF THE CHURCH LIFE AND LEADERSHIP COMMISSION

Your Commission on Church Life and Leadership has held several meetings this year adopting, working on and emphasizing two areas of concern: Leadership Development and Conflict Management/Peace Making. Committees were formed for both areas of concern.

The committee on Leadership and Development has completed its primary work and is now seeking to obtain from each of the Western North Carolina Districts a commitment to begin or continue Leadership Training Schools similar to those presently held in the Davidson and Rowan Districts. These Leadership Training Schools provide laity and clergy with information and leadership skills in such areas as :Choir and Church Music (children and adults), Church School Curriculum and Teaching (kindergarten-older adults), Evangelism, Spirituality, Planning for the Church's Future, Confirmation, Youth and Adult Work, Tax Preparation, Financial Planning, etc. Members of the committee have made themselves available to each of the districts, in organizing, developing and carrying out such Leadership Training Schools in their districts through their local ministerium groups, who are to act as sponsors and directors.

The committee on Conflict Management and Peace Making has as its goal to develop a Conflict Management and Peace Making Team that will be made available to all the churches in the Western North Carolina Area in need of their skills and expertise. Dr. Randall Mishoe is the head of this committee and hopes to have a working team by June of next year.

Your commission members hope that their work in both of these areas of concern will provide a much needed Christian service to churches in Western North Carolina and serve as an example of what could be done on the association level to help churches throughout our Conference.

Respectfully submitted,
Rev. Dr. Carroll E. Bartholomew,
Chairperson

EXHIBIT 5

REPORT OF THE BLACK CHURCH DEVELOPMENT COMMISSION

The Commission has spent the last year working on several of the short and long range goals it had set during the previous year. One of those short range goals was to identify Black churches that could potentially support a "full -time " ministry. The Commission has identified five potential churches.

The Commission Coordinator and Church Development staff person have met with the pastor and several lay leaders of three of the five churches. The long -term goal is to work with each of these churches in planning and implementing a five-year strategy of

development. Part of the strategy will include helping churches do a self-assessment, community assessment, as well as leadership and stewardship development.

At least 1/4 of the Black churches in the Western North Carolina Association participated in the Black Church Development resource/training sessions held in December. Dorsett's Chapel United Church of Christ was the host church. Those churches represented were:

Dorsett's Chapel UCC, Spencer
Mt. Zion UCC, Rockingham
New Emmanuel UCC, Charlotte
First UCC, Concord
St. Stephen UCC, Greensboro
First Congregational UCC, Asheboro
Wentz Memorial UCC, Winston Salem
Emmanuel UCC, Greensboro

The session focused upon stewardship development and featured both National and Conference leadership.

The Commission plans to continue to work with churches who are moving towards "full-time" ministry. We also plan to work at increasing the participation of local churches and their pastors in the life of the Association as well as the Conference. The Commission is grateful to God for the life and service rendered to this Commission by the late Mrs. Roberta Vanderburg.

Respectfully submitted,
William H. Carr, Coordinator

EXHIBIT 6

REPORT OF THE CHRISTIAN EDUCATION COMMISSION

The Commission on Christian Education met on November 1, 1991, February 1, 1991 and June 7, 1992. The Commission decided to co-sponsor UCC Youth Day at Catawba College on February 1, 1992 with Catawba College and to sponsor a Family Weekend Retreat at BRAG on May 22-24.

UCC Youth Day at Catawba College was well attended by over 350 persons from 25 UCC churches. The Commission assumed responsibilities for workshops. UCC Youth Day at Catawba College will be Saturday, February 6, 1993. Our Commission will again co-sponsor this event for Junior High and Senior High Youth along with Catawba College. In appreciation for the work and ministry of Dr. Ken Clapp, Campus Minister, and for the faculty, students and staff of Catawba College, an honorarium was sent to the Undesignated Religion Fund at Catawba College. Honorariums were offered to all workshop leaders. The total amount assumed by the Commission for this event was \$200.00.

The Commission sponsored the Family Retreat at BRAG on Memorial Day Weekend, May 22-May 24. The Reverend Tim and Anne Wepner were recruited to lead this weekend on "Families Are Fun and Funny." Even though only four families participated for a

total of 14 persons, the quality of learning and sharing was excellent. The cost for this event for the Commission was \$220 for expenses. The Commission will explore offering a similar event like this at John's River Valley Camp in the Spring of 1993.

A Communication Network was attempted by the Commission members to inform local Christian Education leaders of upcoming events. This was limited due to the number of churches which failed to turn in Annual Reports to Southern Conference with Christian Education leaders and/or Youth Advisors listed.

The following youth attended the National Youth Event at Beloit College in Wisconsin on July 9-13, 1992.

Jennifer L. Bowers	Trinity UCC, Conover, NC
Michael S. Deal	Trinity UCC, Conover, NC
Amanda L. Fields	Peace UCC, Greensboro, NC
Dakeita J. Kluttz	Grace Lowerstone UCC, Rockwell, NC
Jessica E. Pace	Congregational UCC, Tryon, NC

The total cost per youth was \$490. The WNCA provided scholarship support in the amount of \$140 per person, reducing the cost to \$350 which was shared by local churches and individuals. Each participant agreed to give 2 years of service to Youth Ministries of Southern Conference.

Ten Young People and their adult chaperone traveled to Germany this summer, July 16 to August 7 to visit with members of the Evangelical Church of the Rhineland, attended one week at Church Camp, and toured Berlin, Germany. The following persons from WNCA participated.

Rev. Phillip Myers	Trinity UCC, Concord, NC
Heather Misenheimer	Ursinus UCC, Rockwell, NC
Elizabeth Cranford	Trinity UCC, Concord, NC
Dakeita Kluttz	Grace Lowerstone UCC, Rockwell, NC
Flower Noble	Parkway UCC, Winston Salem, NC
Kathryn Taylor	Congregational UCC, Greensboro, NC
David Moone	Church of the Master UCC, Hickory, NC
Amie Fonville	Bethel UCC, Hickory, NC
John Holshouser	Grace Lowerstone UCC, Rockwell, NC
Taft Jones	Memorial UCC, Lexington, NC
Ashleigh Cannon	Shiloh UCC, Faith, NC

The total cost for this trip was \$1,250.00 per person. WNCA assisted with scholarship support in the amount of \$290.90 per person. Hopefully, these young people will have an opportunity to share their experiences with family, local church groups, the Association and Conference.

I wish to thank two members of the Commission for their fine work and support of the ministries of this Commission: Beverly Pugh and Rev. Joe West. Also, on behalf of the Commission, I extend to Dr. Richard Rinker our warmest regards upon his retirement as Associate Conference Minister of Christian Education.

Respectfully submitted,
Rev. Lawrence R. Bolick,
Coordinator

Approved the draft proposal of "Pastoral Misconduct: Dealing With Charges of Sexual Contact or Harassment Within The Pastoral Relationship" and made it a part of our guidelines in dealing with such problems.

Financial grants for the 1992-93 school year for our students-in-care were approved. There were requests for more funds than we had available. We thank the Association for their help and encourage your support in the future. Receiving grants were:

Melinda Coble	Yale Divinity School

Respectfully submitted,
Charles W. Sigler, Chairman

EXHIBIT 8

REPORT OF THE EVANGELISM COMMISSION

In response to local church surveys concerning what they consider to be their greatest area of need for assistance, Evangelism and Church Growth tops the list. There is a constant cry for help in local evangelism.

During the past year, the Evangelism Committee has made available to the churches through the five program districts material titled “**VISITATION EVANGELISM: A RELATIONAL MINISTRY.**” If used, this material provides for nine training sessions designed to help lay people become involved in evangelism on a day-to-day basis. From all indication, very few churches choose to use this material.

November 6-8, the Southern Conference and the Central Atlantic Conference will sponsor the third Evangelism Institute at the Sheraton Inn in Harrisonburg, Virginia. Again, a small percentage of our churches took part in the first two Evangelism Institutes.

The denomination, Conference and Association can provide the materials and opportunity for evangelism training but all of this can accomplish little unless the local church is serious about evangelism. Church growth is not something that will just happen. We are going to continue to see a decline in attendance and membership until the local church becomes committed to an evangelism emphasis within its own program. The best kept secret within a local community is what the church has to offer. We need to get excited about what we do have to offer, and share that with others. That’s the beginning of evangelism.

If you or your church is waiting for the wave of some “magical wand” to issue in a vital program of evangelism and church growth, then you’ve got a long wait, because it’s just not going to happen by itself. The degree to which your church is going to experience growth and evangelism will be determined by how much emphasis and work you are willing to commit to it.

Respectfully submitted
B. J. Willett, Chairman

EXHIBIT 9

REPORT OF THE STEWARDSHIP COMMISSION

1991-92 has been a year for Stewardship education in the Western North Carolina Association.

The Stewardship Visitation Program was made available to all Association churches. Thirty-four to forty visitors were trained under the leadership of the Rev. Raymond Hargrove. Forty to forty-five churches/consistories/councils have been visited. This program is still available to all our churches.

Also, two Stewardship Clergy Workshops, under the direction of the Rev. Raymond

Hargrove and led by David Beebe, were held in September 1992. Association clergy were invited to attend the workshops in Conover or Lexington.

Be aware that the Stewardship Council, UCC, mails a KeyPak to every church to assist local congregations in interpreting, educating and coordinating our total Stewardship Program.

Each year, one of the Commission's prime responsibilities is to set OCWM challenge goals and WNCA dues for each congregation. Much time is spent sending out these goals; and then, in seeking a response from churches. This is done by mail from the Association office and by telephone from Commission members. Each spring, all churches that met or exceeded their OCWM challenge goals, or met their own set goal, received Certificates of Appreciation.

The Commission strongly encourages all church treasurers to make OCWM contributions on a monthly basis whenever possible. Contributions made on a regular basis will be most helpful to your Association, Southern Conference and the wider church.

"Make A Difference!" The campaign for the United Church of Christ to raise \$30 million is in its planning stage in Southern Conference and WNCA. This campaign will officially begin in 1993. Gifts received will be shared between the National Church and the Conference.

Please know that members of the Commission are available to assist you concerning any of these matters. Please feel free to call the Commission Coordinator or the Association Office.

Respectfully submitted,
Bobby R. Bonds, Coordinator
Stewardship Commission

EXHIBIT 10

REPORT OF THE CHRISTIAN SOCIAL MINISTRIES COMMISSIONS

The Board of Directors of the Western North Carolina Association has given this commission the responsibility to:

1. Coordinate the work of the Association Commission with that of the Conference Commission.
2. Inform the churches of issues of Christian concern.
3. Develop within itself and among the churches a basic concern for racial justice.
4. Develop statements and resolutions on social issues for consideration by the Conference and Associations.
5. Plan and sponsor workshops and consultations on Christian social concerns.
6. Develop action programs on specific social issues.

To this end, the Christian Social Ministries Commission had as its goal for 1991-92 to sponsor a workshop for pastors and lay leaders on "How to Process Appeals for Help." It was designed to answer such questions as what do you do when someone calls your church for help? How do you know whether the appeal is legitimate? How can you find out if you are duplicating aid offered by other organizations? and Where can you find other community resources? The workshop was open to pastors, lay leaders and community agencies who have similar concerns. The Rev. Mike Aiken - Director of the Greensboro Urban Ministries - conducted this workshop on October 22, 1991, at First Reformed UCC in Lexington, NC. The workshop provided useful information to all present and was well attended.

This spring the Commission also co-sponsored a conference-wide workshop on Race Relations at Franklinton Center. This is one of the on-going focus areas for this commission.

We met monthly throughout this year in an attempt to meet requirements of our commission. One of our goals from 1991 was to offer leadership through conferences/workshops on Family Issues in the Eastern North Carolina Area. This type of program is being planned for the Fall of 1992.

Western North Carolina Christian Social Ministries continues to be committed to those programs that will address the Social concerns of our local congregations as well as the total community, and together find positive solutions.

Respectfully submitted,
Brenda Dalton James Chairperson

EXHIBIT 11

REPORT OF THE WNC CHURCH WOMEN

We had a mountain top experience with Joyce Myers-Brown, our Keynote Speaker, at Summer Conference. She spoke eloquently on the theme, "Words of Faith."

I was a participant at the Flea Market at Nazareth Home last summer. We hope we can continue this project this year. The proceeds supplemented our scholarship, replenished our treasury and articles left over were donated to the home.

Our Fall Enrichment was held in September 1991 at Sophia United Church of Christ. Rev. Denise Smelley was our guest speaker. She spoke about our theme, "Words of Faith," and gave expressions on the many forms our faith can take. There were 69 persons in attendance. Our Second Vice-President, Georgia Williams, planned an impressive and inspirational devotion. Our offering was given to our scholarship fund.

Our district representatives held their workshops last summer and I was able to attend three of the four held. All representatives did an excellent job in their respective areas to acquaint their members with all aspects of our program and try to encourage others to be active and more involved.

I found myself quite involved in many activities which are as follows: Attended the Twenty-Fourth Annual Meeting of WNCA at Trinity UCC in Concord in October, the Leadership Conference of the Southern Regional Meeting of the Women of the UCC in October in Florida. The theme was "To Dream A World." This was an enlightening experience led by Lou Ann Parson as guest presenter; the All Commission and Board Meeting was held in November in Salisbury and a follow-up one of Church Life and Leadership was held at St. Luke's UCC in February in Salisbury to plan strategy for the year; attended both expanded Board meetings that were held in November and March. Attended the Black Church Development Resource/Training Section at Dorsett's Chapel UCC in December. It was a most impressive, informative and helpful experience. I installed officers at Dorsett's Chapel for a newly formed Young Adult Missionary Society; I went to a reception with members of my church to Landis to meet the new Conference Minister, Rev . Alan Miller," and his family; attended the 1992 Leadership Training School in February at Trinity UCC in Concord. The planned workshops were well organized and enjoyed by all and the executive meeting of Women of WNCA was held in April at New Jerusalem UCC to make plans for the year.

I continue to send out three newsletters each year to keep our members well informed and encourage them to be active.

We are continuing to give a scholarship or scholarships annually to a deserving student at Nazareth Home. If no one is available there, we extend it to students at one of the other homes. I encourage you to give generously to this fund.

Serving as your President has been a rewarding and learning experience for me. I am grateful to persons who have been there for me and their concern. I have met many friends and visited places that otherwise I would not have had the opportunity to go.

Respectfully submitted,
Elmira M. Polk, President

EXHIBIT 12

REPORT OF THE CHURCHMEN'S FELLOWSHIP

The twenty-third annual meeting of the Western North Carolina Association of the Churchmen's Fellowship was held at Blowing Rock Assembly Grounds August 28-30,1992.

The men, and their wives who attended, were very privileged to have the following persons to share in their theme "Discovering Our Heritage" - Rev. Banks D. Shepherd, Dr. William C. Smith, Jr., Rev. Ervin E. Milton, and Dr. Richard A. Cheek. Dr. Rollin O. Russell was the banquet speaker. Rev. Alan C. Miller conducted the Sunday morning worship and communion service in the "Little White Church."

This organization accepted the challenge this year to renovate the craft building at Johns River Camp. Through cash contributions and donated labor this project was completed in

time for the 1992 camping season. District and local Fellowships have constructed a building at Nazareth Children's Home, built shelters at Black Lake Conference Center in Randolph County and worked in the mission of local churches. A contribution was made to the S.H.A.R.E. campaign of the United Church Retirement Homes.

The Davidson District Churchmen's Fellowship has compiled a handbook which contains:

1. Constitution and By-laws of the district
2. Constitution and By-laws of the association
3. List of officers and committees of the district
4. List of the UCC churches in the district and their officers
5. Other pertinent information.

Toney E. Kincaid is the author of this handbook which is so well done it should be a model for each district to use in formulating one for themselves.

Mr. Willie F. Everhart of Lexington was honored with a plaque recognizing his many years of service as chairman of the Mission Loan Fund of the WNCA Churchmen's Fellowship.

Current Officers are:

President	Mr. John F. Yeattes, Jr.
Vice President	Mr. Doug Younts
Secretary	Mr. James Michael
Treasurer	Mr. D. Wayne Frank
Pastoral Advisors	Dr. G. Melvin Palmer & Rev. Rosser Clapp

REPORT OF THE 1991-1992 FORUM PLANNING COMMITTEE

HISTORY Out of reaction to the 18th General Synod Resolution "Affirming Gay, Lesbian, and Bisexual Persons and Their Ministries," and the subsequent feeling among some in the Western North Carolina Association that the Conference was defending and/or advocating this resolution, two resolutions were presented at the 1991 Annual Meeting of the Western North Carolina Association. The first resolution entitled: "A Testimony of Faith" was presented by the Rev. Robert Thompson representing the Southern Conference Biblical Witness Fellowship. During the business session a substitute resolution was offered by the Rev. William Smith. These resolutions, along with the General Synod resolution, generated a great deal of debate at the meeting. Finally a motion was adopted to appoint a committee (whose membership would be selected jointly by Rev. William Smith, Rev. Robert Thompson, and the Association President, Mr. David Roberts) to sponsor a series of forums to discuss the theological issues raised by all three of these resolutions, and to report back to the 1992 Annual Meeting of the Western North Carolina Association. This resolution was also in the spirit of the General Synod resolution which urgently called upon local churches, associations, and conferences to engage in a disciplined dialogue about these issues.

The Forum Planning Committee is ready to report back to the Association. Over the past year, we have proceeded as follows:

1. On November 11, 1991, we mailed a letter to the pastors and lay leaders of the WNCA churches explaining the debate at the 1991 WNCA Annual Meeting, and our plans to continue the discussion over the coming year.
2. During January, February, and March, 1992, we solicited input about these resolutions from the WNCA program district ministeriums.
3. In February, 1992 we met to solidify plans for our first forum. At that meeting, we discovered, based upon the input from the ministeriums and our own conversation, that any discussion about the church and homosexuality always led to a discussion of Biblical interpretation. As a result, we held a forum on March 21, 1992 at Catawba College entitled: "Perspectives on Biblical Interpretation."
4. We met in June, 1992 and again in July, 1992 to critique the March forum and to plan a September forum to deal specifically with the questions of the Bible and homosexuality and the General Synod Resolution. This forum was held on September 19, 1992 at Emanuel United Church of Christ in Thomasville.

Based upon the forum discussions of the past year, we offer the following as a compilation of the affirmations that we feel we can agree upon and the issues about which we are unable to reach a consensus.

WE, THE MEMBERS, OF THE WNCA FORUM PLANNING COMMITTEE, FIND OURSELVES ABLE TO AGREE THAT:

1. Our covenant with God is our central relationship, which informs and disciplines all relationships, including those sexual.
2. Scripture is our primary source of knowledge of God's relating to us. Scripture authoritatively reveals that God's relationship is characterized by grace, love, mercy, judgment, discipline, truthfulness, forgiveness, and steadfastness.
3. Jesus Christ incarnated God's way of relating in his life and ministry and especially in his death and resurrection. Jesus Christ is our definitive standard of what it means to be in right relationship with God, self, and others.
4. Sexuality is a good gift from a gracious God.
5. As Christians, we are called, with the help of the Holy Spirit, to conform our relationships, including those sexual, to the love revealed by Christ, which respects the dignity of the other, seeks the spiritual growth and well-being of the other, recognizes the freedom and autonomy of the other, values mutuality and consent, and is committed to honesty, fidelity, and self-discipline.
6. As Christians, we are called to judge relationships which are impersonal, promiscuous, exploitive, coercive, or abusive as sinful since they violate God's intentions for right relationships with God, self, and others.
7. All persons are created in the image of God, and should be judged by the content of their character rather than by any stereotype imposed upon them.
8. As Christians, we are called to work to end harassment and violence against all persons, and to affirm the dignity and worth of all.

WE, THE MEMBERS OF THE WNCA FORUM PLANNING COMMITTEE, FIND OURSELVES PAINFULLY DIVIDED ABOUT THE FOLLOWING CRITICAL CONVICTIONS:

1. The nature of Biblical authority, the methods for interpreting and applying the Bible, and the authority of tradition in Biblical interpretation.
2. The issue of whether or not the Bible presents a consistent view of what is moral behavior in matters of human sexuality and family life.
3. When we do reach a conclusion on what the Bible intends to say on a given subject, does obedience to Christ always require that we conform our beliefs and practices to that teaching?
4. To what extent are the stories and teachings of the Bible bound by their own cultural presuppositions? How do we decide what teachings of the Bible are transcultural and authoritative?
5. That the Bible uniformly condemns all homosexual acts versus only those acts which involve violence, force, or prostitution.
6. That gay, lesbian, and bisexual sexual practices are sinful.
7. Is sexual orientation a product of choice, environment, influence heredity, or a combination of these?
8. Should the church provide role models and resources which attempt to present homosexuality in a morally neutral light?
9. Should our churches accept openly practicing homosexuals and bisexuals as members and as full participants?
10. Should a person's open admission of gay, lesbian, or bisexual behavior be grounds for denial of ordination, removal of ministerial standing, or discipline as sexual misconduct?
11. In our concern over the spread of AIDS and other sexually transmitted diseases, should we issue a plea for limiting sexual behavior to monogamous heterosexual marriage as a primary weapon against the spread of disease?

In light of these continuing differences among us, the Western North Carolina Association of the Southern Conference of the United Church of Christ will continue to operate under its 1983 resolution. The 1983 resolution stating that "avowed practicing homosexuals shall not be ordained to the Christian Ministry in this association," and that this association will not "deliberately place gays and lesbians on the Commission of Church and Ministry of this association."

The results of this study will be forwarded to General Synod XIX.

EXHIBIT 1 PRESIDENT 'S REPORT

My first year as president of the ENC Association has been a helpful and learning experience for me - a challenging time that I have thoroughly enjoyed. I have had a wise and dedicated Board of Directors that has been very patient and long suffering with me and I greatly appreciate this.

We have not lacked for projects to occupy our attention and call for action. The idea of relocating the Association had already been in a lot of our people's minds and it fell our lot to take this idea on and do something about it. A sight committee was appointed and went to work on this proposed project. This committee met several times, looked at a number of possible locations, and found a desirable site in the Raleigh area. The Board of Directors approved this proposed site and recommended it to the Southern Conference Board of Directors for approval. The project was approved but the Conference was not financially able to take the project on at that time. We have had to place this project on the back burner for now, but as soon as the project can be financed, the office for the Association in the Raleigh area will become a reality.

In cooperation with the other two Associations in the Conference, \$2,400.00 was provid-

ed by our Association to help send some 38 of our youth (8 adults) to the National Youth Event and the Rhineland Camp trip. These people were commissioned at the June meeting of the Southern Conference Annual Meeting at Elon College.

The Mebane UCC property was sold this year. This was property that was deeded to the Association. Some of the members of this church at the time it ceased to function, felt that some of this income should go to Blowing Rock Assembly Grounds. In consultation with one of these members, the Board of Directors voted to divide this money. One -half would go to Blowing Rock Assembly Grounds and the other half to the Association. The Association will use its part of this money for ministry and church growth.

Much attention by our Board of Directors this year has been given to revising the Manual on the Ministry for our Association. The Church and Ministry Commission has given a lot of time and effort to this project. A Manual on the Ministry has been compiled and made available to every church and minister in the Association. This manual will be discussed at length at our Annual Meeting in October 1992 and a vote on it by the Association will be called for.

A committee from our Association worked with the Planning Committee of the Southern Conference helping to plan the Annual Meeting of the Conference in June.

All our Commissions have been at work providing ideas and guidance for the making of a stronger Association. Both the Executive Committee and Board of Directors have met several times. We have been busy and some good things have been accomplished.

I want to express my sincere thanks to all the officers, commission leaders, special committees, Rev. Beasley and Dr. Russell for their loyalty and devotion and to each and everyone of you who have shared your time and talents with us this year of 1992!

Kenneth D. Register
President, ENCA

EXHIBIT 6
REPORT OF THE ASSOCIATE CONFERENCE MINISTER

Dear Friends:

I continue to be thankful to God for the opportunity to be in ministry with you in the Eastern North Carolina Association. The able and committed leadership of our President, Rev. Kenneth Register, the Board of Directors and the Commissions has enabled us to bear witness to the Lordship of Jesus Christ in every aspect of our life and work. This report, then, is not a report of my major accomplishments but rather of the way in which we together are moving forward in ministry - 141 churches who are a covenant people.

The following are some highlights:

-We provided \$2,400.00 in financial assistance to twelve youth and adults who participated in the National Youth Event in Beloit, Wisconsin and the German Camping Trip with our partner church.

-Ministers are acknowledged upon retirement with a plaque which honors the gift of their labor among us. Two ministers, Rev. John Settlemyre and Rev. Clarence Gunter, were so honored this year.

-Thirty-seven candidates in care of the Association are enrolled in an approved course of study in preparation for ordained ministry. Twenty-eight of these persons have been licensed and are serving as pastors of our churches.

-Twenty licensed ministers are not currently pursuing ordained ministry. However, continuing education opportunities have been made available for them and for candidates in care in cooperation with Lancaster and Eden Seminaries.

-In compliance with a vote of our last Annual Meeting, the Church and Ministry Commission has reviewed the procedures for authorizing ministry in the ENCA and the procedures have been adopted by the Board of Directors. We are indebted to Rev. Leon White for his helpful contributions to the development of the document which will be proposed at this meeting.

-The Southern Conference Women in Ministry Retreat which was initiated by the ENCA was attended by a record number of clergy women and laywomen. Rev. Cynthia Hale, a new church start pastor of the Christian Church (Disciples of Christ) was the speaker.

-Two congregations have called clergy women as pastors, Bethel UCC, Burlington and Beavers Chapel UCC, Zebulon. Yet, there are many other gifted and committed women eager to serve among us but are denied consideration by search committees and congregations. Our sisters are pained by sexism and we are all diminished.

-The Board of Directors has established a Church Development Fund to support the expansion and nurture of our church life in the ENCA. Thanks to the generosity of the members of Mebane UCC, which has now dissolved, the proceeds of the sale of the property have been allocated for this purpose. Though the specific guidelines for the use of

the fund are in the formative stage, churches are invited to begin making contributions. The offering taken at the fall meeting will support this endeavor.

At the Annual Meeting of the Southern Conference, we joyfully celebrated the ministry of Rev. Dr. Richard Rinker who will retire as Associate Conference Minister for Christian Education in December. For 25 years, he has resourced and befriended the pastors and churches of the Association. We are all indebted to him for the many contributions he has made to our life. However, on a personal note, I am ennobled for having served with him on the staff of the Conference. This competent and dedicated minister of our Association has enriched the Conference and wider church for the glory of Jesus Christ.

We were saddened by the death of seven of our ministers during the year. Rev. Jasper Johnson, Rev. James McLeod, Rev. Wavie Alston, Rev. Fred Currie, Rev. Garland Bennett, Rev. Elmo Allcox, Rev. W. O. Howard and Adrian Carter, a student in care. These ministers served nearly 300 years of ministry in Associations of the UCC and in the ENCA. Yet, we rejoice that God placed them among us and we experienced their faith and witness.

Many challenges lie before us as an Association and Conference. Unity, mutual trust and respect and love for one another will serve us well as we strive to be a faithful people. We are one body - may we seek to embody the presence and power of that reality as we move forward in ministry.

Yours in Him,
Yvonne Beasley

REPORT OF THE ENC CHURCH WOMEN

Greetings to you in the name of Jesus Christ!

The women of Eastern North Carolina began their new program year with a successful Fall Enrichment on September 21, 1991, at Liberty Chapel United Church of Christ in Moncure. Rev. Leila Stennett of Burlington brought us an inspiring message on the theme, "Words of Faith," and CWSC President Faye Humphrey led an uplifting service of installation. We were pleased to have 86 persons in attendance and an offering of \$667.00 for the Nazareth Children's Home. Thanks to outgoing president Barbara Jones for initiating the project and to Doris Whitaker for promoting it in such a powerful way.

In October, several ENC women traveled to Winter Park, Florida, for the southern regional meeting for UCC Women. There I led a workshop entitled "I Dream of a World That is Peaceful." Other ENC sisters who provided leadership for that event were Yvonne Marrow, Rev. Yvonne Beasley, and Dr. Dorcas Lohr. I know they join me in saying it was a "mountaintop" experience, and we hope other women will join us on October 8-10, 1993, for the next event in Biloxi, Mississippi.

The Church Women of Southern Conference Expanded Board met on March 21 in

Burlington at First Christian United Church of Christ. I was particularly pleased that ENC had 8 of its 12 officers present. A special word of thanks goes to the women of First Christian for providing a delicious lunch.

The Annual Meeting of Southern Conference was held in our association this year, and Dr. Rollin Russell asked the ENC Church Women to provide and serve refreshments on Friday evening of that meeting. We welcomed this avenue of service. Thanks to Burlington District Representative Dorothy Jolly for coordinating this effort, and thanks to the churches that answered her call!

Women's Summer Conference the third week in June was an enriching experience. The Rev. Stephanie Weiner of Florida Conference dynamically presented our new program theme, "Welcome at God's Table," and Dr. Rudy Zarzar, a political science professor at Elon College, gave us razor-sharp insights into the Middle East, our 1992-93 missions focus. We are also proud that the 1992-93 program packet published by the national church features articles and worship programs by several people with ties to ENC: Cynthia Hargrove, Ruth McDowell, Lisa Barrows, and Cally and Frank Rogers-Witte.

We have had two district meetings during the month of August. Twenty-one church women in the Sanford area met at the Western Steer on August 8 and enjoyed the interchange so much that they decided to meet again in February. Highlights of the meeting included special music by Trinity of Zion Hill UCC and by Grace of Liberty Chapel. Three ENC-CW officers were present, bringing the count of churches represented to seven. I commend District Representative Sheila Crump for a fine job in coordinating this event.

The Raleigh/Durham program district held its meeting on August 9 at First UCC in Cary. District Representative Rebecca Young was able to recruit 27 participants from seven different churches. Among features on the program were an inspiring devotion by Marie Gibbs, a report on Biennial Assembly by Emma Dorssett, and a delightful presentation of the program packet by Doris Whitaker. I was honored to be guest speaker for this meeting.

At the time of this report, plans are underway for our 1992 Fall Enrichment Meeting on September 26 at Long's Chapel UCC in Burlington. Our guest speaker will be the Rev. Peter Schmidt, a German pastor who is visiting the UCC as an intern for one year. The special project will be an offering for the Evangelical Congregational Church of Angola. Because the Angolan schools have been demolished during 16 years of civil war, the church there is trying to rebuild its mission schools and is in desperate need of school supplies. Our offering will be used to help buy these supplies.

ENC-CW has tried to improve its communication with local women's groups this year. Two editions of a newsletter entitled "The ENC-Well" were mailed to all persons listed in the Conference Office as contact people for women's work in ENC churches, and a third newsletter will go out later this month. I sifted through records in the office to create as complete and as accurate a list of contact persons as possible, but some churches fail to submit their yearly reports. Also, we've discovered that information changes quickly. I

urge each women's group to keep us updated with the name, address, and telephone number of its president. We can't keep people informed if we don't know who they are! You may send those changes to me at 2718 Blanche Drive, Burlington, NC 27215.

In closing, I want to thank my officers — Pat McGhee, Monica Jones, Joyce Pender, and Emma Dorsett - for their interest and dependability. Thanks also go to District Representatives Dot Jolly, Gladys Burney, Dorothy Miller, Mary Sue Tuck, Barbara Jones, Rebecca Young, and Sheila Crump. The success of our church women's organization depends on activity at the district level. Finally, I thank our nominating chairperson, Dorothy Wilson, who has the toughest job of all. I am pleased with what we've accomplished in 1991-92 and hope we'll continue to move forward in the service of our Saviour.

Respectfully submitted,
Lisa Barrows, President

**TWENTY-SIXTH ANNUAL MEETING OF THE
CHURCH WOMEN OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST**

Tuesday, June 29, 1993

The twenty-sixth annual meeting of the Church Women of the Southern Conference was called to order at 3:10 p.m. by President Faye Humphrey. Susie Keele, First Vice-President, offered an opening prayer. President Humphrey recognized special guests and those women missing from our midst who had telephoned with their regrets, namely, Carlene Neese, Doris Hartzog, Dot Jolly, and Nora Ham.

Minutes of the twenty-fifth annual meeting were approved as printed in the Yearbook.

Treasurer Beverly Poole presented her report and thanked everyone for the support she has received during the past four years. Beverly noted that twenty years ago the CWSC budget was \$2,500.00 and in 1993 it is \$15,000.00. The treasurer's report was approved as printed in the Yearbook. Faye expressed deep appreciation to Beverly for her four years of service as treasurer.

Association reports were presented by Lisa Barrows, ENC; Katie Knight, EVA; and Elmira Polk, WNC. All the reports were approved as printed in the Yearbook.

Susie Keele, First Vice-President, gave her report on the 1993 WORKING RULES; these were handed out to individual churches represented. A motion passed to accept the report.

Beverly Poole presented the Proposed Budget for 1993-1994 of \$8,324.00 noting the one change of \$50.00 to the Equal Rights Committee for the N.C. Council of Churches. This is a one-time amount. A motion passed to adopt the budget as written.

Clarine Ingold, Chairperson of the Scholarship Committee, presented her report emphasizing the dates that scholarship applications should be returned to her; this date is March 10. Also, she noted the increased cost of contributions from \$25.00 to \$30.00. A motion passed to accept the report as presented.

Cynthia Buckwell, Second Vice-President, gave her report which was approved as written. The Southern Regional Meeting of the Women of the UCC will be held October 8-10, 1993 at the Seashore United Methodist Assembly in Biloxi, Mississippi. The theme will be: BONES That Support Our Faith, and the keynote speaker will be Reverend Joyce Myers-Brown. Cynthia thanked everyone for the support she has received and also for being chosen Woman of the Year from the Southern Conference. She will attend General Synod beginning July 15 in St. Louis to be honored.

Faye Humphrey presented the Assistant Secretary's Report since Carlene Neese was unable to be with us. Faye reminded us to put the dates and the names on any photos submitted for the scrapbook.

Doris Yeattes, advocate for UCC Women in Mission, spoke about UCCWM and suggested the best way to participate is by purchasing a partnership in COMMON LOT. Doris also urged us to become involved in Church Women United; Doris is the President of the CWU of N.C. One of the important programs of the NC Unit is the Children's Ministry;

the Caring Program for Children is a very important health care insurance program which costs \$264.00 per year for one child.

President Humphrey recognized Cynthia Buckwell as Woman of the Year of the Southern Conference and presented her with an Honor Certificate.

Lisa C. Reese, coordinator for the Mother's Retreats, was unable to be present; Faye reported on the very successful Second Annual Mother's Retreat and noted the dates for the Third Retreat, April 15-17, 1994 at John's River Valley Camp.

The Nominating Committee Report was given by President Humphrey. Three officers were nominated: Second Vice-President, Dorothy Ballinger; Assistant Secretary, Kathryn Floyd; and Treasurer, Carol Diehl. The report was approved, and these women were elected by acclamation.

A motion passed to present Suzanne McCombs a Life Membership for her generous and outstanding service to the CWSC as the auditor for the treasurer's books during the past four years. Suzanne received only \$25.00 per year for her work.

President Humphrey reported on Reverend Yvonne Beasley's upcoming Travel Seminar to South Africa from August 11-25, 1993 sponsored by the Board for World Ministries and the UCCCCW in Church and Society. The Executive Board had voted to present Yvonne with \$300.00 as a stipend toward her travel expense. Yvonne will be sharing her experiences with us during the coming year.

Faye announced that Reverend Dorcas Lohr has assumed a position as an Associate Conference Minister with the Penn Central Conference beginning August 1, 1993. Dorcas will be recognized on Wednesday with a Life Membership.

President Humphrey referred to her report in the yearbook. She expressed her appreciation to all the officers and others who had worked so faithfully this year. A special thank you was given to Lisa Barrows for her outstanding work on the Yearbook.

Faye Humphrey installed the officers in a beautiful ceremony which was taken from the Leadership Packet.

There being no further business, the meeting was adjourned.

Respectfully submitted,
Faye Humphrey, President
